WARRANT FOR ANNUAL TOWN MEETING

MONDAY, MARCH 4, 1968

To either of the Constables of the Town of Stoneham in the County of Middlesex

GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 4, 1968 at six o'clock in the forenoon to act on the following articles of this warrant:

Article 1. To choose the following officers:

One (1) Moderator for one (1) year
Five (5) Selectmen for one (1) year
One (1) Assessor for three (3) years
One (1) member of the School Committee for three (3) years
One (1) member of the Board of Public Welfare for three (3) years
Two (2) Trustees of the Public Library for three (3) years
One (1) member of the Board of Health for three (3) years
One (1) member of the Board of Public Works for three (3) years
One (1) member of the Planning Board for five (5) years
One (1) member of the Stoneham Housing Authority for five (5) years
Three (3) Constables for one (1) year

All on one ballot.

The polls for the annual Town Election shall be closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet in Town Hall at 7:30 o'clock in the evening on Monday, March 11, 1968, in accordance with provisions of Article 1, Section 2, of the By-laws of the Town of Stoneham.

Article 2. To choose all other necessary town officers for the year ensuing in such manner as the Town may determine.

Article 3. To hear the reports of Town officers and committees and to act thereon and to choose committees.

Article 4. To see if the Town will vote to fix the salaries of the several elective officers and boards of the Town for the current year.

Article 5. To see what action the Town will take for the disposition of all or any part of the unexpended balances of appropriations previously voted for specific purposes as follows:

Police Department Cruisers 1966 (Art. 17)	\$ 119.80
Police Department Radar 1966 (Art. 19)	106.90
Street Construction 1966 (Art. 21)	53.29
Chapter 90 Construction 1966 (Art. 27)	2,731.27
Infirmary Painting 1966 (Art. 43)	8.04
Police Department Cruisers 1967 (Art. 19)	950.00
Fire Dept. Uniform Allowance 1967 (Art. 21)	13.16
Sidewalk Construction 1967 (Art. 25)	9.82
Chapter 90 Maintenance 1967 (Art. 26)	10.17
P.W.D. Panel Truck 1967 (Art. 32)	287.58
Forestry & Park Dept. Truck 1967 (Art. 33)	13.47
Cemetery Department Backhoe 1967 (Art. 30)	25.00
Water Department Truck 1967 (Art. 31)	429.00

Town Accountant

Article 6. To see if the Town will vote to raise and appropriate, from taxation or by transfer from available funds, such sums as may be necessary to defray Town charges for the ensuing year.

Town Accountant

Article 7. To see if the Town will vote to establish a Reserve Fund, under provisions of Chapter 40, Section 6 of the General Laws, and raise and appropriate a sum of money therefor, from taxation or by transfer from available funds.

Town Accountant

Article 8. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$400,000.00 for the reduction of the 1968 tax rate.

Board of Selectmen

Article 9. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1968 and January 1, 1969, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

Board of Selectmen

Article 10. To see if the Town will authorize the Board of Health to enter into a contract, for a term of not more than three (3) years, for the removal and disposal of garbage, or do anything in relation thereto.

Board of Health

Article 11. To see if the Town will authorize the Board of Health to make the appointment to the position of Milk Inspector from its own membership, or do anything in relation thereto.

Board of Health

Article 12. To see if the Town will approve the construction of a new housing project by the Stoneham Housing Authority, namely, a housing project for elderly persons, pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-4.

Stoneham Housing Authority

Article 13. To see if the Town will vote to raise and appropriate a sum of money to purchase and install an automatic traffic control signal system at the intersection of Central Street and Pleasant Street, and other necessary connecting accessories, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

Article 14. To see if the Town will vote to authorize the appointment of one (1) additional Sergeant for the Police Department, raise and appropriate a sum of money therefor, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Chief of Police

Article 15. To see if the Town will vote to raise and appropriate a sum of money to purchase three (3) new automobiles for use of the Police Department, authorize the disposal of three (3) automobiles now in service, authorize the Board of Selectmen to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Chief of Police

Article 16. To see if the Town will vote to raise and appropriate a sum of money to purchase and install new compressed air tanks and other necessary associated parts of the air whistle plant of the Fire Department, and to dispose of the compressed air tanks now in service; authorize the Moderator to appoint a committee of three (3) members to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Fire Chief

Article 17. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip an 85-foot aerial ladder for the Fire Department, and to dispose of the 1944 Seagrave, 65-foot aerial ladder now in service; authorize the Moderator to appoint a committee of three (3) members to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Fire Chief

Article 18. To see if the Town will vote to raise and appropriate a sum of money to purchase uniforms for the members of the Stoneham Auxiliary Police Department, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Milton E. Roberts
Auxiliary Police Chief

Article 19. To see if the Town will vote to raise and appropriate a sum of money to provide for the employment of five (5) additional School Traffic Directors, under the supervision of the Police Department, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

School Traffic Safety Committee

Article 20. To see if the Town will vote to raise and appropriate a sum of money to construct, repair or do any other work deemed necessary, to provide adequate sidewalks on public ways or parts thereof, as approved by the Safety Committee, School Committee, and Board of Public Works, under the laws relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, authorize the Board of Selectmen to take land by eminent domain for the above purposes under provisions

of Chapter 79 of the General Laws, where necessary, and authorize the Board of Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto; said work to be done by or under the supervision of the Board of Public Works.

Safety Committee, School Committee
And Board of Public Works

Article 21. To see if the Town will vote to raise and appropriate a sum of money to purchase, for use of the Public Works Department, equipment for removal of snow from sidewalks, and/or other areas, authorize the Board of Public Works to make such purchase, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 22. To see if the Town will vote to authorize the appointment by the Moderator of a committee of five (5) members to investigate the need and feasibility of constructing a covered artificial or natural ice skating rink in the Town of Stoneham, said committee shall report to the Town at the next Town Meeting its findings and recommendations, or do anything in relation thereto.

Daniel C. Towse and 17 others

Article 23. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or replacing water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 24. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the Stabilization Fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 25. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

Article 26. To see if the Town will vote to raise and appropriate, or transfer from available funds in the Treasury, a sum of money for the permanent construction of certain streets within the limits of the Town, or do anything in relation thereto.

Board of Public Works

Article 27. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 28. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with the State and County Aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 29. To see if the Town will vote to raise and appropriate a sum of money for the construction of highways, with State and County aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation, transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 30. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of providing an area outside the Town limits for the disposal of rubbish and refuse for a period of one year, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing, or otherwise, or do anything in relation thereto.

Board of Public Works

Article 31. To see if the Town will vote to raise and appropriate a sum of money to purchase and install outside meter reading devices on residential water meters, authorize the Board of Public Works

to make such purchases from the Neptune Meter Company, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 32. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) Rubbish Truck complete with twenty (20) cubic yard loadpacker body, and necessary accessories, authorize the disposal of the 1952 Mack fifteen (15) cubic yard Rubbish Truck now in service, authorize the Board of Public Works to make said purchase, and disposal, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise or do anything in relation thereto.

Board of Public Works

Article 33. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department, one (1) one ton 4-wheel drive dump truck complete with snow plow and all necessary accessories, authorize the disposal of the 1956 Ford one ton dump truck now in service, authorize the Board of Public Works to make such purchase and disposal, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 34. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) six cubic yard power sandspreader body and necessary accessories, authorize the disposal of the 1958-five cubic yard power sandspreader body and necessary accessories, authorize the disposal of the 1958-five cubic yard power sandspreader body now in service, authorize the Board of Public Works to make such purchase and disposal, raise the said appropriation by transfer from the balance of Article 34 of 1967, front end loader-\$1,853.23; from the balance of Article 36 of 1967, sidewalk tractor-\$490.40, or by transfer from other available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 35. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) five ton dump truck, with necessary accessories, authorize the disposal of the 1950 Mack dump truck now in service, and auth-

orize the Board of Public Works to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise or do anything in relation thereto.

Board of Public Works

Article 36. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department two (2)-2 1/2 ton dump trucks with one plow, and necessary accessories, authorize the disposal of the two-2 1/2 ton International dump trucks now in service, authorize the Board of Public Works to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 37. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) self powered gang reel grass mower and necessary accessories, authorize the disposal of the 1960 self powered gang reel grass mower now in service and authorize the Board of Public Works to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 38. To see if the Town will vote to accept as public town ways the following ways as laid out by the Planning Board and the Board of Public Works: (1) Oakland Avenue, from Maple Street to Manison Street; (2) Manison Street, from Oakland Avenue westerly to Adam Road; and to vote to raise and appropriate a sum of money for the construction of the public ways accepted, under laws relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing, or otherwise, and authorize the Board of Selectmen or the Board of Public Works to obtain by purchase, accept as a gift, take by right of eminent domain under the provisions of Chapter 79 or 80A of the General Laws or otherwise acquire any land or interest in land necessary or proper for the acceptance of such ways.

Residents of the Streets

Article 39. To see if the Town will vote to accept as a public town way the following described way as laid out by the Planning

Board and the Board of Public Works: Stonehill Drive from Main Street westerly and southerly a distance of approximately 864 feet, and authorize the Board of Selectmen or the Board of Public Works to obtain by purchase, accept as a gift, take by right of eminent domain under the provisions of Chapter 79 or 80A of the General Laws or otherwise acquire any land or interest in land necessary or proper for the acceptance of such ways.

Trustees of Twenty Eight Realty Trust

Article 40. To see if the Town will vote to raise and appropriate a sum of money to purchase equipment and related materials for the installation of an electronic voting system to be used at elections and primaries in the Town of Stoneham, as authorized by Chapter 564, Acts of 1967, and any amendments thereto, authorize the Board of Selectmen to enter into any agreement or agreements on behalf of the Town of Stoneham to carry out any vote or votes passed under this article, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

Article 41. To see if the Town will vote to acquire for Park Purposes by purchase, accept as a gift, take by right of eminent domain, or otherwise, title to certain parcels of land presently owned by the Town of Wakefield said parcels being more fully described as follows: Parcel Number 1. Land situated on Brookbridge Road and Whipple Avenue known as Lots 95 through 114, and containing approximately 57,187 square feet, more or less, being shown on the Assessor's Maps, and also recorded in Plan Book 308 -- Plan No. 6 at the Middlesex Registry of Deeds, South District. Parcel No. 2. Land situated off Brookbridge Road and Whipple Avenue, adjoining Parcel No. 1, and adjacent to Felspa Road and Veterans Lane, and containing approximately 8.05 acres, more or less, as shown on the Assessors' Maps and also recorded in Plan Book 308 -- Plan No. 6 at the Middlesex Registry of Deeds, South District, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Conservation Commission

Article 42. To see if the Town will vote to acquire for Park purposes, by purchase, accept as a gift, take by right of eminent domain, or otherwise, title to certain parcels of land on Meadow Road and Fiske Avenue, so-called, said parcels being more fully described as follows: Parcel No. 1. Land situated on Meadow Road and Fiske Avenue, known as lots 74-80 and lots 39-43, as shown on plan of Fellsway Park Terrace, Stoneham, Mass., owned by H.W. Eaton by Ernest W. Branch, Civil Engineer, dated October 14, 1914, and re-

corded in Plan Bk. 228 Plan 1 at Middlesex Registry of Deeds, South District, said lots containing 73,751 sq. ft., more or less, and presently owned as follows: Lots 39 & 40, Francis T. & Veronica E. Donahue: Lots 41, 42 & 43, Edward D. McPartland: Lots 74, 75 & 76, Guiseppe DiChiara: Lot 77, Domenico Manzelli: Lot 78 Antonio & Caroline Manzelli: Lots 79 & 80, Edward F. & Jean E. Homer. Parcel No. 2. Land situated off Fiske Avenue and off Marble Street containing 42,000 sq. ft., more or less, as shown on the Assessors' maps and presently owned by Eric G. & Elizabeth L. Houde, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Conservation Commission

Article 43. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, accept as a gift, take by right of eminent domain under Chapter 79 or 80A of the General Laws, or otherwise acquire for school purposes, a certain parcel of land off Franklin Street adjacent to land now owned by the Town and under jurisdiction of the Junior High School Building Committee, further bounded and described as follows: Land now or formerly of Sebastianos and Josephine M. Avellino, comprising about 8.6 acres, being bounded and described as follows: Northerly by lands now or formerly of Town of Stoneham 595 feet. Easterly by lands now or formerly of Drinkwater, trustees Laura Realty Trust 548.37 feet. Southerly by land now or formerly of Metropolitan District Commission 308.37 feet. Southwesterly by land now or formerly of Metropolitan District Commission 144.13 feet. Easterly by land now or formerly of Metropolitan District Commission 545 feet. Southerly by land now or formerly of Metropolitan District Commission 210 feet. Westerly by land now or formerly of Barrese 168 feet. Westerly by land now or formerly of Spadafora 872 feet. Determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or by any combination of these methods, or otherwise, or do anything in relation thereto.

School Committee

Article 44. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, accept as a gift, take by right of eminent domain under Chapter 79 or 80A of the General Laws, or otherwise acquire for school purposes, a certain parcel of land off Franklin Street adjacent to land now owned by the Town and under jurisdiction of the Junior High School Building Committee, further bounded and described as follows: Land now or formerly of Frank E. Burke, comprising about 5.5 acres, being bound and described as follows: Northerly by land now or formerly a right-of-way of 41.88 feet. Northerly by land now or formerly of Pagliuca and Nagle about 382.7 feet. Easterly by land now or formerly

of Dickinson 33 feet, McGowan 93 feet, and Geary 44 feet. South-easterly by land now or formerly of Fallon 56 feet, Burke 60 feet and Burke 20 feet, and Wentzell 86 feet. Southerly by land now or formerly of Town of Stoneham 75 feet, Easterly by land now or formerly of Town of Stoneham 368.2 feet, Southerly by land now or formerly of the Town of Stoneham 395.87 feet, Westerly by land now or formerly of O'Grady 765 feet. Determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or by any combination of these methods, or otherwise, or do anything in relation thereto.

School Committee

Article 45. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase, accept as a gift, take by right of eminent domain under Chapter 79 or 80A of the General Laws, or otherwise acquire for school purposes, a certain parcel of land off Broadway adjacent to the Wakefield town line, further bounded and described as follows: Land now or formerly of George Morgan, comprising about 7.5 acres, being bounded and described as follows: Northerly by land now or formerly of Our Lady of Nazareth Academy 302 feet. Easterly by the town line of Wakefield and land now or formerly of Morgan 840 feet. Southerly by Broadway 335 feet. Westerly by land now or formerly by St. Patrick's Cemetery 90 feet. Southerly by land now or formerly by St. Patrick's Cemetery 315 feet. Westerly by land now or formerly of Barbo 112 feet, by Mayflower Drive and land now or formerly of Bacon 177 feet, and land now or formerly of Murray 179 feet, by Morgan Avenue and land now or formerly of DiTullio 112 feet. Determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or by any combination of these methods, or otherwise, or do anything in relation thereto.

School Committee

Article 46. To see if the Town will vote to amend the Zoning By-Laws by adding to the present limits of the Residence B District as heretofore defined so as to extend the Residence B District into the following described area: A certain parcel of land consisting of 19.29 acres more or less having two frontages on Pond Street and being bounded by the land of Dominic J. & Annabelle M. Cannuli, Leonard C. & Lillian C. Doucet, Bernard J. & Mildred B. Bolton, by three parcels of Arthur G. & Gertrude R. Chapman, a certain right of way, Reginald & Glendola M. Mitchell, by two parcels of Roland J., Joseph, Anthony W. & Guy J. Spadafora, another right of way, and by the Metropolitan District Commission, George A. & Muriel A. Bates, Carmella Spadafora, Joseph & Mary Spadafora, Martin A. & Vincenza Conserva, Edwin E. W. & Edith C. Erickson, Frank & Mary Cozzo, Felice & Maria Buono, and by land of Beverly Building Corporation. Said land being shown as Lot 1 on a Plan of Land in Stoneham, Mass., dated August 9, 1967, Dana F. Perkins, & Sons, Inc.,

Civil Engineers & Surveyors as recorded in Middlesex South District Registry of Deeds in Book 11381, Page 232.

William F. D'Annolfo

Article 47. To see if the Town will vote to amend the Zoning By-law by re-zoning from Residence B District to Retail Business District the following described area: A certain parcel of land with the buildings thereon at #74 Main Street, situated on the easterly side of Main Street, Stoneham, and shown as Lots 1 - 2 and part of Lot 3, on a plan entitled "Subdivision of Land in Stoneham, dated August 3, 1946, Warren Mirick, C.E., " recorded with Middlesex South District Deeds, Book 7038, Page 160, bounded and described Westerly by said Main Street, 100 feet; Northerly by Celestine Terrace, as shown on said plan, one hundred twenty-five (125 feet; Easterly by land now or formerly of Ellen C. DeAvilla, as shown on said plan, 100 feet; and Southerly by land now or formerly of Paul Lane, as shown on said plan, 125 feet, containing 12,470 sq. ft. of land according to said plan.

Michael Ciccone

Article 48. To see if the Town will vote to discontinue the operation of the Town Infirmary or appropriate it to any other use the Town determines.

Public Welfare Review Committee

Article 49. To see if the Town will vote to transfer the care, custody, management and control of the land, together with the buildings thereon, presently used by and for the Town Infirmary to another board, officer, or department for another specific municipal purpose, or do anything in relation thereto.

Public Welfare Review Committee

Article 50. To see if the Town will vote to accept the recommendations of the Public Welfare Review Committee as established under the provisions of Article 2 of the Special Town Meeting of September 11, 1967, said recommendations being as follows: Recommended: (1) That the provisions of the "Alice J. Durgin Fund" be carried out by such proper Town authority as may be designated or appointed by the Board of Selectmen of the Town of Stoneham. (2) That the "Sidney A. Hill Fund" be administered in accordance with the terms

of the will of the late Ora Hill Bingham by trustees appointed by any Court of competent jurisdiction upon application for such appointment or for instructions in connection therewith and that the Board of Selectmen instruct the Town Counsel to obtain such appointment and/or instructions. (3) That the Boston Safe Deposit and Trust Company, as Trustee of Common Trust Fund "A" of which the Helen Wolcott Stockwell Trust is a part, be notified that the Board of Public Welfare for the Town of Stoneham will be discontinued as of June 30, 1968 and hence no longer be able to assist in the administration of that segment of the Stockwell Fund allocated to the Town of Stoneham and to request that said Trustee recommend an alternate method of administration; or to do anything in relation thereto.

Public Welfare Review Committee

And you are directed to have one thousand two hundred (1200) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this sixth day of February in the year of our Lord one thousand nine hundred and sixty-eight.

Alice Fitzgibbon DelRossi
Edmund J. Moreira
Daniel C. Towse
Joseph W. Fallon
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on February 12, 1968, and by causing to be published duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on February 15, 1968.

Robert E. Moreira
Constable of Stoneham

TOWN ELECTION

MARCH 4, 1968

Agreeable to the warrant signed by the Selectmen on February 6, 1968, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 4, 1968 at six o'clock in the forenoon.

Election Officers, appointed by the Selectmen in accordance with law, were sworn by the Town Clerk and assigned to duty.

The meeting was called to order, the warrant read and the polls were declared open. At eight o'clock in the evening the polls were declared closed at which time the ballot boxes registered 3570, as ascertained by the Warden. The check lists at the entrance showed the names of 3570 voters having cast ballots, as ascertained by the Warden.

Moderator - One Year

Philip J. McColgan, Jr., 43 Collincote St.	2649
Blanks	921
Philip J. McColgan, Jr., having received the highest number of all votes cast for Moderator, was declared elected for one year.	

Selectmen - One Year

Alice Fitzgibbon DelRossi, 8 Cricklewood Dr.	2156
Joseph W. Fallon, 592 Main St.	1664
Edmund J. Moreira, 19 Endicott Rd.	1823
Daniel C. Towse, 7 Congress St.	1819
Lester W. Bowen, 106 Elm St.	453
Martin J. Cicatelli, 21 Campbell Rd.	745
James A. McDonough, Jr., 8 Windsor Rd.	1324
Charles Frederick Peoples, 455 Main St.	685
John E. Shaughnessy, 27 West St.	842
Louis N. Stamas, 249 Central St.	931
Albert R. Symes, 10 Adam Rd.	943
Paul J. Walsh, 2 Chase Rd.	642
Russell S. Walsh, 58 Summer St.	261
Blanks	3562

Alice Fitzgibbon DelRossi, Edmund J. Moreira, Daniel C. Towse, Joseph W. Fallon and James A. McDonough, Jr., having received the highest number of all votes cast for Selectmen, were declared elected for one year.

Assessor - Three Years

William S. Coy, Jr., 135 Spring St.	1919
Edmund S. Balboni, 325 William St.	336
Thomas E. Treacy, 240 Hancock St.	1150
Blanks	165

William S. Coy, Jr., having received the highest number of all votes cast for Assessor, was declared elected for three years.

School Committee - Three Years

Francis J. Burns, 57 Westwood Rd.	1084
Paul Edward Houghton, 18 Pearl St.	1100
Betty B. McManus, 5 Forest St.	1192
Blanks	194

Blanks	2956

Albert T. MacHenry, Robert E. Moreira and John C. Nelson, having received the highest number of all votes cast for Constable, were declared elected for one year.

All the requirements of law having been complied with, the meeting was declared adjourned to meet in Town Hall on Monday, March 11, 1968, at 7:30 o'clock in the evening, in accordance with provisions of Article 1, Section 3, of the By-laws of the Town of Stoneham.

All the foregoing truly entered.

Winthrop A. McCarthy, Town Clerk

Adjourned Annual Town Meeting

March 11, 1968

Agreeable to the warrant signed by the Selectmen of February 6, 1968, and in accordance with the vote of adjournment at the annual Town Election held on March 4, 1968, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 11, 1968, at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that six hundred and nineteen (619) attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 2. VOTED that the Selectmen be authorized to appoint all other town officers whose appointment is not otherwise provided for by law.

Article 3. VOTED that the reports of town officers, boards and committees as printed in the annual Town Report for the year 1967 be accepted.

VOTED that the report of the Incinerator Committee be accepted as a report of progress.

VOTED to accept the following report of the Revaluation Study Committee as a report of progress:

This Committee was appointed by the Town Moderator in accordance with the provisions of Article 47 of the 1967 Town Warrant. This article states in part, "the function of this Committee will be to study all phases for revaluating the town".

The Committee has studied revaluation in surrounding communities. In particular, we have visited the Board of Assessors in Wakefield, Reading and Wilmington, and have a written study report from the Town of Danvers. We have also had discussions with the Associate Commissioner of the Massachusetts Department of Corporation and Taxation as regards revaluation throughout the State. Each of the above towns have found inequities in their assessments similar to which we have found in Stoneham, and they have taken action to correct these inequities by revaluation.

There are some in Stoneham whose properties are being over assessed while there are others who find themselves in a more fortunate position. Certainly, the latter should not wish to perpetuate this injustice on his neighbors. The last time the Town of Stoneham was revaluated was in 1929, and as of today the Board of Assessors is still limited by a Cost of Construction Table which was prepared in 1929. In our meetings with other towns, they have pointed out to us that no town can maintain a fair procedure of valuation unless it updates its assessment criteria periodically. Stoneham's criteria has not been updated for almost 40 years.

The tax burden of Stoneham has increased many fold since 1929 and is now in the vicinity of 6 million dollars. The total tax is the highest in the town's history and appears to be going even higher. We have reached the point where we must recognize that the sharing of the tax burden must be done in a fair and systematic way. The burden of taxes is one which should be shared by all the people of Stoneham fairly.

The Committee has been constantly aware of the serious nature of its tasks and the equally serious consequences involved in this matter. Since revaluation involves the taxpayers of our town we intend to hold a series of open meetings where the taxpayers may come and air their feelings. It is our intention to have representatives for revaluation consultant firms present to answer questions as to cost, procedure, etc. At subsequent meetings we will invite Board of Selectmen, Board of

Assessors, Finance and Advisory Board, the Building Inspector and the Town Counsel to assess what the impact of revaluation may be. When this program is completed our committee will ask the Board of Selectmen to call a special town meeting if necessary. At this town meeting we will submit an article and/or articles for consideration.

We feel confident that the people of Stoneham with their traditional sense of fairness and justice desire to carry their fair and equitable share of the tax burden. We also feel that the taxpayers will meet with this Committee at these open meetings and let their feelings on this matter be known.

VOTED that the following report of the Public Welfare Review Committee be accepted:

A meeting was held on December 29, 1967 in order to organize a committee composed of seven citizens appointed by the Town Moderator by direction of the Special Town Meeting of September 11, 1967 to examine the effect of Senate Bill 1350 of August 8, 1967 on the present and future administration of those functions which the Board of Public Welfare now administers and which when said Act and Amendments thereto become law, the aforementioned functions will not be encompassed in said Act.

The committee met and organized as the Public Welfare Review Committee comprised of the following members: Michael J. Rolli, Chairman; Charles McDermott, Secretary; Donald J. Morrison, John Sereda, Jr., Leo Lawrence, Edward Doyle, Paul J. Walsh.

This Public Welfare Review Committee is directed to have its recommendations relative to the above situation included as an article in the warrant for the annual Town Meeting of 1968.

Subsequent to the formation of the Public Welfare Review Committee, Senate Bill 1350 was enacted into law as Chapter 658 of the Acts of 1968 calling for reorganization of the Department of Public Welfare and providing for the direct administration of the public welfare system of the Commonwealth by said department, to be effective as of July 1, 1968.

Since being organized the Committee has convened nine times for discussion of problems involved. The Town Counsel has made himself available to the Committee and at various times has consulted with the Chairman and Secretary.

In the interest of the Town, the Committees' initial recommendation will be to assure that any equipment deemed obsolete by the State Department of Public Welfare shall be recovered by the Town of Stoneham by the proper authority.

On January 4, 1968 the Committee visited the Town Infirmary for inspection of the facility, following which a conference was held with the Superintendent and Matron. After much deliberation the Committee felt

that due to the costly changes necessitated by the State Department of Public Health and Public Safety inspections that the Town could no longer afford to maintain the Infirmary. The decision was also based in part upon the small number of residents (ten) being maintained at the facility, and the fact that the residents may be transferred to some other Social Welfare Assistance program at a cost much less to the Town. This Committee is much concerned with the report dated January 8, 1968 from the Commonwealth of Massachusetts - Department of Public Health Division of Nursing Homes and Related Facilities whereby...“persons who require nursing care may not be kept at the Infirmary”. With the foregoing facts in view, the Committee voted to recommend that the Infirmary be closed effective June 30, 1968.

The Committee will further discuss the Infirmary under Article 48 of the Town Meeting: “To see if the Town will vote to discontinue the operation of the Town Infirmary or appropriate it to any other use the Town determines”.

This Committee has requested the Welfare Board to assist them in placing the employees of the Infirmary in some other employment of the Town. The Welfare Board has informed this committee that a letter had been sent to the Personnel Board requesting assistance in placing the Infirmary employees.

The Committee has received only one inquiry as to the availability of the town land at the Infirmary. It was felt by the Committee that transfer of the care, custody, management and control of the land, with the buildings thereon should rest with the Board of Selectmen.

The Committee makes the following recommendation as contained in Article 50:

That the Town accept the recommendations of the Public Welfare Review Committee as established under the provisions of Article 2 of the Special Town Meeting of September 11, 1967, said recommendations being as follows: Recommended: (1) That the provisions of the “Alice J. Durgin Fund” be carried out by such proper Town Authority as may be designated or appointed by the Board of Selectmen of the Town of Stoneham. (2) That the “Sidney A. Hill Fund” be administered in accordance with the terms of the will of the late Ora Hill Bingham by trustees appointed by any Court of competent jurisdiction upon application for such appointment or for instructions in connection therewith and that the Board of Selectmen instruct the Town Counsel to obtain such appointment and/or instructions. (3) That the Boston Safe Deposit and Trust Company, as Trustee of Common Trust Fund “A” of which the Helen Wolcott Stockwell Trust is a part, be notified that the Board of Public Welfare for the Town of Stoneham will be discontinued as of June 30, 1968 and hence no longer able to assist in the administration of that segment of the Stockwell Fund allocated to the Town of Stoneham and to request that said Trustee recommend an alternate method of administration; or to do anything in relation thereto.

Voted to accept the report of the Capital Outlay Expenditure Committee, as contained in the printed report of the Finance and Advisory Board as a preliminary report.

Voted to accept the following report of the Safety Committee:

The Moderator appointed the following members to the Safety Committee created in accordance with the provisions of Article 16 of the warrant for the annual town Meeting of 1967: Mr. George J. McDonough, Mr. Donald W. Hanson, Mr. Melvin Keimach, Mr. Dominic A. Lucci, Mrs. Betty B. McManus, Mr. Peter P. Savello, and Mr. John A. Stone.

Under Article 16 the Town took the following action: VOTED that the Town authorize the Moderator to appoint a committee of seven (7) members to investigate the possibility of improving the safety of pupils on their way to and from school; and to report at the next Town Meeting with specific recommendations for this purpose.

The newly formed committee met on June 20, 1967. Mrs. Betty B. McManus was elected Chairman. We then met with the School Committee to discuss the problems since the School Committee was the sponsor of Article 16.

After this combined meeting, we felt the need of protection was in the area of sidewalks (properly kept), more school traffic directors and the possibility of transporting more children. We felt at this point the view of the Public Works Department was necessary.

On June 27, 1967, we met with Mr. John E. Finnegan and Mr. William J. Reid, Jr. of the Public Works Department. Facts about sidewalks, their size, approximate cost and the betterment act were discussed. The Safety Committee in its consideration of more sidewalks felt more sidewalk snowplows would be necessary.

The Police Department surveyed the streets and reported on the most hazardous streets where sidewalks were needed.

The Safety Committee surveyed the streets and mapped out where there were existing sidewalks and where sidewalks were needed to make a town wide grid of sidewalks for the safety of the children.

As this committee looked further into transportation costs, it was felt that with the continuing spiraling costs of transportation this would eventually become prohibitive. Furthermore in our day of physical fitness programs, we felt the walk to and from school (on plowed sidewalks) more healthful. These sidewalks would also benefit other pedestrians below and above the school age.

The need for more Traffic Directors was discussed. It was brought to our attention that one dangerous intersection only has an officer on duty in the morning and another intersection is covered by the Police

cruiser man but in the case of an emergency, he would be called away. Certain schools on busy streets do not have any adult supervision directly in front of them. This discussion led further to the recommendation that upon the opening of the new Junior High School, an additional Traffic Director would most definitely be needed in that area.

On November 2, 1967, the Safety Committee again met with the School Committee and Public Works Department to inform them of our findings and recommendations. The Safety of school children was paramount at this meeting and all present were in accord to rectify the present problems. The urgency of the situation prompted the Safety Committee with the proper Town Departments to enter their recommendations in the form of articles on the Town Warrant of March, 1968. There will be three articles; One, sidewalks needed; two, a sidewalk snowplow; three, more traffic directors.

Article 4. VOTED that the Town fix the salaries of its several elective officers for the year 1968 as follows:

Moderator.....	\$	50.00
Selectmen, each.....		110.00
Town Treasurer and Tax Collector.....		8,600.00
Town Clerk.....		3,500.00
Assessor, Chairman.....		2,025.00
Assessor, Secretary.....		1,800.00
Assessor, Member.....		1,800.00
Board of Health Members, each.....		110.00
Board of Public Welfare Members, each.....		110.00

Article 5. VOTED that the unexpended balances of appropriations for specific purposes voted in previous years be transferred to the Excess and Deficiency Account as follows:

Police Dept. cruisers (1966).....	\$	119.80
Police Dept. radar (1966).....		106.90
Street Construction (1966).....		53.29
Chapter 90 Construction (1966).....		2,731.27
Infirmary Painting (1966).....		8.04
Police Dept. cruisers (1967).....		950.00
Fire Dept. Uniform Allowance (1967).....		13.16
Sidewalk Construction (1967).....		9.82
Chapter 90 Maintenance (1967)		10.17
P.W.D. Panel Truck Purchase (1967).....		287.58
Forestry & Park Dept., Truck (1967).....		13.47

and VOTED that the unexpended balance of appropriation for specific purpose voted in previous years be transferred to Water Surplus Account as follows:

Water Dept., Truck Purchase (1967).....\$ 429.00
 and VOTED that the unexpended balance of appropriation for specific
 purpose voted in previous year be transferred to the Sale of Lots and Graves
 Fund as follows:

Cemetery Dept., Backhoe Purchase (1967)\$ 25.00

Article 6. VOTED that the sum of \$168,177.00 be appropriated for General
 Government, said sum to be expended as itemized in the recommendations
 of the Finance and Advisory Board as follows:

Moderator, Annual Salary	\$ 50.00
Moderator, Admin. Expense	30.00

Article 16. VOTED that the sum of \$5,000.00 be raised and appropriated to purchase and install new compressed air tanks and other necessary associated parts of the air whistle plant of the Fire Department, and to dispose of the compressed air tanks now in service, authorize the Moderator to appoint a committee of three (3) members to make said purchase and disposal, and that the said appropriation be raised from the revenue of the current year.

VOTED to adjourn to meet in Town Hall on Monday, March 18, 1968 at 8:00 o'clock in the evening.

All the foregoing truly entered.

Winthrop A. McCarthy, Town Clerk.

Adjourned Annual Town Meeting

March 18, 1968

Agreeable to the warrant signed by the Selectmen on February 6, 1968, and in accordance with the vote of adjournment at the annual Town Meeting held in Town Hall on Monday, March 11, 1968, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 18, 1968 at 8:00 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that two hundred and thirty-three (233) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 17. VOTED that the Town raise and appropriate the sum of \$57,000.00 to purchase and equip an 85-foot aerial ladder truck for the Fire Department, and to dispose of the 1944 Seagrave 65-foot aerial ladder truck now in service, authorize the Moderator to appoint a committee

of three (3) members to make said purchase and disposal, and said sum to be raised and appropriated from the revenue of the current year.

Article 18. VOTED that the Town authorize the purchase of uniforms for the members of the Stoneham Auxiliary Police Department, and that any expense shall come from the appropriation made for said purpose under Article 6 of this warrant.

Article 19. VOTED that the Town raise and appropriate the sum of \$2,190.00 from the revenue of the current year to provide for the employment of five (5) additional School Traffic Directors under the supervision of the Police Department.

Article 20. VOTED that the Town raise and appropriate the sum of \$90,000.00 for the purpose of constructing, repairing or do any other work deemed necessary, to provide adequate sidewalks on public ways or parts thereof, as approved by the Safety Committee, School Committee and Board of Public Works, under the laws relating to the assessment of Betterments, and that the said appropriation be raised as follows: from the revenue of the current year, the sum of \$10,000.00, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$80,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws. YES, 175; NO, 13.

Article 21. VOTED that the Town raise and appropriate the sum of \$17,200.00 to purchase, for use of the Public Works Department, equipment for removal of snow from sidewalks, and/or other areas, authorize the Board of Public Works to make such purchase, and said sum to be raised and appropriated from the revenue of the current year.

Article 22. VOTED that the Town authorize the Moderator to appoint a committee of five (5) members to investigate the need and feasibility of constructing a covered artificial or natural ice skating rink in the Town of Stoneham, said committee shall report to the Town at the next Town Meeting its findings and recommendations.

Article 23. VOTED that the Town raise and appropriate the sum of \$50,000.00 for the purpose of defraying the cost of constructing water mains or cement lining existing water mains or relaying water mains within the limits of the Town, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$50,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws. YES, 172; NO, 1.

Article 24. VOTED that the Town raise and appropriate the sum of \$100,000.00 for the purpose of constructing sanitary sewer mains within the limits of the Town, and that the said appropriation be raised as fol-

lows; from the revenue of the current year, the sum of \$2,000.00 and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$98,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws.

Article 25. VOTED that the Town raise and appropriate the sum of \$3,000.00 from the revenue of the current year to reconstruct certain existing tar sidewalks within the limits of the Town.

Article 26. VOTED that the Town raise and appropriate the sum of \$24,461.58 for the permanent construction of certain streets within the Town, said construction of said streets having been approved by the State Department of Public Works, said appropriation to be raised by transfer from the Highway Fund provided for by Chapter 679 of the Acts of 1965, that no construction shall be undertaken until said funds have been received by the Town Treasurer, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 27. VOTED that the Town raise and appropriate the sum of \$12,500.00 from the revenue of the current year for the purpose of constructing sewers for surface drainage within the limits of the Town.

Article 28. VOTED that the Town raise and appropriate the sum of \$4,500.00 from the revenue of the current year for the maintenance of highways which have been constructed with State and County aid under provisions of Chapter 90 of the General Laws.

Article 29. VOTED that the Town raise and appropriate the sum of \$29,200.00 from the revenue of the current year for Chapter 90 Highway Construction.

Article 30. VOTED that the Town authorize the Board of Public Works, for and on behalf of the Town, to enter into a contract for a term not to exceed one year, to provide for an area outside the Town limits for the disposal of rubbish and refuse, and that the sum of \$27,500.00 be raised and appropriated therefor from the revenue of the current year.

Article 31. VOTED that the Town raise and appropriate the sum of \$20,000.00 to purchase and install outside meter reading devices on residential water meters, authorize the Board of Public Works to make such purchase, raise the said appropriation by transfer from the Water Surplus Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 32. VOTED that the Town raise and appropriate the sum of \$14,200.00 from the revenue of the current year to purchase, for use of the Public Works Department, one (1) Rubbish Truck, complete with twenty (20) cubic yard loadpacker body, and necessary accessories, authorize the disposal of the 1952 Mack fifteen (15) cubic yard Rubbish Truck

now in service, and authorize the Board of Public Works to make such purchase and disposal.

Article 33. VOTED that the Town raise and appropriate the sum of \$4,550.00 from the revenue of the current year, to purchase, for use of the Public Works Department, one (1) one-ton 4-wheel drive dump truck complete with snow plow and all necessary accessories, authorize the disposal of the 1956 Ford one-ton dump truck now in service and authorize the Board of Public Works to make such purchase and disposal.

Article 34. VOTED that the Town raise and appropriate the sum of \$2,343.63 to purchase, for use of the Public Works Department, one (1) six cubic yard power sandspreader body and necessary accessories, authorize the disposal of the 1958 five cubic yard power sandspreader body now in service, authorize the Board of Public Works to make such purchase and disposal, raise the said appropriation from the unexpended balances of appropriations previously voted for specific purposes as follows: Front end loader (1967) the sum of \$1,853.23 and Sidewalk tractor (1967) the sum of \$490.40 and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 35. VOTED that the Town raise and appropriate the sum of \$9,675.00 from the revenue of the current year to purchase, for use of the Public Works Department, one (1) five-ton dump truck, with necessary accessories, authorize the disposal of the 1950 Mack dump truck now in service, and authorize the Board of Public Works to make such purchase and disposal.

Article 36. VOTED that the Town raise and appropriate the sum of \$10,975.00 from the revenue of the current year to purchase, for use of the Public Works Department, two (2) 2 1/2 ton dump trucks with one plow, and necessary accessories, authorize the disposal of two (2) 2 1/2 ton International dump trucks now in service, and authorize the Board of Public Works to make such purchases and disposals.

Article 37. VOTED that the Town raise and appropriate the sum of \$1,600.00 from the revenue of the current year to purchase, for the use of the Public Works Department, one (1) self-powered gang reel grass mower and necessary accessories, authorize the disposal of the 1960 self-powered gang reel grass mower now in service, and authorize the Board of Public Works to make such purchase and disposal.

Article 38. VOTED that the Town accept as public town ways the following ways as laid out by the Planning Board and the Board of Public Works; (1) Oakland Avenue, from Maple Street to Manison Street; (2) Manison Street, from Oakland Avenue westerly to Adam Road; and that the Town raise and appropriate the sum of \$12,500.00 from the revenue of the current year to pave said public ways, under the laws relating to the assessment of betterments, and the Selectmen and/or the Board of Public Works be authorized to obtain by purchase, accept as a gift, take by right of eminent domain under the provisions of Chapter 79 or

80A of the General Laws or otherwise acquire any land or interest in land necessary or proper for the acceptance of such ways. UNANIMOUS.

Article 39. VOTED that the subject matter of this article be indefinitely postponed.

Article 40. VOTED that the subject matter of this article be disapproved.

Article 41. VOTED that the Town acquire, for Conservation, Recreation or Park purposes by purchase, accept as a gift, take by right of eminent domain, or otherwise, title to certain parcels of land presently owned by the Town of Wakefield, said parcels being more fully described as follows: Parcel No. 1. Land situated on Brookbridge Road and Whipple Avenue known as Lots 95 through 114, and containing approximately 57,187 square feet, more or less, being shown on the Assessors' Maps, and also recorded in Plan Book 308, Plan No. 6 at the Middlesex Registry of Deeds, South District. Parcel No. 2. Land situated off Brookbridge Road and Whipple Avenue, adjoining Parcel No. 1, and adjacent to Felspa Road and Veterans Lane, and containing approximately 8.05 acres, more or less, as shown on the Assessors' Maps, and also recorded in Plan Book 308, Plan No. 6 at the Middlesex Registry of Deeds, South District, and that the sum of \$15,500.00 be raised and appropriated therefor from the revenue of the current year, and that the Selectmen be authorized to acquire said land accordingly. UNANIMOUS.

Article 42. VOTED that the Town acquire for Conservation, Recreation or Park purposes by purchase, accept as a gift, take by right of eminent domain, or otherwise, title to certain parcels of land on Meadow Road and Fiske Avenue, so-called, said parcels being more fully described as follows: Parcel No. 1. Land situated on Meadow Road and Fiske Avenue, known as Lots 74-80 and Lots 39-43, as shown on plan of Fellsway Park Terrace, Stoneham, Mass., owned by H.W. Eaton by Ernest W. Branch, Civil Engineer, dated October 14, 1914, and recorded in Plan Bk. 228, Plan 1 at Middlesex Registry of Deeds, South District, said lots containing 73,751 square feet, more or less, and presently owned as follows: Lots 39 & 40, Francis T. and Veronica E. Donahue: Lots 41, 42 & 43, Edward D. McPartland: Lots 74, 75 & 76, Guiseppe DiChiara: Lot 77, Domenico Manzelli: Lot 78, Antonio & Caroline Manzelli: Lots 79 & 80, Edward F. & Jean E. Homer. Parcel No. 2. Land situated off Fiske Avenue and off Marble Street containing 42,000 square feet, more or less, as shown on the Assessors' maps and presently owned by Eric G. & Elizabeth L. Houde, and that the sum of \$12,500.00 be raised and appropriated therefor from the revenue of the current year, and that the Selectmen be authorized to acquire said land accordingly. UNANIMOUS.

VOTED that Article 43 and Article 44 be taken up together.

Article 43 and Article 44. VOTED that the Town, under Article 43 and 44, raise and appropriate the sum of \$38,000.00 for the purpose of acquiring by purchase, accept as a gift, take by right of eminent domain or otherwise

acquire for school purposes land in the Town of Stoneham described as follows: Parcel 1: A certain parcel of land off Franklin Street now or formerly of Sebastianos and Josephine M. Avellino and bounded and described as follows: Northerly, by land of the Town of Stoneham 626.68 feet; Easterly, by land of Louis P., Jr., and Alfred T. Drinkwater, Trustees of Laura Realty Trust, 545.86 feet; Southerly, by land of Metropolitan District Commission, 307.15 feet, Southeasterly, by land of the Metropolitan District Commission, 143.96 feet; Easterly, by land of the Metropolitan District Commission, 544.88 feet; Southerly, by land of Metropolitan District Commission, 216.80 feet; Westerly, by land of Catherine M. Barrese, Roland J., Joseph, Anthony W. and Guy J. Spadafora, 1018.02 feet; and containing 8.80 acres. Parcel 2: A certain parcel of land off Franklin Street now or formerly of Frank E. Burke, and bounded and described as follows: Northerly, by land of Richardson, a passageway, and land of Pagliuca, 422.85 feet; Easterly, by a ditch along land of Dickinson, McGowan, Geary, Fallon, Burke and Wentzell, 382 feet, more or less; Southerly, by land of the Town of Stoneham, 75 feet; Easterly, by land of the Town of Stoneham, 369.68 feet; Southerly, by land of the Town of Stoneham, 308.55 feet, Westerly, by land of O'Grady, 764.5 feet, more or less; and containing 5.4 acres, more or less. All measurements and descriptions according to the "Plan of Land in Stoneham, Mass., dated March 12, 1968, by Hayes Engr., Inc., Melrose, Mass." to be recorded with Middlesex South District Registry of Deeds.

And that the Town Treasurer with the approval of the Selectmen be authorized to issue and sell from time to time, as occasion requires, Town notes, bonds or other evidences of indebtedness to an amount not exceeding \$38,000.00, said notes or bonds to be payable in accordance with Chapter 44 of the General Laws. YES, 98; NO, 38.

Article 45. No action was taken on this article by the voters assembled at this adjourned meeting. (Note. Article 45 was taken up at the adjourned meeting of March 25, 1968.)

Article 46. VOTED that the petitioner be granted leave to withdraw Article 46.

Article 47. VOTED that the subject matter of this article be indefinitely postponed.

Article 48. VOTED that the Town discontinue the operation of the Town Infirmary as of July 1, 1968.

VOTED to adjourn to meet in Town Hall on Monday, March 25, 1968 at 7:30 o'clock in the evening.

All the foregoing truly entered.

Winthrop A. McCarthy, Town Clerk

Adjourned Annual Town Meeting

March 25, 1968

Agreeable to the warrant signed by the Selectmen on February 6, 1968, and in accordance with the vote of adjournment at the annual Town Meeting held in Town Hall on Monday, March 18, 1968, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 25, 1968 at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that two hundred and thirty-four (234) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 49. VOTED that the Town transfer the care, custody, management and control of the land, together with the buildings thereon, presently used by and for the Town Infirmary, to the Selectmen, and that the Town Counsel be directed to record and attested copy of the vote with the Registry of Deeds. YES, 136; NO, 70.

Article 50. VOTED that the provisions of the "Alice J. Durgin Fund" be carried out by such proper Town Authority as may be designated or appointed by the Board of Selectmen of the Town of Stoneham. (2) Voted that the "Sidney A. Hill Fund" be administered in accordance with the terms of the will of the late Ora Hill Bingham by trustees appointed by any Court of competent jurisdiction upon application for such appointment or for instructions in connection therewith and that the Board of Selectmen instruct the Town Counsel to obtain such appointment and/or instructions. (3) Voted that the Boston Safe Deposit and Trust Company, as Trustee of Common Trust Fund "A" of which the Helen Wolcott Stockwell Trust is a part, be notified that the Board of Public Welfare for the Town of Stoneham will be discontinued as of June 30, 1968 and hence no longer able to assist in the administration of that segment of the Stockwell Fund allocated to the Town of Stoneham and to request that said Trustee recommend an alternate method of administration.

Article 45. VOTED that the subject matter of this article be indefinitely postponed.

VOTED to adjourn at 9:30 P.M.

All the foregoing truly entered.

Winthrop A. McCarthy, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING

MONDAY, MARCH 11, 1968

To either of the Constables of the Town of Stoneham in the County of Middlesex. GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 11, 1968 at 7:45 o'clock in the evening to act on the following articles of this warrant:

Article 1. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled, "Wage, Salary and Classification Plan", by adding under Section 13, subsection (f) the following:

(1) Assistant Superintendent of Public Works. Statement of duties. To perform such duties as are delegated to him by the Superintendent of Public Works. To be qualified by education, training and experience in all phases of Public Works, including Civil Engineering, and to be qualified administratively to be capable of taking charge of any or all phases of the Public Works Department when so directed by the Superintendent of Public Works.

Personnel Board

Article 2. To see if the Town will vote to amend Article XI, Section 13, subsection (e) paragraph (3) of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by inserting in the first sentence after the word "Massachusetts", the following:

"or having at least five (5) years experience in Health Department work and," so that the first sentence will read:

"Licensed sanitarian by the Commonwealth of Massachusetts, or having at least five (5) years experience in Health Department work and qualified in all branches of health, sanitation and whose duties are numerous".

Personnel Board

Article 4. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled, "Wage, Salary and Classification Plan", by striking out, under Salary Schedule, Effective July 1, 1967, the following:

	Min.	1.	Max.
Patrolman	\$6283.	\$6592.	\$6901.
Police Records			
Coordinator	5304.50		5974.

and inserting in place thereof the following:

	Min.	1.	Max.	Incr.
Patrolman	\$7500.	\$8100.	\$8700.	\$600.
Police Records				
Coordinator	6600.	7300.	8000.	700.

Personnel Board
Collective Bargaining Agents

And you are directed to have one thousand (1000) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy of the said warrant to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this twentieth day of February in the year of our Lord one thousand nine hundred and sixty-eight.

Alice Fitzgibbon DelRossi
Edmund J. Moreira
Daniel C. Towse
Joseph W. Fallon
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting duly attested copies of the said warrant in at least ten (10) public places in the Town on February 23, 1968, and by causing to be published duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on February 29, 1968.

Robert E. Moreira
Constable of Stoneham

SPECIAL TOWN MEETING

MARCH 11, 1968

Agreeable to the warrant signed by the Selectmen on February 20, 1968, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, March 11, 1968 at 7:45 o'clock in the evening to act on the following articles of this warrant.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that six hundred and nineteen (619) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the Town do vote to amend Article XI of the By-

Laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by adding under Section 13, subsection (f) the following:

(1) Assistant Superintendent of Public Works. Statement of duties. To perform such duties as are delegated to him by the Superintendent of Public Works. To be qualified by education, training and experience in all phases of Public Works, including Civil Engineering, and to be qualified administratively to be capable of taking charge of any or all phases of the Public Works Department when so directed by the Superintendent of Public Works.

Article 2. VOTED that the Town do vote to amend Article X1, Section 13, subsection (e) of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by inserting in the first sentence after the word "Massachusetts", the following:

"or having at least five (5) years experience in Health Department work, and, so that the first sentence will read: "Licensed sanitarian by the Commonwealth of Massachusetts, or having at least five (5) years experience in Health Department work and qualified in all branches of health, sanitation and whose duties are numerous".

Article 3. VOTED that the salary figures for Library Assistant under 1968 Salary Schedule be amended by striking out (Min.) \$4,575.00, (1) \$4,825.00, (Max.) \$5,075.00, (Inc.) \$25.00, and inserting in place the following: (Min.) \$4,600.00, (1) \$4,850.00, (Max.) \$5,100.00, (Inc.) \$250.00.

VOTED that under "Annual Rate" the item "Licensed Blaster - \$500.00" be stricken out and the "1968 Salary Schedule" be amended by inserting under "Day Rate" the following "Licensed Blaster, when assigned, \$25.00 per day."

VOTED that the Town do vote to amend Article X1 of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan" by striking out "Salary Schedule, effective July 1, 1967", and inserting in place thereof the "1968 Salary Schedule" as set forth in the foregoing warrant, as amended.

Article 4. VOTED that the Town do vote to amend Article X1 of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by striking out, under "Salary Schedule, effective July 1, 1967" the following:

	Min.	(1)	Max.	Inc.
Patrolman	\$6,283.00	\$6,592.00	\$6,901.00	
Police Record Coordinator	5,304.50		\$5,974.00	
and inserting in place thereof the following:				
Patrolman	\$7,500.00	\$8,100.00	\$8,700.00	\$600.00
Police Record Coordinator	\$6,600.00	\$7,300.00	\$8,000.00	\$700.00

VOTED to adjourn at 8:40 P.M.
All the foregoing truly entered.

Winthrop A. McCarthy, Town Clerk

Winthrop A. McCarthy, Town Clerk

**WARRANT FOR SPECIAL TOWN MEETING
MONDAY, SEPTEMBER 9, 1968**

To either of the Constables of the Town of Stoneham in the County of Middlesex,
GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, September 9, 1968 at eight o'clock in the evening to act on the following article of this warrant:

Article 1. To see if the Town will vote to raise and appropriate a sum of money for Veterans Benefits, determine in what manner the said appropriation shall be raised, by transfer from available funds, by transfer from the Excess and Deficiency Account, or by any combination of both, or do anything in relation thereto.

Director of Veterans Services

And you are directed to have five hundred (500) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy to be published in some newspaper in the town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the time and place of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this twenty-third day of August, A.D. 1968.

Alice Fitzgibbon DelRossi
Daniel C. Towse
Joseph W. Fallon
James A. McDonough, Jr.
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on August 29, 1968, and by causing to be published duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on August 29, 1968.

Robert E. Moreira
Constable of Stoneham

SPECIAL TOWN MEETING

SEPTEMBER 9, 1968

Agreeable to the warrant signed by the Selectmen on August 23, 1968, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, September 9, 1968 at eight o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that two hundred and six (206) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the Town raise and appropriate the sum of \$40,000.00 for Veterans Benefits and that said sum be raised as follows: the sum of \$10,000.00 by transfer from the Town Infirmary Salary Ac-

count; the sum of \$5,000.00 by transfer from the Town Infirmary Operating Expense Account; and that the sum of \$25,000.00 be transferred from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

VOTED to adjourn at 8:35 P.M.

All the foregoing truly entered.

Winthrop A. McCarthy, Town Clerk

WARRANT FOR SPECIAL TOWN MEETING
MONDAY, SEPTEMBER 30, 1958

To either of the Constables of the Town of Stoneham in the County of
Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on MONDAY, SEPTEMBER 30, 1968 at eight o'clock in the evening to act on the following articles of this warrant:

Article 1. To see if the Town will vote to authorize the Board of Public Works under Chapter 40, Section 4A, and/or other provisions pertinent thereto, of the General Laws, to participate in payment for the construction of a sanitary sewer extension by and in the City of Woburn with adequate access for the receipt of sewage from the Town of Stoneham in the William Street, Forest Street area, or do anything in relation thereto.

Board of Public Works

Article 2. To see if the Town will vote to accept as a public Town way the following way as laid out by the Board of Public Works: Summit Road from the end of the previous acceptance southwesterly, a distance of about 206 feet; and to vote to raise and appropriate a sum of money for the construction of the public way accepted, under the laws relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, and authorize the Board of Public Works to obtain by purchase, accept as a gift, take by right of eminent domain under the provisions of Chapter 79 or 80A of the General Laws, or otherwise acquire any land or interest in land necessary or proper for the acceptance of such way.

Supt. of Public Works

Article 3. To see if the Town will accept provisions of Chapter 682

of the Acts of 1968 entitled "An Act providing that the Department of Public Works construct a solid waste disposal incinerator in the City of Melrose, and establishing the Melrose Regional Incinerator District.

Board of Public Works

Article 4. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area: A certain parcel of land on the Westerly side of Main Street, as shown on "Subdivision of Land in Stoneham, Mass.", dated April 30, 1948, Warren M. Mirick, C.E., which plan is duly recorded with Middlesex South District Registry of Deeds, Book 7312, Page 35, and further bounded and described as follows: Beginning at a point 100 feet Westerly from Main Street at land of Trueman and Davis thence the line continues Westerly 116.50 feet to a point at land of Flynn; thence turning and running Northwesterly by said land of Flynn 547.55 feet to a point at land of Melkonian; thence turning and running Easterly still by land of Melkonian 220.00 feet to a point; thence turning and running Southerly by Lot "D" as shown on said plan, 156.63 feet to a point; thence turning and running Easterly, still by Lot "D" 75.00 feet to a point; thence turning and running Southerly by a line parallel to Main Street, 335.93 feet to the point of beginning.

Norman P. Davis

Article 5. To see if the Town will vote to amend Article 1, Section 1 of the Zoning By-laws so as to establish a new district class to be designated as "B 1", together with the following special restrictions and provisions which shall specifically apply to Residence "B 1" districts, or do anything in relation thereto. (a) Within any Residence "B 1" district, no building or premises shall be used, and no building or structure shall be erected which is intended or designed to be used for any other than the following specified purposes: 1. Any purpose authorized in Residence "A", or "B" Districts. 2. Convalescent hospitals and rest homes. Special Regulations in Residence "B 1" Zones. (a) Minimum lot area, 75,000 sq. ft. (b) Buildings shall not cover more than 25% of lot area (c) Maximum building height 45 feet (d) Minimum distance between buildings on same lot, 1 1/2 times the height of lower building contingent upon waiver of Planning Board regulation (e) Minimum building distance from front lot line, 60 feet (f) Minimum building distance from side and rear lot lines, 50 feet (g) Minimum parking spaces per dwelling unit for apartment houses, 1 1/4 parking spaces (h) Height definition applicable to "B 1" zone only. The height of a building in a "B 1" zone shall be the vertical distance from either the established finish grade or the natural grade, measured at the average front grade line of the building to the top of the main roof section.

Simon Zaltman and
William F. D'Annolfo

Article 6. To see if the Town will vote to amend the Zoning By-laws by adding to the Residence "B 1" District as heretofore defined so as to extend the Residence "B 1" District into the following described area: A Certain parcel of land consisting of 19.29 acra more or less having two frontages on Pond Street and being bounded by the land of Dominic J. & Annabelle M. Cannuli, Leonard C. & Lillian C. Doucet, Bernard J. & Mildred B. Bolton, by three parcels of Arthur G. & Gertrude R. Chapman, a certain right of way, Reginald & Glendole M. Mitchell, by two parcels of Roland J., Joseph, Anthony W. & Guy J. Spadafora, another right of way, and by the Metropolitan District Commission, George A. & Muriel A. Bates, Carmella Spadafora, Joseph & Mary Spadafora, Martin A. & Vincenza Conserva, Edwin E.W. & Edith C. Erickson, Frank & Mary Cozzo, Felice & Maria Buono, and by land of Beverly Building Corporation. Said land being shown as Lot 1 on a Plan of Land in Stoneham, Mass., dated August 9, 1967, Dana F. Perkins & Sons, Inc., Civil Engineers & Surveyors, as recorded in Middlesex South District Registry of Deeds in Book 11381, Page 232.

William F. D'Annolfo

Article 7. To see if the Town will vote to amend the Zoning By-Law by re-zoning to Residence B-1, from Residence A. & B, the following described area, or do anything in relation thereto: A certain parcel of land consisting of 90,000 square feet, more or less; situated on the southerly side of Franklin Street, and bounded and described as follows: Beginning at the Easterly point of land on Franklin Street thence running Westerly along Franklin Street for a distance of 224.75 feet more or less thence running Southerly along land of Russell for a distance of 150.00 feet more or less thence running Westerly again along land of Russell for a distance of 120.00 feet, more or less thence running Southerly again along land of Hamill and others for a distance of 150.00 feet, more or less thence running Westerly again along land of Marks for a distance of 40.00 feet, more or less thence running Southerly again along Franklin Place for a distance of 140.00 feet, more or less thence running Easterly again along land of the Town of Stoneham for a distance of 324.74 feet, more or less thence running Northerly along land of Coffin for a distance of 188.00 feet to the point of beginning. Said land being shown on Plan of Land in Stoneham, dated July 11, 1968 by Francis E. Burke, Registered Land Surveyor.

Simon Zaltman

Article 8. To see if the Town will vote to amend the Zoning By-laws by adding to the present limits of the Industrial Zone District as heretofore defined so as to extend the Industrial Zone into the following described area: Northerly by Elm Street, 87.75 feet; Northeasterly by land of Boston Edison Company, 107.96 feet; Easterly by land of Boston Edison Company, 85.72 feet; Southerly by land of Kennett, 63.00 feet; Westerly by land of Petto, 55.25 feet; Southerly again, by land of Petto, 135.00 feet; Westerly again, by Central Street 63.75 feet; Northwesterly on a curved

line by the intersection of Central Street with Elm Street, 11.17 feet. Said parcel containing about 16,485 square feet as shown on a plan of land in Stoneham dated August 19, 1968 by Francis E. Burke, Registered Land Surveyor.

Simon Zaltman

Article 9. To see whether the Town will vote to amend the Zoning By-law by adding to the present limits of the Residence B Zone as heretofore defined and set forth, so as to include in the Residence B Zone the following described area, to wit: Beginning at the southeasterly corner of the premises now owned by Walker's Realty, Inc., on West Wyoming Avenue, running northeasterly one hundred eighty-five and 70/100 feet (185.70); thence turning and running easterly one hundred thirty-one and 52/100 feet (131.52); thence by three different lines in a general easterly direction two hundred fifty-six and 5/100 feet (256.05) to a brook; thence turning and running northerly four hundred thirteen and 21/100 feet (413.21); thence turning and running easterly sixty-five feet (65.00); thence turning and running northerly ninety feet (90.00); thence turning and running easterly seventy feet (70.00); thence turning and running northerly two hundred thirty-two and 23/100 feet (232.23) to Lynn Fells Parkway; thence turning and running in a generally curved line southerly along Lynn Fells Parkway five hundred forty-three and 48/100 feet (543.48); thence turning and running southeasterly one hundred and forty-one and 38/100 feet (141.38); thence turning and running southwesterly two hundred and fifty feet (250.00) thence turning and running westerly one hundred and fifty feet (150.00) to Lynn Fells Parkway; thence turning and again running in a generally curved line southerly along Lynn Fells Parkway three hundred thirty and 3/100 feet (330.03); thence in a curved line from Lynn Fells Parkway to West Wyoming Ave., thirty-five and 24/100 feet (35.24); thence southeasterly along West Wyoming Avenue ninety-seven and 47/100 feet (97.47) to the point of beginning.

Walker's Realty, Inc.

And you are directed to have five hundred (500) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this twenty-third day of August, A.D. 1968

Alice Fitzgibbon Del Rossi
Daniel C. Towse
Joseph W. Fallon
James A. McDonough, Jr.
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on September 19, 1968, and by causing to be published duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on September 19, 1968.

Robert E. Moreira
Constable of Stoneham

SPECIAL TOWN MEETING

SEPTEMBER 30, 1968

Agreeable to the warrant signed by the Selectmen on August 23, 1968, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Monday, September 30, 1968 at 8:00 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that four hundred and thirteen (413) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the subject matter of this article be indefinitely postponed.

Article 2. VOTED that the subject matter of this article be indefinitely postponed.

Article 3. VOTED that the subject matter of this article be indefinitely postponed.

Article 4. It was moved and seconded that the Zoning By-law be amended as set forth in Article 4 of the foregoing warrant.

The motion was NOT carried as the amendment failed to receive the required two-thirds vote in the affirmative. YES, 165, NO, 170.

Article 5. It was moved and seconded that the Zoning By-law be amended as set forth in Article 5 of the foregoing warrant.

The motion was NOT carried as the amendment failed to receive the required two-thirds vote in the affirmative. YES, 128; NO, 200.

Article 6. VOTED that the subject matter of this article be indefinitely postponed.

Article 7. VOTED that the subject matter of this article be indefinitely postponed.

Article 8. VOTED to grant the petitioner leave to withdraw this article.

Article 9. It was moved and seconded that the Zoning By-law be amended as set forth in Article 9 of the foregoing warrant.

The motion was NOT carried as the amendment failed to receive the required two-thirds in the affirmative. YES, 156; NO, 200.

VOTED to adjourn at 10:10 P.M.

All the foregoing truly entered.

Winthrop A. McCarthy, Town Clerk

WARRANT FOR BIENNIAL STATE ELECTION THE COMMONWEALTH OF MASSACHUSETTS

To either of the Constables of the Town of Stoneham GREETING:

In the name of the Commonwealth you are hereby required to notify the inhabitants of the Town of Stoneham who are qualified to vote in elections to meet in Town Hall on TUESDAY, NOVEMBER 5, 1968, at six o'clock in the forenoon for the following purposes:

To bring in their votes to the Election Officers for the following: Electors of President and Vice President; Congressman, 7th District; Councillor, 6th District; Senator, 7th Middlesex District; Two (2) Representatives, 21st Middlesex District; Two (2) County Commissioners, Middlesex County, Sheriff, Middlesex County; and the following questions:

Question No. 1. Proposed Amendment to the Constitution. Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held June 16, 1965, received 210 votes in the affirmative and 26 in the negative, and in a joint session of the two branches held May 10, 1967, received 220 votes in the affirmative and 9 in the negative? YES, NO. SUMMARY. The proposed amendment of the Constitution increases from five days to ten days the period of time the Constitution gives the Governor to act upon measures passed by the Legislature and submitted to him for approval. no other changes are made in the several Constitutional provisions relative to action by the Governor upon such measures.

Question No. 2. Proposed Amendment to the Constitution. Do you approve of the adoption of an amendment to the constitution summarized below which was approved by the General Court in a joint session of the two branches held August 30, 1966, received 188 votes in the affirmative and 46 in the negative, and in a joint session of the two branches held May 10, 1967, received 174 votes in the affirmative and 78 in the negative? YES, NO. SUMMARY. The proposed amendment of the Constitution authorizes the Legislature to impose an income tax graduated according to total income, and authorizes the granting of reasonable exemptions, deductions and abatements, as an alternative to the exercise of the Legislature's existing power to tax income under Article 44 of the Amendments to the Constitution. Without limiting the foregoing authorization, the proposed amendment permits any such tax to be imposed at a uniform percentage of an individual's federal income tax liability or at graduated rates applied to his total income taxable federally, and it permits reasonable variations of any federal provision. It requires that the graduated rates, exemptions, and deductions be set without regard to the kind of income being taxed.

Question No. 3. Proposed Amendment to the Constitution. Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in a joint session of the two branches held July 20, 1966, received 225 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held June 15, 1967, received 210 votes in the affirmative and 2 in the negative? YES, NO. SUMMARY. The proposed amendment of the Constitution defines the circumstances in which a Governor's inability to perform his functions shall cause his office to become vacant, and it establishes a procedure for making the necessary determinations. The office will become vacant following a declaration of disability by the Governor himself or by the Chief Justice and a majority of the Associate Justices of the Supreme Judicial Court, or such other body as the Legislature may provide. The vacancy will terminate four days after the Governor declares that no disability exists, unless (1) within that period the Chief Justice and majority of the Associate Justices, or such other body provided by the Legislature, should make a contrary declaration and (2) within another stated period the Legislature, by two-thirds of each branch present and voting, then determines the issue contrary to the Governor's declaration. The same procedure will also apply to a Lieutenant Governor who in the case of a vacancy is performing the Governor's duties. The proposed amendment also requires the election of a Governor for the unexpired balance of the four-year term if a vacancy in the office of Governor as described in the proposed amendment continues for a six-month period expiring more than five months prior to a biennial state election other than an election for Governor.

Question No. 4. Law Proposed by Initiative Petition. Do you approve of a law summarized below, upon which the House of Representatives did not vote and upon which the Senate did not vote? YES, NO. SUMMARY. The proposed law provides that the official ballot in the biennial State election for the year 1970 shall contain a question asking the voters whether there shall be a convention in 1971 to (1) revise, alter or amend

the constitution of the Commonwealth on the following subjects, insofar as they relate to the structure of government, and no others: the Executive Branch; the General Court; the Executive Council; the government of cities, towns and counties and their relationship to each other and to the government of the Commonwealth; (2) simplify and rearrange the constitution, and (3) provide methods of amendment thereof. The question will state that the convention shall not consider or propose any measure which relates to the Massachusetts Declaration of Rights, the provisions of the Massachusetts constitution concerning the "Judiciary Power" (other than provisions respecting the Executive Council), or any of the excluded matters enumerated in Article XLVIII, II, Section 2 of the Massachusetts constitution. The question will fix the number of delegates to the convention at 150, of whom 20 members shall be members of the General Court; the remaining 130 members shall be elected by the voters in the manner summarized below. The question will also state that the convention shall conclude its business not later than 120 days from its first session. The proposed law provides that if a majority of the votes on the foregoing question is in the affirmative, the convention shall be held in July, 1971 to revise, alter or amend the constitution on the matters enumerated above only. The House of Representatives and the Senate shall each elect as delegates 10 of its members, not more than 6 from each branch coming from the same political party. Of the remaining 130 delegates, 10 shall be elected at large and 120 shall be elected from the 40 senatorial districts, 3 from each. Provision is made for the manner of nominating and electing these 130 delegates, without party or political designation, for filling vacancies occurring in the position of any delegate, from whatever source chosen, and for the conduct of the convention's business. Any revisions, alterations and amendments of the Massachusetts constitution adopted by the convention shall be submitted to the people at the State election in 1972 for their ratification and adoption in such manner as the convention may direct. If a majority of the people voting thereon ratify and adopt such revision, alteration or amendment, the constitution shall be deemed to be changed accordingly. The proposed law also provides that if the vote on the question to be submitted at the biennial State election in 1970 is in the affirmative, the Governor shall appoint a preparatory commission of 5 members to compile data to aid the convention in the discharge of its duties. Each member of the commission shall receive compensation of \$10,000 and the commission may expend a sum not in excess of \$200,000, as the Governor may approve, for its expenses.

Question No. 5. A. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)? YES, NO.

B. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)? YES, NO.

C. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises? YES, NO.

D. Shall licenses be granted in this city (or town) for the sale of

all alcoholic beverages by hotels having a dining room capacity of not less than ninety-nine persons and lodging capacity of not less than fifty rooms? YES, NO.

Question No. 6. "Shall the Commonwealth of Massachusetts retain capital punishment for crime?" YES, NO.

The polls shall be closed at 8:00 o'clock in the evening.

Hereof fall not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this 22nd day of October, A.D., 1968.

Alice Fitzgibbon Del Rossi
Edmund J. Moreira
Daniel C. Towse
Joseph W. Fallon
James A. McDonough, Jr.
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies of the said warrant in at least ten (10) public places in the Town on October 23, 1968, and by causing to be published duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on October 24, 1968.

BIENNIAL STATE ELECTION

NOVEMBER 5, 1968

Agreeable to the warrant signed by the Selectmen on October 22, 1968, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, November 5, 1968 at six o'clock in the forenoon.

Election officers, appointed by the Selectmen in accordance with provisions of law, were sworn by the Town Clerk and assigned to duty.

At eight o'clock in the evening the polls were declared closed at which time the check lists at the entrances had the names of 9494 voters having received ballots, of which 31 were for casting ballots for Electors of President and Vice President ONLY. The number of ballots taken from the ballot boxes by the Warden and the Clerk totalled 31 for Electors of President and Vice President only and 9463 for all other offices and referenda.

All the foregoing truly entered.

Winthrop A. McCarthy, Town Clerk

REPORT OF THE PUBLIC LIBRARIAN FOR THE YEAR 1968

To the Trustees of the Stoneham Public Library:

The one hundred ninth Annual Report of the Stoneham Public Library presents a record breaking year of activity and service to the Townspeople. The library loaned 245,728 books and library materials during the year, which shows an increase of 12,020 over 1967. The Reference

Department recorded 6,412 reference questions answered, in addition to reference service for school assignments and reader's advisory service. Through the Eastern Regional Library System, we have been able to provide adults with books, films, and materials not readily available at this library. In the course of the year we borrowed 207 books to fill specific requests, and loaned out 80 books to local libraries on inter-library loan. Approximately 150 books in foreign languages have been provided by the Boston Public Library in the revolving loan collection. Novels and nonfiction in French, Spanish, Italian, Armenian, Portuguese and Chinese languages made up this collection.

We are serving a population of 20,109 of which 12,006 are registered library borrowers. This shows that over 50% of Stoneham residents are taking advantage of the resources of their library, whether for informational or educational needs, or just sheer pleasure.

ADULT DEPARTMENT

The Catalog Department classified and processed 4,363 books, records, and pictures, and discarded 1,640.

A great deal of time and effort was spent in developing the unframed picture and print collection this past year. This collection is especially valuable for use in the classroom, in art study, or for display purposes. These pictures are available for loan to adults.

Service to the Nursing Homes, Home for the Aged, and Housing for the Elderly was provided monthly, totaling 2,318 books loaned to these people.

Many patrons with sight difficulty have taken advantage of the collection of large print books. The Reader's Digest in large print was added to the periodical collection this year.

We expanded considerably the collection of books for adults beginning to read; the business reference collection, which includes Moody's Investors Service, Prentice-Hall Federal and State Tax Guides; Thomas Register; Banker & Tradesman; Kiplinger Washington Letter; Wall Street Journal; and Polk Boston Directory.

In August, a coin operated Xerox copier was installed in the library. This service has received enthusiastic response from businessmen, students, servicemen; and is open to the public and to organizations.

CHILDREN'S DEPARTMENT

This is the busy spot, especially in mid-afternoon when the young children come in for story books and for the Reading for Pleasure project; and older students work on class assignments and serious projects.

Miss Golding prepared monthly collections of books for 76 classrooms, totaling 41,581 books loaned to the schools during 1968.

There were class visits to the library, reading lists to prepare, and film programs to plan. Films were shown twice a month, October to June, with excellent attendance, and sometimes more than seating capacity of library hall. Through membership in the Massachusetts Library Film Cooperative, we borrowed 53 films for the children's programs.

Children's Librarians in this area met at the library in October. Guest speaker was Miss Diane Farrell, Eastern Regional Children's Services Librarian.

LIBRARY HALL

Library Hall was used for 214 meetings of organized groups. The Friends of the Library Art Group, under the leadership of Mr. and Mrs. S.N. Hedman, held their annual art exhibit in May. A local art instructor exhibited children's paintings also in May. Middlesex County Extension Service held a five week workshop entitled Creative Use of Commercial Patterns.

Through the courtesy of a friend, a television was loaned to the library from September to December, making the TV High School program possible for adults without a high school diploma. This educational program was televised Monday through Friday on Station WGBX, TV Channel 44, and was coordinated by the Adult Education Bureau of the Massachusetts Department of Education, under the auspices of the Manpower Institute and the Greater Boston Massachusetts Labor Council, Office of Economic Opportunity. Four adults availed themselves of this opportunity to study in a group to prepare for the General Educational Development Tests. Those who pass the tests will receive the Massachusetts High School Equivalency Certificate, which is accepted in place of a diploma by a majority of colleges and universities in Massachusetts. Text books covering the subjects were reserved for these students, and from conversations with these people, four more adults will achieve a high school equivalency diploma. Mrs. Bates was group leader of this program and was assisted by Miss Chung Soon Park.

NATIONAL LIBRARY WEEK

Mrs. Ruth Kidder Doorly, author of Our Jimmy, was our National Library Week speaker. Mrs. Doorly is a former Stoneham resident, now residing in Westwood, and a dedicated teacher and tutor of mentally retarded children. She spoke about her work with these special children, and because she felt there was need for a book to help children understand mental retardation, she made this need a reality. Of special interest is the fact that the illustrator of her book was one of her special class pupils for five years.

STAFF

The librarian and staff attended meetings of library organizations in Massachusetts, Portsmouth, N.H., and Kansas City, Missouri.

Miss Chung Soon Park spoke on Korea and showed slides to the children of the Emerson School and the Robin Hood School.

Mrs. Bates reviewed books at the Swampscott Congregational Church, the West Roxbury Congregational Church. She served as secretary of the North Shore Library Club, and is editor of the Young Adult Cooperative Book Review Group of Massachusetts.

Mrs. Mary Ward, circulation supervisor, earned professional certification of librarianship by state examination from the Massachusetts Bureau of Library Extension.

Mrs. Ruth Leamey, part-time assistant, resigned in July to accept a full-time position in the Reading Public Library.

Catherine Moore, Janine Marquis, and Andrea Nelson, part-time senior pages, resigned in the fall to attend college; Marianne Joyce, Judith Sweetser and Debra Zdanowicz, senior pages, resigned in the summer to work elsewhere; and Jean Sweetser, part-time college student, resigned December 31, to be married.

Mr. Elmer Friery, part-time janitor, resigned to accept work in another department. Mr. Donald Wall replaced Mr. Friery.

Mrs. Mary Dooling joined the staff this fall as a part-time assistant. Margaret Carsley, Barbara Dunn, Linda Joyce, Christine Sullo, Joyce Teal, and Janet Towse, all high school students, came to the library in September as library pages.

GIFTS

Through the kindness of the Friends of the Library, Stoneham patrons are enjoying the beautiful Harmon-Kardon Stereophonic sound equipment, located in the Adult Reading Room. We are grateful to this group for this generous gift to the library.

We wish to thank also all individuals and organizations who have donated books and other library materials, totaling 263 gifts; to the Garden Club for their shrub plantings in front of the library and for the beautiful arrangements for the inside of the library; the Stoneham Savings Bank and the Stoneham Cooperative Bank for the printed bookmarks; and to the Stoneham Independent and the Stoneham Press for their cooperation and fine news coverage.

I wish to express sincere thanks to the Trustees of the Stoneham Public Library for their guidance and assistance toward good library service; to all the staff and custodians for their faithful service; to Town officials and employees for their cooperation; and to all citizens and organizations who have contributed to the progress of the library.

SERIOUS NEED

The Stoneham Public Library must keep up with the knowledge explosion and continue to provide educational and recreational materials for all its citizens. This requires additional space. We have run out of space. The Library's physical facilities are inadequate. The informational demands cannot be met satisfactorily in the present small area. This is a serious problem which must be solved in the immediate future. It is my hope that plans for a new building can be underway in 1969.

ELIZABETH S. GARBARINO, Librarian

REPORT OF THE PLANNING BOARD

To the Citizens of Stoneham:

The Planning Board held a reorganizational meeting April 10, 1968 and voted Thomas W. Foster Chairman and Frank H. Howard Jr. Secretary for one year.

The board held twenty-four regular meetings, one special and eight public hearings during the year.

Twenty-three plans were signed as not requiring approval under the subdivision control law.

In July, on recommendation of Fire Chief Sorenson, we amended our Planning Board Rules and Regulations to include facilities for emergency communications.

In September, Frederick Mahoney resigned and at a joint meeting of the Planning Board and the Selectmen, Louis Golini was appointed to replace him.

In November, our board was saddened by the untimely death of Louis Vacca who served faithfully and continuously on our board for twelve years, serving as secretary and chairman at various times.

Because of the continuing and varied requests being presented to this board over the past several years by developers and real estate concerns, this board was of the opinion that a review of the zoning by-law, with its accompanying zoning map, and a reconsideration of the land use problem was of vital concern to the home owners of the town. Several meetings were held with a Planning consultant who was involved with the original Master Plan drawn up in 1961. We feel that a program of updating the Master Plan, Zoning Map and Land use projects is of immediate importance if the integrity of the various zoning areas within the town are to be maintained. We are submitting an article in the annual town meeting warrant requesting funds for this purpose.

The help, advice and cooperation of the officers, boards and committees of the town has been appreciated. A special thanks to our town counsel, Thomas Leahy, who has made himself available for advice at all times.

Respectfully submitted,

STONEHAM PLANNING BOARD

Thomas W. Foster, Chrm.
Frank H. Howard Jr., Secretary
William S. Coy Jr.

ANNUAL REPORT
OF THE
PUBLIC SCHOOLS
OF THE
TOWN OF STONEHAM
MASSACHUSETTS
1968

A Democracy operates free public schools and passes compulsory attendance laws, not through a sense of charity, but because it realizes that education is the only means it has of perpetuating itself and promoting its own interests.

SCHOOL COMMITTEE

Dr. Max J. Klainer, Chairman, 75 William Street
Term Expires 1969

Hugh R. Boyd, Vice Chairman, 44 Lincoln Street
Term Expires 1970

Furio Bracciotti, 19 High Street
Term Expires 1970

Mrs. Thomas M. McManus, 5 Forest Street
Term Expires 1971

Arthur A. Walker, P. O. Box 26
Term Expires 1969

SUPERINTENDENT OF SCHOOLS AND SECRETARY TO SCHOOL COMMITTEE

Michael Scarpitto, Ph.D.

Home Address

70 Park Avenue, Stoneham (P.O. Wakefield 01880)

Telephone 245-5314

Office in Junior High School Building, 149 Franklin Street

Telephone 438-0600

The Superintendent may be seen by appointment at
your convenience.

OFFICE HOURS

School Days 8:00 to 4:30

School Vacations 9:00 to 4:00

SUPERINTENDENT'S OFFICE STAFF

Lydia Bagdikian, Administrative Assistant
298 Main Street, Wakefield 01880; 245-1608

Mrs. Julia G. Bondi, Bookkeeper
95 Franklin Street, Stoneham 02180; 438-9446

Mrs. Eileen L. Hannon, Secretary to Superintendent
23 Flint Avenue, Stoneham 02180; 438-9274

Mrs. Helen C. McCarthy, Bookkeeper
34 Pomeworth Street, Stoneham 02180; 438-9355

TRANSPORTATION SERVICE

McIntire Bus Lines, Inc.
448 Salem Street, Wakefield 01880; 245-2761

Stoneham Town Taxi
8 Evans Road, Stoneham 02180; 438-3030

HOURS OF SCHOOL

Elementary Schools: 8:30 a.m. to 2:15 p.m.

Junior High School: 8:10 a.m. to 2:30 p.m.

Make-up period: 2:30 p.m. to 3:00 p.m.

High School:

Grades 10-12: 8:00 a.m. to 2:34 p.m.

Make-up period: 2:34 p.m. to 3:04 p.m.

"NO SCHOOL" SIGNALS

22 on FIRE ALARM
All grades, 7:00 a.m.
Grades 1-6, 7:15 a.m.

Radio broadcasts will be made on
WBZ, WEEI, WEZE, WHDH, WHIL, WMEX,
WRKO (formerly WNAC), and WRYT (formerly WORL).

ANNUAL REPORT

OF THE SCHOOL DEPARTMENT

We believe that this report prepared from the material from the various school principals, supervisors, and others will help parents of school children and other citizens of the town to be better informed about the school system. For more specific information about the results, the activities, and accomplishments, the reader is referred to reports concerning the different levels of education, namely, elementary, junior high school, and high school. We believe that the reader will obtain a better understanding of the school system and its accomplishments if he first obtains an overview of its aspirations and goals.

The rate at which knowledge presently proliferates is simply amazing. It has long become self-evident among manpower specialists that modern life simply has no place of economic value for the uneducated and the undertrained. Thus, it almost automatically follows that in the world of work, especially, but also for plain everyday living in an ever increasingly complex society, means must be constantly sought to provide for continuing education throughout our lives. As for the specific role of the school, it must become more and more sensitive to the importance of serving all youth, namely, the gifted, the average, those of low ability, and those needing special attention. The Darwinian theory of natural selection and survival of the fittest are simply not analagous to education.

American society which supports our schools seems to have given instructions to the schools tantamount to the following: "Take all youth, keep them as long as necessary. Supply the necessary education for each one of them, and don't release them until they can fit constructively somewhere in society. Even if you don't succeed in every case, every young person must, nevertheless, be given the opportunity to succeed commensurately with his ability. Above all, don't quit in trying!"

To attempt a gigantic assignment of this type, is reminiscent, at first, of the problems involved in the twelve labors of Hercules. In implementation of the assignment, certain minimum essentials are required in such varied areas as better prepared teachers, improved facilities, small group instruction, honor groups, slow learning groups, and the use of electric typewriters, calculating machines, language laboratories, IBM report cards, electronics equipment, vocational-technical school facilities, etc. We are pleased to report that Stoneham has kept pace in these areas. The above mentioned items and many others are all means simply to achieve goals for late twentieth century life. This is what the Annual Report is all about and what it hopes to show by the evidence available.

STAFF

The instructional staff includes 210 teachers, and seventeen principals, supervisors, and directors, with an increase of about ten teachers each year to cope with the increasing enrollment of pupils.

Our elementary schools are staffed primarily with women. Over the past few years, in each elementary school we have attempted to have one or two good male teachers who can also exert a wholesome influence on pupils, especially certain boys. In the Junior High School and in the High School, for the first time in our recollection, we have more men teachers than women.

There has been a doubling in the number of teachers with masters' degrees during the past five years. At present there are ninety-seven staff members with masters' degrees or beyond. This works to the advantage of the school system because when a teacher expends the extra time and money to obtain graduate degrees, it is more likely that the teacher will plan to become a career teacher or at least give more years of service and be less likely to be attracted by other professions. In addition, further study is an essential for teachers to keep up with the new developments in education.

Realizing that a good school system must have good teachers who remain and give dedicated work, we are pleased to report that we have ten of our teachers who have given twenty-five years or more service in Stoneham. Twenty-four percent of the instructional staff have given ten or more years of service in Stoneham. This experience, plus the experience of those who had prior years of experience elsewhere, gives us a desirable balance and stability of staff.

The teacher is the key to the best education for the pupils. The achievement of the pupils is based on the teacher's character, personality, ability, interest, enthusiasm, and capability. Accepting this viewpoint, we must necessarily obtain the best teachers available from all over the country, if possible.

Many of our new teachers received their training at some of the outstanding colleges and universities in the country. Of the forty-nine new teachers, forty-five had previous successful teaching experience. Of the experienced teachers, fifteen had masters' degrees.

It may also be of interest to the townspeople to know that approximately thirty-five percent of our instructional staff members are studying in various graduate schools to obtain either a master's degree or degrees beyond the master's degree.

As a result of careful selection of teachers, we are pleased to report that the teacher-turnover rate is only 16.9 percent. This figure

is undoubtedly one of the lowest in comparison to the majority of Boston suburban school systems which have annual turnover rates of twenty-five percent or more. It is our belief that a high turnover rate affects the instructional program adversely.

Perhaps a short explanation of teacher turnover is necessary. When one reads that in Stoneham forty-nine new teachers were employed, he probably naturally jumps to the conclusion that forty-nine teachers left to teach elsewhere. This simply is not true. Turnover is based only on the teachers who left for better salary, personal reasons, pregnancies, graduate school, marriage, family responsibilities, resignations at our request, etc. In Stoneham the breakdown is as follows:

New Teachers	49
New positions this year because of increased enrollment	+10
	—
	39
Leaves of absence	1
	—
	38
Retirement	—2
	—
Replacements	36
INSTRUCTIONAL STAFF LAST YEAR	212
REPLACEMENTS	36
TURNOVER	16.9%

Summer Tuition Plan to encourage teachers to take more professional improvement courses has been successful. Thirteen teachers availed themselves of the opportunity and studied at various colleges and universities, mostly in the Boston Metropolitan Area. The plan also encourages summer study rather than evening courses, thus improving both the quality of the training and the effectiveness of the teacher during the school year. It should be reported, however, that many school systems have now adopted plans similar and in some cases pay for courses taken during the school year.

THE NEW JUNIOR HIGH SCHOOL

The Junior High School was occupied in September, thereby alleviating a difficult and excessively crowded condition in all of the schools. In addition, we were able to move most classes from sub-standard rooms and regain the use of the gymnasiums to a certain extent. Space has again become available, if only for a short period, for such activities as physical education, music, and speech therapy.

In addition to the availability of more extensive facilities for the instructional program at the Junior High School, the supplementary facilities such as cafeteria, gymnasium, auditorium, etc. will serve the students in good stead.

The new school is functioning well and many favorable comments have been received from students and parents.

Furthermore, a facility such as the auditorium will be useful for suitable and appropriate community purposes.

DISTRIBUTION OF PUPILS

As a result of having the new school, the old Junior High School, now called the Central School, is housing twenty-three elementary classes. The school is used for all the sixth grades and the rest as a regular elementary school, with grades one through five. This plan has relieved somewhat the crowded conditions in all neighborhood schools.

The transfer of the ninth grade from the High School to the Junior High School has enabled the High School to operate in a more normal situation which will be in effect for a short period of years.

THE CLASS OF 1968

The percentage of students in the Class of 1968 who continued their education on a full-time basis continued to increase as it has over the past decade. The results of the follow-up study of the Class of 1968 show that this trend should be a continuing one, *with sixty-six percent of the class now in post-secondary schools on a full-time basis*. Of this sixty-six percent, forty-two percent are attending four-year colleges or universities, nine percent are attending two-year colleges, one percent are in nursing schools, and fourteen percent are in other types of educational institutions. Of those not continuing their education, twenty-eight percent are working, three percent are in the armed services, and three percent are married or at home. All students desiring full-time employment (eighty-six seniors) were placed in positions by the school. The Placement Office reported that a variety of positions were still available. This would indicate not only a healthy relationship between the school and the employment market but also as more graduates continue their education, employment opportunities increase for those who desire positions. Starting salaries tended to be higher than before.

The accomplishment in sending so many of our graduates on to further education is exceeded by only a very limited number, probably

a dozen towns and cities in the Commonwealth. One community for many, many years, reputed to be the wealthiest in the State, sent seventy-nine percent of its graduates to college and other post-secondary schools. A neighboring community, likewise considered very affluent, sent eighty-two percent of its graduates on to further education. Stoneham's achievement probably attests to the high interest of Stoneham parents in education and faith in their schools, in addition to the interest of the students, teaching staff, and administrators in inculcating the importance of education.

SCHOOL COSTS

The School Committee, like many citizens, is concerned over rising school costs. This is due to inflation which affects the cost of all materials and services.

If a comparison of the amount of local taxes spent for schools is made for communities comparable to Stoneham, one may readily observe that expenditures for schools in Stoneham are generally less. Stoneham spent forty-seven percent of local taxes for schools. The range for school support in some neighboring or somewhat comparable towns is from forty-seven percent in Winchester and Woburn to sixty percent in North Reading.

School committees and school administrators, like many citizens, are concerned over the increasing school budgets and the apparent limitations of present means of supporting schools mostly by local support. Despite the fact that the federal government is now spending billions on education, most of the money is for specific projects. Already there are indications that some members of the Congress are seeking ways to give direct aid to alleviate local school costs. Some advocates believe that only by massive federal aid will the schools be able to continue their progress and in many areas of the country improve the present unequal opportunities for all the youth of the nation. It has been suggested that the federal government drop many categorical or specific project grants and instead give money directly to meet one-third of the school costs with the remaining two-thirds equally divided by the state and the local community. Proponents of this plan state that this aid could be given without additional federal taxes. The funds can come from a reappraisal of present federal aid programs and by changing the present basis of granting federal funds along the lines of the successful Public Law 874 which has been helpful to many communities, including Stoneham.

CLASSROOM SHORTAGE

The completion of the new Junior High School has afforded the School Department much-needed relief from the growing overcrowding

which was affecting the whole system. With the occupation of this wonderful new facility, the third phase of the long-range program planned by the Stoneham School Survey Committee was completed. This program called for, first, an addition to the Robin Hood School; secondly, an addition to the High School; thirdly, the construction of a new junior high school and, fourthly, the construction of a new elementary school when the need for new elementary classrooms developed.

Since this new survey was completed, several new factors which affect the need for additional classroom space have become apparent. The first of these new developments is the mandatory requirement of the State Board of Education that each community provide facilities for public kindergartens by 1972. To satisfy this requirement, the Stoneham School Department will need a minimum of ten additional classrooms by the year 1972, assuming that the kindergarten population will be divided into two half sessions.

The second factor has been the steady increase in student enrollment each year. The Stoneham School Survey Committee had estimated the annual increase in school enrollment between three and four percent. Actually, the annual increase during the last ten years has varied as high as seven percent and only once has it fallen below three percent. Even using this low annual percentage increase, the School Department will need a minimum of three additional classrooms per year, and by 1972 this would add up to another ten classrooms.

There are two additional factors which are not yet a reality but which must be considered by your School Department. The first of these is the possible phasing out of the St. Patrick's Elementary School, and the second is the possible conversion of the Unicorn golf course into a housing development. Should either or both of these changes take place, the housing needs of your School Department would be sharply increased.

Since it takes at least three years to obtain finished classrooms from the time of the original request for their authorization at a Town Meeting, your School Committee is taking steps to obtain approval of a series of articles which would provide for the construction of a twenty-room elementary school which would be erected on the grounds of the former Stoneham Infirmary. These articles will be considered at the Annual Town Meetings in March, 1969.

Some time prior to 1975, there will also be need for an addition to the new Junior High School which will then allow this enlarged facility to function as a four-year High School, and the present High School building will then be utilized as either a Junior High School for the seventh and eighth grades or as a Middle School for grades six through eight.

This brief summary will give the townspeople a concise picture of the classroom needs of the School Department until about 1975. At the present time, our enrollment, based on the official public school census figures of October 1, 1968, is 4506, an increase of 105 pupils over last year. These pupils are distributed as follows: Elementary Schools, 2201; Junior High School (grades 7-9), 1156; and High School (grades 10-12), 1149.

INSTRUCTION

In addition to improvements in instruction and courses offered, we have continued our progress on the preparation of courses of study used in curriculum development and improvement of instruction. Some evidence of the efficacy of our results is found in the fact that our students are doing well in college and post-high school work. Further substantiation will be found in this report. In addition, we continue to receive many requests from schools and colleges throughout the country for our courses of study. This attests in part to the quality of the work done by our staff in keeping abreast of instructional matters. During the summer, three groups of teachers reviewed, evaluated, and revised courses of study in industrial arts, science, and chemistry.

Highlights related to the instructional program and its results are described below for both the secondary and elementary levels.

AREAS OF INSTRUCTION

ENGLISH

With the entire English staff back for the 1968 school year, and with the revised curriculum guide in its second year of implementation, students benefited from a solid English program which combined work in the mechanics of the language, composition, and literature. A new course in creative writing has proved both useful and popular. The best thinking of the department chairman and staff was utilized to improve continually the quality of English instruction, with particular emphasis on vocabulary and composition. Instruction was supplemented with many activities outside the classroom, including educational trips. Included among these were a debate on the Presidential election, involving several classes in the department as well as selected social studies classes, a trip to Boston where over a hundred students saw *Camelot*, and a trip for senior English students to the Loeb Drama Center at Harvard to see *She Stoops to Conquer*. Members of the department continued to sponsor schoolwide clubs and activities related to English, such as the Creative Writing Club, the Drama Club, the school newspaper—the *Spartan Spokesman*, the Yearbook, the drama festival, the ArtFest, and the senior play—*Our Miss Brooks*.

SOCIAL STUDIES

The year 1968 held particular challenges and unlimited opportunities for teachers because of the Presidential election and because of the general unrest on both the domestic and international scene. While the emphasis on the knowledge and skills outlined in the curriculum guide which was revised in 1967 continued, teachers were able to relate course content to current issues. For example, issues of civil rights, civil disobedience, and race relations were integrated into problems of democracy and history courses. Economics students followed the controversy over the value of the franc and the pound, studied the stock market, and, as a class, purchased and sold stocks.

Student and school activities sponsored by or participated in by teachers in this department included the following: Student Government Day, Student Exchange Day, Memorial Day Program, News-Wise Quiz, Student Council, Interact, International Relations Club, Massachusetts Heritage Day, and also the Model United Nations Program sponsored by Harvard-Radcliffe. Special class activities and field trips have also been reported such as field trips to the Government Center in Boston, Stoneham Historical Society, and the Archives Division at the State House in Boston. Numerous class activities such as panel discussions, group interviews, dramatizations, and debates have also been conducted. We are happy to say that we have an unusually high percentage of students who voluntarily elect social studies subjects.

FOREIGN LANGUAGES

The foreign language department continues to offer four years of French, four years of Latin, and three years of Spanish. Enrollment in these courses continues to increase. Well qualified, experienced, and enthusiastic teachers work together to provide the best possible instruction and opportunities to the foreign language classes. The principal aim has been to equip students with the four skills necessary for effective communication, understanding, speaking, reading, and writing. A new approach to teaching French, "Learning French the Modern Way," which utilizes a textbook as well as related tapes and records, is being used in French I.

The French Club, the Latin Club, and membership in Cine Club of the North Shore continue to provide experiences outside the classroom vital to the use and understanding of a foreign language. The year 1968 was also the first year that the French and Latin Club members combined their efforts and offered a scholarship to a senior who demonstrated excellence in at least two foreign languages.

MATHEMATICS

An experienced mathematics staff returned in 1968 to implement a carefully planned mathematics program in which modern content

was emphasized while the important traditional skills were still taught. The total program was designed to meet the needs of students of varying abilities and interests. An accelerated sequence of algebra II in grade ten, junior advanced mathematics in grade eleven, and senior advanced mathematics and/or calculus and analytical geometry in grade twelve challenged the gifted student. Semester courses in senior review mathematics and trigonometry enabled the students to elect a wider range of mathematics courses. A "Late-start" program, which enables a student who is struggling at the end of a semester in algebra I to begin the course over the second semester, has helped students go on to geometry. Mathematics courses are offered on the standard level in grade ten and twelve to supplement mathematics related courses in other departments, such as consumer economics, bookkeeping I and II, and business mathematics. Outside of class, the department sponsored a mathematics team which had a very successful year in league competition.

SCIENCE

Student interest in science has continued to increase at the high school in keeping with the space age and the nation's concern with health problems and with breakthroughs in medical science. Student elections in the areas of biology, chemistry, electronics, and physics showed an increase over 1967. The chemistry curriculum on the college level was updated and revised by experienced teachers during the summer of 1968. Biology on the standard level of instruction was strengthened in content, and the students have proved equal to the task of handling more difficult material. The newer approaches in science, for example, B.S.C.S. biology (*Biological Science Curriculum Study*), P.S.S.C. physics (*Physical Science Study Committee*), and advanced semester courses in chemistry and biology have challenged the scientific-minded students.

Perhaps the most satisfying development of 1968 in science was the obvious carry-over of interest to activities outside the classroom. While the science and future nurses clubs continued to be active, three new groups emerged in astronomy, meteorology, and ham radio. Their projects, respectively, include construction of an eight-inch telescope, organization of weather station, and building a ham radio station, WSHS.

BUSINESS EDUCATION

The business education department, once again in 1968, was able to meet its ambitious goal of preparing students for meaningful and productive careers in business. An experienced staff was able to adapt the curriculum to changing procedures and the requirement for new skills in office work. It was essential in doing this that new equipment be made available to students, and this was accomplished under the Vocational Educational Act through which the Town was reim-

bursed by the State for the purchase of eight electric typewriters of different makes as well as a modern calculator and adding machine.

The philosophy of the high school, however, provides for more than up-to-date training and solid business courses. Students planning careers in business were encouraged to elect, when qualified, additional courses, many on the college preparatory level, in social studies, mathematics, science, and foreign languages.

Close contact with the large companies in the area continued to pay substantial dividends in employment opportunities for students and useful feedback to teachers. Trips were made by groups of students to the American Mutual Insurance Company and the John Hancock Insurance Company. Stoneham High School also hosted the Federal Civil Service Examination for typists and stenographers. Throughout the year, the Future Secretaries Club remained active by visiting companies, holding monthly meetings, and doing volunteer secretarial work for the school.

HOME ECONOMICS AND INDUSTRIAL ARTS

The change to a three-year high school had the most positive effect on instruction in the areas of home economics and industrial arts because the decreased enrollment enabled us to reduce class sizes closer to normal in home economics and free badly needed areas for industrial arts. As a result, it is reasonable to state here that a greater variety of learning experiences is being provided in both areas.

Units in cooking, sewing, child care, and home decoration are being offered in both major and minor sections on a three-year sequential basis. In a special project, the history of Stoneham is being reviewed in regard to its implications for changes in fashion, customs, stores available, and other concerns relevant to home economics. Field trips to a woolen mill, a textile museum, and the Museum of Fine Arts have taken place. A variety of speakers, as well as films and filmstrips, have added to the popular course in marriage and family living. Once again, boys are being offered a course in food service and clothing.

Sequential minor and major courses in industrial arts continue to provide instruction in mechanical drawing, woodworking, machines, metalwork, and printing. Significant changes have been the expansion of the printshop and the addition of a lecture room for introducing new units before actual shop work begins in the wood, machine, and metal shops. Students were given the opportunity to display their projects at the 1968 ArtFest and did so with enthusiasm. In general, 1968 brought a strengthened industrial arts program with progress paralleling the increase in facilities and equipment.

STUDENT ACTIVITIES

The activity program is designed not only to supplement the academic program but also to create an atmosphere of community life within and about the High School. Clubs, groups, and activities are, therefore, related to disciplines, government, careers, and worthy use of leisure time. Listed below after each category are some of the activities eagerly pursued by students in 1968:

Related to disciplines:

French, Latin, science clubs, Mathematics Team

Government and service to school:

Student Council, class officers, homeroom representatives, National Honor Society, Spartan Spokesman, Yearbook, Student Government Day, Student Exchange Day, Interact Club, Girls' International Relations Club, Cheering Squad, Majorette Squad, Senior Honor Patrol, Traffic Squad

Careers:

Future Nurses Club, Future Secretaries Club, Future Teachers Club, Astronomy Club, Meteorology Club

Worthy use of leisure time:

Creative Writing Club, Drama Club, intramurals, Spartan Chorale, Choralettes, Girls' Ensemble, Ham Radio Club, Dance Band, Orchestra, Dance Club, and gymnastics.

In the course of the school year, social activities are conducted in the evening to provide an opportunity for students to develop healthy, social relationships with proper supervision. During the 1968 school year, these evening activities were conducted on an average of twice to three times monthly at the High School.

LIBRARY

The High School library has again this year shown an increase in its use by students in meeting a variety of their needs—supplementing class work, providing training in research and library use, and encouraging reading for both learning and recreation. Library passes numbering 15,078 were issued to students during the past year, and 10,730 books were circulated during 1968, showing an increase of 216 over the previous year. In keeping with current thinking in secondary education, the library is becoming more and more an instructional and resource center for the High School.

SPECIAL PROGRAMS

Since a high school is a social agency, sensitive to forces within our society which pose a threat to the welfare of students, special programs become necessary. In 1968 it became evident that the

misuse of drugs was a great threat. The High School staff, therefore, aware that Stoneham has been able to avoid a serious problem thus far, has begun to supplement drug abuse instruction already in the curriculum with a carefully planned series of steps. The first steps have been in-service training for teachers begun in the fall of 1968, the organization of a student committee on drug abuse as an advisory group, and a permanent faculty committee to help the administration plan programs for staff and students. The second and third steps will be the actual programs for students and a follow-up plan to evaluate these programs.

LEVELS OF INSTRUCTION

Students are generally assigned to classes, insofar as is possible, so that they meet with others who have similar capacities and achievements. Content, methods of instruction, and materials are adapted to the needs and capacities of those assigned to each level. Each student is encouraged to progress at his own best rate and is provided opportunity for maximum growth. Students are not necessarily placed at the same level in all subjects. It is also possible for a student who shows a significant change in achievement to move to a different level.

Final decision as to placement in the college preparatory level A and level B rests with the student after consultation with the guidance department and the teachers concerned. Such decisions are based on careful study of aptitude and achievement test results, teachers' marks and recommendations, and evidence of interest in scholarship.

The level of achievement of the group to which the student is assigned is carefully spelled out on all transcripts or applications in order that school, college, or employer may correctly interpret the recorded marks.

Attention is called to the fact that occasionally when class size is too small for a level, there will be a fusion or combining of levels such as College A or B. In addition, in the event that there is an insufficient number of students for an honors group, it will be amalgamated with College A. Likewise, there may be fusion of standard levels A and B. This is necessary to retain a class size commensurate with justifiable economy.

There are two levels of instruction for each standard subject offered. (A standard subject is any subject offered in the curriculum that is not specifically identified with a post-high school educational or occupational experience.) Standard subjects include English, mathematics, chemistry, civics, etc.

College Preparatory Subjects

In the college preparatory area, there are three levels of instruction:

H-Level—An honors program involving considerable enrichment, and acceleration where desirable. This level is open to students who have demonstrated outstanding capacity and achievement in this subject area.

A-Level—A good, sound college preparatory approach. Students exposed to this level's offering would be seriously considering possible further study in this area in college or would specifically need this subject to support their college plans.

B-Level—An academic program that satisfies college entrance requirements. This level best suits students who aspire to further educational training beyond high school but whose interests and/or abilities are not suited for the demanding A-Level.

Occupational Subjects

The levels of instruction are determined by enrollment. They will not exceed two.

These subjects are closely related to, and a preparation for, specific occupations. Examples: Typing I, business law, stenography, metal shop, electronics, etc.

GUIDANCE

Each year, the educational and personal problems of our youth are becoming more complex. To keep pace with these problems, it has been necessary to enlarge the guidance department in recent years. During the past year, an additional counselor has been added to the Junior High School staff.

The major guidance functions in the Stoneham Public Schools are counseling, educational and occupational planning, placement, and testing.

COUNSELING

The guidance department feels that the counseling function is the major technique whereby the entire procedure is brought to a focus. Individual conferences are held on the secondary level whenever motivated by the student or deemed necessary by the counselor. In the elementary schools, individual conferences are usually held as a result of a parental or teacher referral.

In addition to individual pupil conferences, group sessions are held whenever the individual counselor determines such a conference to be beneficial to those participating. Group sessions are always held if appropriate for the purpose of disseminating information to students.

The guidance staff continually consults with area referral agencies. Twice a month, afternoon meetings are held with a representative from the Eastern Middlesex Guidance Center.

For the fourth consecutive year, guidance services have been an integral part of the summer school program. The cost of this program is assumed by the United States Office of Education.

EDUCATIONAL AND OCCUPATIONAL PLANNING

In conjunction with Northeastern University, fifteen occupational conferences were held at the High School for interested students. Many high school students participated in a college and career program held at Winchester High School. Forty-nine schools and organizations were represented to explain their programs. During the past year, many college and school admissions officers visited Stoneham High School for conferences with interested students. Staff members participated in the Reverse College Day Program sponsored by the New England Association of Collegiate Registrars and Admissions Officers. One hundred and twenty-six colleges and post-secondary schools were represented and available for conferences with the Stoneham High School counselors.

One period per week, an orientation course is scheduled in grade seven, and an occupational information program is held for eighth grade students. An extensive orientation program for parents of eighth grade students is presented to assist in the proper selection of grade nine courses. In the spring, the entire secondary guidance staff is available for evening appointments. Extensive libraries of educational and occupational materials are maintained and continuously updated at both the Junior High School and the High School.

The elementary guidance staff has been effective in helping teachers combine occupational information with their subject matter. This program broadens the elementary student's knowledge of occupations and the dignity of all types of work.

PLACEMENT

The guidance staff, teachers, and administrators function as an effective team in the educational placement of all students.

TESTING

Achievement and intelligence tests are given throughout the school system. A reading readiness test is given to all first graders,

a science aptitude test to all fifth graders, and a complete battery of aptitude and intelligence tests to eighth graders. Reading tests are given in grades seven and ten. Stoneham High School is an examination center six times a year for college board aptitude and achievement tests. The guidance department conducts the National Merit Scholarship Qualifying Test for juniors. This past year, Stoneham High School had two students qualify as merit finalists, and six students received letters of commendation.

The results by grade level of the Iowa Test of Basic Skills were:

Grade	Verbal	Reading	Language	Arithmetic	Composite
3	4.4	4.6	5.0	4.5	4.6
4	5.2	5.4	5.8	5.2	5.4
5	6.1	6.1	6.8	6.0	6.3
6	7.0	6.9	7.8	7.2	7.3
7	8.1	8.0	8.7	7.7	8.1

The scores for grades 3-6 reflect the achievement at the end of the school year. For grade 7 the scores represent the achievement at the mid-year.

These average results, all above grade level, attest to the excellent foundation in basic skills that the elementary and junior high students are receiving.

The results of the Scholastic Aptitude Test of the College Entrance Examination Board given to Stoneham High seniors last year were:

		Senior Nationwide			Senior Nationwide	
		Boys in	Senior		Girls in	Senior
		Nation-	Boys Who	Stoneham	Nation-	Girls Who
Verbal	Stoneham	wide	Entered	Senior	wide	Entered
Range	Senior	Study	College	Girls	Study	College
	Boys					
Above 700	0%	0%	1%	6%	1%	2%
Above 600	9%	5%	11%	14%	5%	27%
Above 500	31%	20%	31%	34%	20%	42%
Above 400	61%	45%	63%	79%	45%	73%
Mean Score	446	390	440	481	393	467

Mathematical Range	Stoneham Senior Boys	Senior	Nationwide	Stoneham Senior Girls	Senior	Nationwide
		Boys in	Senior		Girls in	Senior
		Nation- wide Study	Boys Who Entered College		Nation- wide Study	Girls Who Entered College
Above 700	3%	2%	4%	3%	1%	1%
Above 600	18%	11%	24%	12%	5%	13%
Above 500	49%	28%	54%	37%	17%	39%
Above 400	83%	52%	82%	82%	38%	72%
Mean Score	503	422	509	482	382	461

Since not all Stoneham High School seniors took the Scholastic Aptitude Test, and of those who did take the test, **not all entered college**, it is evident that the seniors in Stoneham High School scored consistently above the national average for the test.

Some of the four-year colleges attended by our 1968 graduates include:

Amherst College	New England Conservatory of Music
Bates College	Northeastern University
Bentley College	Northeast Louisiana State College
Boston College	Oberlin College
Boston University	Plymouth State College
Brown University	Providence College
Clark University	St. Michael's College
Colby College	Simmons College
Cornell University	Springfield College
Dartmouth College	State College at Boston
Fairfield University	State College at Bridgewater
Franklin College	State College at Lowell
Hamilton College	State College at Salem
Harvard University	State College at Westfield
Idaho State University	Suffolk University
Jackson College	Syracuse University
Keene State College	University of Bridgeport
Lafayette College	University of Maine
Lowell Technological Institute	University of Mass. (Amherst)
Marietta College	University of Mass. (Boston)
Mark Hopkins College	University of New Hampshire
Mass. College of Art	Wellesley College
Mass. College of Pharmacy	Wheelock College
Mass. Maritime Academy	Windham College
Merrimack College	
Nasson College	

STONEHAM JUNIOR HIGH SCHOOL

Although it is true that environment alone cannot cause learning, it can be a pleasant stimulus, and the new Stoneham Junior High School, including everything from its ample blackboard space and well lighted corridors to a library with individual study carrels, certainly achieves that ideal.

Though not all facilities were completed for immediate use, those of the greatest necessity were available, and the business of school began on schedule. Students and teachers alike appreciate the new building. It makes going to school a more enjoyable experience and the goals of education more easily accessible.

The school year began with an enrollment of 1156 students.

Its core facilities consist of a library, physical education areas and locker rooms, a kitchen and cafeteria, an 1100-seat auditorium, and administrative offices.

Among other features, the school has a closed circuit television network by which presentations can be originated or received in every classroom. Twenty library carrels for individual studying can also be connected to the television circuit or the language laboratory.

In the continuously changing culture and upgrading of our standard of living in our own community, as well as the rest of the country, the Stoneham Junior High School must meet new demands to keep our students abreast of these new situations and prepare them to cope with the ever-changing world about them. This is no small task and requires hard work.

In order to better educate the students in the Stoneham Junior High School, we have updated and revised our curriculum guides in mathematics, English, and social studies. These changes are not brought about for the sake of change but for better teaching and learning methods.

The after-school developmental and corrective reading programs are still in effect and have proven to be very valuable reading aids. This year, they have been supplemented by reading courses given in conjunction with the regular English program.

We have set up the instruction in the Stoneham Junior High School in three areas to meet the levels of learning of all students with varying abilities. These levels are flexible, and a student may be moved up or down according to his progress. The following programs are offered to the students:

In addition to these scholastic programs, we offer extracurricular activities to aid the student to develop more fully in his physical, mental, and social life. These activities include Student Council, Honor Society, Library Club, Music Night, Science Fair, Model Car Contest, Door Decoration Contest, "Turkey Trot," Basketball Tournament, Girls' Softball Tournament, Speech Contest, Road Race, incoming seventh grade orientation, school newspaper, Homemaking Contest, French Club, Junior Classical League, and school dances held both afternoons and evenings.

All of these have an additional purpose which is to help inculcate in the students a sense of responsibility and self-discipline.

Data processing has become a valuable addition in facilitating a smoother operation in reporting, attendance, and the keeping of records of each student in the Junior High School. The data processing system takes some of the clerical work away from the teachers and allows more time for preparation, instruction, and correction of subject matter.

Data processing has been adopted by our school system because of its efficiency and speed which are now needed due to the rate at which our school population has expanded.

VOCATIONAL-TECHNICAL EDUCATION

The Northeast Metropolitan Regional Vocational Technical High School, now being built in Wakefield, will be ready for occupancy sometime in the fall of 1969. This modern facility serving twelve towns and cities and offering a new concept in vocational-technical education will enable the Stoneham schools to send interested students. This opportunity will be available for boys and girls starting in grade nine and in some cases in higher grades. Plans are also being made to serve adults in evening school programs.

ELEMENTARY GRADES

SPECIAL TUTORING PROGRAMS

Our summer tutoring program was expanded the summer of 1968 to include seven tutors and fifty—sixty pupils from grades two and three. During the six-week period each child met with his tutor four

half periods each week to receive instruction in reading. A special program was planned for each child to meet his individual needs.

In the fall a small class of pupils was organized at Emerson School. This class is composed of first graders who had been destined to repeat first grade. Our object is to see how much progress these children can make in a small group.

SCIENCE

In September a science study committee was appointed to study textbooks and current curriculum recommendations in preparation for developing a new science curriculum guide in the summer of 1969.

AFTER-SCHOOL CLASSES

Our after-school reading program continues to benefit those who are in need of special help. From September to the middle of January the pupils in grades four and five will receive this help. At the mid-year pupils who no longer need help will be eliminated from the program, and grade three pupils who need help will be added. It is planned to continue work all year with those in grade six who need help. This should prepare the child to make an easier transition to grade seven.

Pupils in the enriched science program in grades five and six meet at the Robin Hood School and the Central School. Fifth grade students in the other elementary schools, eligible to attend, meet with these groups at the Robin Hood School and the Central School, whichever is more convenient. Membership in these groups is a coveted honor.

Last year a literature discussion group, a form of Junior Great Books Course, was organized. It is to be continued this year. This is for pupils in grade six reading well above their grade level with complete understanding.

TV

Grades four, five, and six continue to profit from the Parlons Francais Program broadcast by the 21" Classroom. Having a French teacher meet with each class once a week has helped to insure greater progress of each student.

The new programs this fall have been used to advantage. The *On the Scene* program makes the pupils aware of what activities are taking place in the area. The *Meet the Arts* program shows the relationship between music and the arts. The phonics program is still one of the most popular ones, with the science programs a close

second. The Field Trip Specials give children who cannot go to these places personally a chance to visit them vicariously. All of the 21" Classroom TV programs provide enrichment, plus supplemental material that is difficult for a classroom teacher to present.

GUIDANCE

Our two guidance counselors are kept unusually busy with helping teachers, parents, and pupils. Today our society presents many problems of an unusual nature.

Our new state law requires that children with special learning disabilities, especially perceptually handicapped pupils, be recognized and provided for. This has been an added duty of the guidance department. A few applications have already been approved by the State Department. A further survey is presently underway.

TESTING PROGRAM

Last fall the Lee Clark Reading Readiness Test was administered by the guidance department to each first grade pupil. This is an effective basis for grouping in the early part of the year.

During the school year 1967-1968 the same testing program as in the past was followed. The California Test of Mental Maturity was administered to grades three and six with good results similar to those obtained in previous years.

Grades one and two were given the battery of tests—the Metropolitan Achievement Tests, Form A. The median scores for grade one place these children, in most areas, six months above the national norms. The median scores for grade two, in most areas, place these children approximately a year above the national norms.

Grades three through six were given the achievement battery—The Iowa Tests of Basic Skills. Grades three and five were given Form I, and grades four and six were given Form II. The results are very similar to those obtained in previous years. In grade three the composite score (average of all tests in the battery) indicates that the median grade score of Stoneham pupils is eight months above the national norms; the grade four pupils, seven months; the grade five pupils, seven months; and the grade six pupils, eight months above the national norms.

A study of the attached charts shows the scores as indicated above.

IOWA TEST OF BASIC SKILLS

1968

		3		4		5		6	
		G.E. (1)	%ile (2)	G.E.	%ile	G.E.	%ile	G.E.	%ile

Grade II	3.8	4.0	3.9	4.3	3.7	3.9

EXTRA SERVICES AVAILABLE IN THE SCHOOLS

Residents who do not have children in schools or who have been out of touch with schools for many years, residents who have children in other schools, or prospective home buyers or new residents may be interested in knowing of some of the extra services available to Stoneham students and parents.

Listed below are some of the extra services available. Some of these are more adequately discussed in other parts of this report.

(1) Courses of Study booklets are available to students and parents or any interested citizens. These courses of study have been prepared for subjects in the elementary grades. On the junior high and high school levels, courses of study have been prepared in subjects such as Latin, English, French, social studies, mathematics, science, etc. These are available for inspection and study by interested residents of the town.

(2) An informative brochure describing numerous facets of the Stoneham Schools is available to any interested person.

(3) The testing services, available through the Guidance Department, provide tests of all kinds such as vocational interest tests, prognostic tests, diagnostic tests, etc.

(4) A counseling service provides conferences on request with parents and students to discuss the student's progress and his vocational or college planning goals.

(5) Psychological service is available to all students and their parents through the co-operation of the Stoneham Public Schools and the Eastern Middlesex Guidance Center, sponsored by Stoneham and other neighboring towns. The clinic is located in Reading.

(6) The schools' counseling program is being carried out in co-operation with the Eastern Middlesex Guidance Center. Our counselors meet at regular intervals with a representative from the Center and

discuss cases of mutual interest and concern. These meetings have proved to be of considerable value to the counselors and provide our students with another dimension of professional service.

(7) A small group Study Program is available at the Stoneham Junior High School for those needing special attention in certain basic subject areas which have caused them to drop well below the expected performance for their grade level.

(8) Special classes are conducted for pupils with emotional problems and mental retardation. These classes are of two types, the educable and the trainable classes. Two educable classes and one trainable class are located in the elementary schools, and one educable class is in the Junior High School. These classes are for pupils who can profit in academic areas to a somewhat limited degree but for whom school is necessary. The other special class in the elementary grades is called the educable class. This class has pupils with mental development which retards greatly the usual attainment of academic or intellectual skills. These classes are required by state law and are half supported by the state.

(9) Home teaching is available for children of all Stoneham residents. This instruction is offered to those with incapacitating injuries or illnesses. The teacher goes to the home of these pupils so that their education can continue until their health has been restored. In some extreme cases, this home teaching is permanent throughout the child's schooling.

(10) The Stoneham Schools have the services of two speech therapists who do remedial or corrective work with students with speech defects.

(11) Developmental reading, which increases the speed of readers and also tries to pinpoint major defects of poor readers, is available for most students and is also available for adults in the Evening School.

(12) *A Reading for Pleasure Program*, which encourages outside reading by the students, is in operation for all students and has helped in part for the great improvement in reading demonstrated by our pupils on nationally standardized achievement tests.

(13) A reading skills course is offered in the Junior High School to enable slow readers to improve their reading ability.

(14) Accelerated classes are available in many of the Stoneham schools. This acceleration takes various forms, such as an enriched Science Program in the elementary schools and acceleration in arithmetic in the elementary schools. Also available are accelerated classes or honors groups in many subjects in both the Junior High and High School for qualified students.

(15) French in the elementary schools is offered for all students from the fourth grade up, in conjunction with the TV program in

French and also classroom review through the use of audio-visual machines and two roving consultants.

(16) A *Junior Great Books* course is offered to selected pupils in grade six. The classic works of famous authors are read and discussed in afternoon sessions.

(17) Language laboratories are available for use by the students for developing proficiency in language.

(18) The All-Stoneham Spelling Contest affords all pupils an opportunity to improve their spelling and in many cases to participate in this widely acclaimed annual contest involving both public and private schools.

(19) Summer School is offered on an almost self-supporting basis. This school provides a good opportunity to strengthen the academic background of students in the basic areas and offers an opportunity to other students to proceed more rapidly by obtaining a good introduction or background for future advanced work. The Summer School provides programs in English, French, mathematics, developmental reading, business education, driver training, as well as subjects in grades four, five, and six. The enrollment in the Summer School was 89 students.

(20) A summer tutoring program in reading is available for pupils in grades one, two, and three. This instruction assists these children to maintain the skills they had learned the previous year. There was no direct cost to local taxpayers since this was a federal-funded program offered to a small number of pupils needing special help.

(21) The Stoneham Evening School has had an outstanding program for many years. Close to one thousand students are enrolled this year.

(22) A Scholarship Service is conducted for high school seniors who plan to continue their education. Each year many scholarships, totaling many thousands of dollars, are received from colleges, universities, foundations, and other local sources.

(23) Many, many clubs, activities, and student organizations exist so that pupils at all grade levels may find some extracurricular activity suitable to their needs.

(24) An informative NEWSLETTER, issued by the School Committee to every resident four times a year, keeps the public informed about the schools.

(25) The SUPERINTENDENT'S BULLETIN, which reports current news of the schools, is issued almost every week to staff members, interested citizens of the community, and to many colleges throughout the country.

(26) A federally-funded project, "Operation Curiosity," offers cultural enrichment through direct-experience activities for pupils in grades 1-12. Three areas of activity on weekends and after regular school hours are (1) field trips, (2) discovery-oriented nature studies, and (3) students' film production.

(27) A hot-lunch program has been offered on a trial basis from September, 1968, to January, 1969. It is hoped that this program will be continued.

All of the above services are available not only to public school pupils but also in many cases to private school pupils as well. In addition, some of these services are available to adults.

ART

The elementary art program concentrates its major efforts on the making of art with a variety of materials and processes. New audio-visual aids have been used to develop the child's visual awareness of the world around him, and a planned program of art appreciation has been started.

Art classes in the Junior High School are concerned with making a variety of art experiences available, using many media and techniques. The program attempts to have the student establish basic skills as well as an appreciation and awareness of the art of the past and the present.

The popularity of the art program in the High School is evident by the number of students participating in a sequential program which offers art as a minor or major subject as well as design and crafts classes.

The High School ArtFest, a day-long program combining an art exhibit of fine quality with equally excellent contributions by the music and drama departments, continued to make progress. We hope to make this an annual community event.

The new course in "Understanding of Art" continues with outstanding audiovisual and other resource materials. This course, together with the music appreciation course, may form the basis for a humanities course in the years to come. Although sciences provide the means through which man achieves survival, the arts are what make survivals worthwhile.

MUSIC

In the study of music in the elementary schools, we are using the

conceptual approach in teaching, that is, promoting musical growth through the understanding of everything pertaining to music. The development of concepts about rhythm, melody, harmony, form in music, forms of music, tempo, dynamics and tone color are experienced as children listen, perform, analyze, and discuss music. Through his participation in these various learning experiences, we believe that the child gains a better insight and understanding of music.

The music specialists visit each elementary classroom once every two weeks and present the suggested plan that the classroom teacher will follow the next visit. In this situation the classroom teacher is valuable because he is in a position to relate music to the total program and reinforce learning initiated by the music specialist.

The elementary glee club and orchestra provide many children with musical opportunities of a more challenging nature. Next year we hope to include an elementary band in the program.

With the addition of new courses in the Junior High School curriculum, namely, music appreciation and mixed chorus, additional opportunities were given to more students to participate.

At the High School an increase in the musical offerings is beneficial and available to more students. The girls' and boys' glee clubs are scheduled two periods per week, and the Spartan Chorale (a select mixed-choral group) which is a scheduled course in the curriculum, is offered two periods per week.

With our coordinated program in music education for grades 1-12, we are continually striving to achieve our goal—that of developing in the students the skills, understanding and attitudes about music which will enrich their lives for years to come and to help them make a more pleasant use of their leisure time.

PHYSICAL EDUCATION AND ATHLETICS

The program of physical education in the Stoneham public school system concerns itself with preparing today's students to lead active lives and to provide skills for leisure-time pursuits so vital for tomorrow's executives, leaders, professional men, and workers. Our program makes every attempt to provide physical education activities that are geared to the needs of our students. We consider the development of strength, endurance, flexibility, coordination and agility as major objectives.

Our present facilities have improved greatly with the completion of the new Junior High School and the reconversion of the elementary school playroom areas from substandard classrooms into physical

education teaching stations. Already the varsity basketball games are being played in the new gymnasium, thereby obviating the necessity of turning spectators away because of lack of seating capacity as occurred occasionally in the past. With ample seating capacity, both students and adults will be able to enjoy the basketball games.

Our physical education teachers try to develop in pupils of all age levels habits of regular exercise, promote proper growth and development, foster and maintain physical fitness, teach activity skills, and assist the students to develop sound social and personal values.

The overall program includes the basic instruction that is required by state law, intramurals, and interscholastic sports. The subject matter area includes rhythms, gymnastics, individual and dual activities, and team sports. The intramural program provides an opportunity for students to apply the skills learned in a more competitive setting. Games, sports and other activities are conducted at all grade levels from 5-12, and all students are encouraged to participate.

At the elementary school level, rhythmic activities and low-organizational games are stressed, whereas on the secondary level, there is a change to more highly organized games and sports.

Our department has made great progress in obtaining adequate equipment and supplies to accommodate our needs. Needless to say, they play a vital role in the instructional effectiveness of our teaching.

The interscholastic athletic program is an outgrowth of the instructional and intramural programs but designed to challenge the highly skilled. The program is closely regulated by the principals and has always been directed to serve educational objectives. Our present program offers students a variety of sports and meets the interest of boys and girls in our school system. As a member of the strong Middlesex League, we are fortunate in having well qualified teacher-coaches guiding the progress of our athletes. We make maximum use of our facilities. Our equipment is high in quality and meets the rigid standard for safety. We take great pride in the appearance of our athletic teams and make every effort to maintain properly the condition of our equipment.

Our athletic teams have been very successful this past year, and a decided change in the attitude of our athletes has taken place. The defeatism, doormat type of attitude has been replaced with a wholesome, spirited one. The basketball team won the Middlesex League championship and participated in the state tournament. The ice hockey team continues to compile an amazing record of wins in league competition and once again made the state tournament. The baseball team had its second consecutive excellent year and once again finished second in our league. The team also represented the

school in the state tournament. In football we had the best record in over fifteen years with six victories, two losses, and a tie game. We ended the season in third place in the Middlesex League.

SCHOLARSHIPS

The School Department is appreciative of the many scholarships being provided for members of our graduating classes by out-of-town and by local organizations and individuals.

The local scholarships awarded to students of the Class of 1967 totaled approximately \$7,000. Scholarships awarded by the colleges and other sources to the Class of 1968 totaled approximately \$34,055 for the school year 1968-1969. Many of the scholarships awarded by the colleges are renewable, provided the student's performance is satisfactory. This means that over the next four years over \$136,000 may be awarded to the students of the Class of 1969. In addition, loans to students by colleges and other sources totaled \$10,210.

In this day of skyrocketing costs for a college education (approximately \$4,500 a year in many private colleges), we could run the grave risk of having only the children of the well-to-do obtain a college education. This might entail the loss of much talent of the greatest importance to our country. Fortunately, the danger may be minimized because the University of Massachusetts and other state colleges have been expanding rapidly and increasing their reputation so that in many cases students who formerly might have attended private colleges now find comparable programs at the University of Massachusetts and other state colleges in Massachusetts and elsewhere at costs that are more easily met by parents.

Local organizations and individuals wishing to help in assisting our youth to obtain an education may be interested in creating scholarships, making gifts or bequests, or otherwise providing funds for our worthy students.

The School Committee and School Department are always ready to discuss the establishment of scholarships or other plans for funds of this type.

EVENING SCHOOL

The Evening School attempts to develop a program geared to the needs and interests of the adult population in Stoneham. These needs usually fall into two categories: (1) Obtaining more knowledge or proficiency by the student. (2) Relaxation.

Courses presently offered include: Americanization, Antiques, Auto Mechanics, Bookkeeping, Cake Decorating, Charcoal and Pastel Portrait Drawing, Charm and Personality, Dictation, Earth Science for "Rock Hounds," Electronics, First Aid, Flower Arrangement, French, German, Guitar, Home Care and Maintenance, Home Decoration, Home Gardening and Landscaping, Introduction to the Humanities, Investments, Italian, Knitting (beginners and advanced), Machine Shop, Mathematics, Modern Mathematics for Parents, Office Machines, Oil Painting, Organ (beginners and intermediate), Personal Aptitudes and Abilities (testing and appraisal), Photography, Physical Education (men), Physical Education (women), Radio, Reading (developmental), Rug Braiding, Rug Hooking, Sewing, Shorthand, Swedish, Typewriting (beginners and advanced), Water Color, Woodworking, Woodfinishing.

A staff of forty-nine teachers, using facilities of the Stoneham High School Mondays through Thursdays, is used for this program.

Evening School adult education costs will be considerably reduced because of state approval of the School Department's application for reimbursement of salaries and fifty percent of maintenance expenses for practical art courses. These courses account for about half of the Evening School enrollment.

TRANSPORTATION

Safety problems around our neighborhood schools have been greatly improved as a result of the study conducted by the School Safety Committee.

The Committee recommendation voted by the Town Meeting has resulted in more traffic directors and sidewalks in some very dangerous areas.

The result has been less transportation of elementary school children and a general improvement of safety conditions in the neighborhood school areas.

The regulation for transportation is now based on a distance from school of one and one-half miles for all pupils. In addition, certain areas selected because of safety and hazardous conditions are being granted transportation on a short-term experimental basis.

Transportation costs have increased, however, because of two factors—the opening of the new Junior High School and revisions in State Laws regarding school busses.

SCHOOL BUILDINGS AND GROUNDS

The Services Department of the Stoneham Public Schools is continuing to do more and more of its own maintenance work, thereby cutting costs.

During the calendar year 1968, the following projects were completed: (1) Fire detection heads were installed in attic areas at the East and North Schools. Special safety catch releases were installed on window grilles at the South School. (2) Temporary classrooms were dismantled at the Central School, Colonial Park School, East School, North School, and the Robin Hood School, and the all-purpose room at the Emerson School was reactivated with new lighting. (3) Fluorescent lighting removed from the dismantled temporary rooms was installed at the Robin Hood School. (4) The Emerson School received a new facelifting because of new window casings and window sashes at the rear of the school, some new plumbing, and the painting of the exterior of the school. (5) Exterior repairs in the nature of asphalt tile, cement parking and game lines and flagpole repairs were made at all the schools. (6) Heating traps were checked and faulty ones replaced in all the schools. (7) At the High School, the exterior trim was painted, gymnasium floor sanded and refinished, venetian shades installed in several classrooms, and a partition erected in the basement classroom of a publication area.

Because of a fire caused by vandalism at the old Junior High School (Central School), it was necessary to install some new beams, flooring tile, an addition to ceilings in the cafeteria and dishwashing room. The whole area was also repainted. The cost of the damage was reimbursed by insurance.

In addition, some window sashes were replaced, the whole school basement area was repainted along with the exterior trim of the school. Additional heating controls were also installed to regulate the heat more evenly.

SCHOOL-COMMUNITY RELATIONS

It is our belief that a school system has a definite effect in a town. The "image" portrayed by the schools is dependent on several factors, that is, the effectiveness of the instructional program, the general behavior of its students, and the contribution to the community by the schools in general. We are pleased to report that we believe we are continuing to progress in these areas.

The participation of the students and the staff in many community activities augurs well for both. The extensive use of the school facilities by the various youth and adult organizations also tends to be an

important part of our relations with the townspeople. The cooperation of the Stoneham Press and the Stoneham Independent in printing a large amount of school news is extremely helpful in informing the citizens about their schools. This medium is supplemented from time to time by school bulletins distributed with the cooperation of the students.

CONCLUSION

In conclusion, the School Department thanks all the school staff members who have helped in providing a good educational program for the youth of Stoneham and related services for the townspeople.

A word of appreciation is given to the Junior High School Building Committee, Junior High and High School Parent-Teacher Leagues, School Councils, United Councils Committee, Booster Club, Stoneham Public Library, Eastern Middlesex Guidance Clinic, Board of Selectmen, Finance and Advisory Board, Public Works Department, the Town Clerk, Police and Fire Departments, Town Treasurer, and other municipal departments and individuals who have given time and effort or have otherwise cooperated with the schools.

The School Department is also extremely appreciative of the confidence, cooperation, and support given by the students, parents, and other citizens of Stoneham.

**THE FOUNDATION OF EVERY STATE IS THE
EDUCATION OF ITS YOUTH**

STONEHAM HIGH SCHOOL
GRADUATION EXERCISES — CLASS OF 1968

Recreation Park, Stoneham, Massachusetts

Sunday afternoon, June ninth

at three-fifteen o'clock

PROGRAM

Entrance of Graduates — Pomp and Circumstance Elgar
High School Band
Alfred J. Todaro, Conductor

(The audience will remain seated as the graduates enter the field)

CLASS MARSHALS

Susan Jenkins, Class of 1969

Paul Fitzgerald, Class of 1969

GRADUATION HYMN (the audience uniting) Hemy-Walton

FAITH OF OUR FATHERS

1

Faith of our fathers, living still
In spite of dungeon, fire and sword,
O how our hearts beat high with joy
Whene'er we hear that glorious word.

2

Faith of our fathers, we will strive
To win all nations unto thee;
And through the truth that comes from God
Mankind shall then indeed be free.

3

Faith of our fathers, we will love
Both friend and foe in all our strife,
And preach thee, too, as love knows how
By kindly words and virtuous life.

Refrain

Faith of our fathers, holy faith
We will be true to thee till death.

PRAYER

Reverend R. Berwyn Daniel

SPEECH OF WELCOME

Frank Adamo, Vice President

ADDRESS — "An Affirming Flame"

Joyce M. Bove

PRESENTATION OF MacDONALD MEDALS TO

Elaine C. Todd and Steven M. Rothman

Mr. Robert L. Murphy

The MacDonald Medals, in memory of James Wallace MacDonald, Principal of Stoneham High School from 1876-1892, are presented for scholarship, character and good influence in the school.

ANNOUNCEMENT OF SCHOLARSHIPS

Howard W. Watson Memorial Scholarships — Donor: Parent-Teacher League; Recipients: Andrea Nelson, Dennis Cullen, Susan Connors (alt.), Jeffrey Gelfand (alt.).

Scholarship — Donor: Junior High School PTL; Recipients: Beverly Tarr, Dennis Cullen (alt.).

Scholarship — Donor: S.H.S. Boosters' Club; Recipients: Patricia Dery, Timothy Murphy, Marcia Adams (alt.), Charles Gardner (alt.).

Scholarship — Donor: Stoneham Woman's Club; Recipients: Barbara Douglass, Patricia Palermo (alt.).

Scholarship — Donor: Stoneham Teachers' Association; Recipients: Sharon Montague, Linda Santosuosso, Nancy Biergiel (alt.), Diane Nasella (alt.).

Scholarship — Donor: American Legion; Recipient: Susan Murphy, Steven Stamas (alt.) 1st, Leonard Ells (alt.) 2nd.

Scholarship — Donor: Annie Bailey Trowbridge; Recipient: David C. Commito, Cathy Greenquist (alt.).

Scholarship — Donor: American Mutual Insurance Company; Recipient: Margaret Ambrose, Denise DiPrisco (alt.).

Scholarship — Donor: Stoneham Council of Churches; Recipient: James Kelly.

Scholarship — Donor: T. Richard & William H. Qualter Fund; Recipient: Thomas Corcoran, Sharon Montague (alt.).

Scholarship — Donor: Alumni Association; Recipient: Barbara Tarr, David Commito (alt.).

Scholarship — Donor: Philip D'Annolfo Memorial Scholarship; Recipient: Richard Tarquinio, Andrea Nelson (alt.).

Scholarship — Donor: G. Richard Barnstead Jr. Memorial Scholarship; Recipient: Janet Vennochi, Gerard DeVita (alt.).

Scholarship — Donor: Stoneham Rotary Club; Recipient: Stephen Sloss, Alan Parks (alt.).

Scholarship — Donor: Sunnyside Dairy, Inc.; Recipient: Marcia Adams, Barbara Douglass (alt.).

ANNUAL REPORT OF THE BOARD OF HEALTH

To the Citizens of Stoneham:

The Board of Health hereby submits their report for the year 1968:

Mr. Mosley, Chairman of the Board of Health submitted his resignation as a member effective April 1, 1968.

The Board of Health met in joint session with the Selectmen on April 2, 1968 to appoint a member to the Board of Health to fill the vacancy created by Mr. Mosley's resignation. Mr. Michael J. Rolli, 3 Crescent Avenue, Stoneham was nominated and unanimously appointed to the Board of Health for the unexpired term of office of Mr. Mosley ending March, 1969.

On April 2, 1968 the Board of Health met in regular session and organized as follows:

Chairman	Harrison Hyer
Secretary	Robert B. Cassidy
Member	Michael J. Rolli

The Board made the following appointments:

Health Officer	Frederick F. Mosley
Milk Analyst	John J. Devine
Milk Inspector	Frederick F. Mosley
Slaughtering Inspector	Murat A. Kennett, D.V.M.
Board of Health Physician	John A. Danis, M.D.
Board of Health Dentist	John V. Smallcomb, DD.S
Board of Health Dental Hygienist	Phyllis D. Lovering, RDH
Board of Health Nurse	Katherine L. Kenny, R. N.
Assistant Nurse	Dorcas A. Berry, R.N.
Agent-Clerk	Dorothea V. Flynn
Clerk	Mildred B. Tufts

On April 9, 1968 the Board of Health requested and received bids on a three year contract for the collection of garbage in the Town of Stoneham and the disposal of same. The contract was awarded the low bidder, Stanley Roketenetz, Inc., of Woburn, Mass. in the amount of \$36,000.00 for the first year. The Boards finds his service very satisfactory.

We held two Dog Clinics on May 3rd and 4th where we immunized 231 dogs against rabies. Vaccine used at these clinics immunized the dogs for a period of two years. A notification is sent to dog owners whose dogs have been licensed in the Town of Stoneham by April 1st and who did not receive the vaccine at the prior dog clinic. These clinics are also advertised in both of the Stoneham papers a week in advance of the clinic days. Any licensed dog owned by a Stoneham resident is eligible to receive anti-rabic vaccine at our clinics at a cost of \$1.50 per dog. There is no appointment necessary.

There was a complete spraying of the Town in June for mosquitoes with a partial spraying in August. Due to limited budget the August spraying could only cover a portion of the town. The Health Inspector, upon recommendation and approval from the State Department of Public Health on materials and strength of spray, supervises the application.

On September 1, 1968 Mrs. Roland (Dorcas) Berry, R.N. retired as our Assistant Nurse after having served this board intermittently since 1935 as a volunteer and also as a paid employee. We will miss her loyal and efficient service and the town has lost a valuable servant. We can only wish her a long and happy retirement.

September 30th Mrs. Herbert Dunn (Rita) R.N. was hired as an assistant to the Public Health Nurse. She works part time and affords our regular nurse time to initiate and carry out other important projects and expand our health services.

We are appealing to the townspeople for their support of the Eastern Middlesex Mental Health Association which is sponsored by Stoneham and four of the surrounding communities - Melrose, North Reading, Reading and Wakefield. The Center, known as the Eastern Middlesex Guidance Center, is located on Route 62, North Reading and is housed in one of the buildings of the former Children's T.B. Hospital. The center is set up for persons in the five communities who require help in solving their emotional problems. By giving your full support you are helping your neighbor and yourself to achieve a healthier, happier life and you are making your community a better place in which to live. Mental Health is a very important community program and needs community support.

The Board of Health wishes to express their gratitude to other town officials and departments who have been ever helpful and cooperative in our projects and programs. A special "thanks" to our staff members for their loyal service to us and to the Town of Stoneham.

Respectfully submitted,
Harrison Hyer, Chairman

REPORT OF LICENSES AND PERMITS ISSUED

There were 290 burial and removal permits issued by the Board of Health to local undertakers and funeral directors.

Following is an itemized account of the licenses issued through the Health department for the year 1968:

Milk: -Pasteurizing	2
-Retail	50
-Wholesale	19
 Ice Cream: - Manufacturing	 1
-Sale	42

Oleomargarine	25
Food Service Establishments	44
Mobile Food Servers	8
Caterers	2
Methyl Alcohol	29
Operating Motel	2
Physical Therapy	1
Day Care Service to Children	8
Operating Girl Scout Camp	1
Septic Tank Installation	1
Keeping animals/Fowl	10

The sum of \$1822.00 was turned into the Town Treasurer during 1968 as receipts collected by the Health Department from Licenses, Permits, Dental, Immunization and Dog Clinics.

Respectfully submitted,
Dorothea V. Flynn, Agent-Clerk

COMMUNICABLE DISEASE REPORT

The following is a comparison of Communicable Disease cases reported to the Board of Health within the past five (5) years.

	<u>1964</u>	<u>1965</u>	<u>1966</u>	<u>1967</u>	<u>1968</u>
Animal Bites	117	99	139	123	148
Chicken Pox	46	101	87	47	53
Diphtheria	0	0	0	0	0
German Measles	512	2	4	2	7
Infectious Hepatitis	1	2	1	3	3
Measles	11	105	4	1	0
Meningitis	1	1	0	2	0
Mumps	79	120	9	15	18
Salmonella	3	2	6	6	8
Strep. Throat including Scarlet Fever	11	9	18	25	7
Tuberculosis	4	3	0	2	0
Whooping Cough	1	0	1	0	0
Other	1	0	1	0	0

Biological products are dispensed by the Board of Health to local doctors, Health Clinics and to the New England Memorial Hospital upon their request. A supply is received from the State Laboratories and kept on hand at all times in the Health Office.

The Board of Health held two dog clinics for the immunization of dogs against rabies on May 3rd and 4th, 1968. 231 dogs received the vaccine which is administered by Dr. M.A. Kennett, DVM., and is a two-year serum (which means that dogs receiving inoculations with this type of serum only need be vaccinated every two years.) Any licensed dog owned by a Stoneham resident is eligible to receive immunization vaccine at the Board of Health clinics.

REPORT OF DENTAL HYGIENIST

The following report is submitted for the year ending Dec. 31, 1968:

Total number of examinations	3604	Total number of children taken	
Total number under treatment	3381	to Forsyth for cleaning	591
Total number without defects	2141	Total number of home visits	5
Total number of defects	1463	Total number of phone	
Total number of notices sent home	223	calls	236
		Total number of children	
		treated by Dr. Smallcomb	239

Dr. John Smallcombs' work done at his office consisted of the following:

Number of amalgam fillings	226	Number of Zinc oxide treatments	72
Number of novocain injections	110	Number of Bite-wing x-rays	23
Number of porcelain fillings	7	Number of full mouth x-rays	1
Number of oddent fillings	40	Number of Examinations	3
Number of extractions	35	Number of cleanings & Fluoride	
		treatment	1

The Dental Hygienist participates in carrying out the following functions:

1. Examinations of each school child from Grade 1 through 6 and also the Educable and trainable classes.
2. Charting each mouth, noting all fillings, cavities and defects.
3. Filing all charts in the Dental office.
4. Acquainting all children with their particular needs, such as daily dental care and regular dental visits.
5. Notifying parents when excessive cavities are present.
6. Conferring with parents in the home relative to dental care and work.
7. Interpreting to parents, teachers and pupils findings of dental examinations and assisting in arranging for correction when possible.
8. Helping to promote good health, appearance and acceptability through regular dental visits.
9. Keeping accurate records of daily work, financial transactions and appointments.
10. Transporting the children to and from the Dental Clinic and the Dentist office.
11. Acquainting the parents of pre-school children at the school registration-orientation meetings regarding the dental program.

12. Attending in-service training programs for Public Health Dental Hygienists.

As of September, 1968 Forsyth Dental Center suspended cleaning appointments of the Stoneham school children. After many years of participation in this program the loss was greatly felt.

To supplement this, the Board of Health under the Dental Health Program will offer the students of Grade II only, a topical application of Luride Phosphate to the teeth for the purpose of preventing tooth decay. If applications are given to the children in the second grade, when the so-called "second" or permanent teeth erupt, it will aid in preventing the loss of many of these permanent teeth.

We really hope that parents will avail themselves of this service.

Respectfully submitted,
Phyllis Lovering, Dental Hygienist.

REPORT OF THE HEALTH INSPECTOR

I hereby submit my report for 1968.

The following number of inspections for cleanliness and sanitary conditions were made during the year of 1968:

Restaurants and Luncheonettes	526	Motels	10
Drug Stores	22	Swimming Pools	9
Ice Cream Manufacturers	6	Kindergarten & Nursery	32
Bakeries	34	Public and Private School	22
Grocery and Variety Stores	215	Milk Plants	24
Caterers	28	Septic Tank Installation	1
Bottling Concerns	8	Gas Stations for Alcohol Licenses	
Mobile Food Servers	52	and Rest Room cleanliness	136
Home for the Aged	2	Keeping Animals & Fowl	42
Nursing Homes	28	Riding Stables	4
Hospitals	12	Candy Manufacturers	6
Girl Scout Camps	17		

In April we were called upon to inspect the old Junior High School Cafeteria on William Street which was partially damaged by fire. We supervised the discarding of materials and provisions which we felt were contaminated either by smoke, fire or substances used to put out the fire. I also made several inspections and recommendations during the process of repairing this portion of the old Junior High School.

In May there was a fire at an out-door stand on Franklin Street where it was necessary for damaged fruit, vegetables and provisions to be discarded due to contamination by fire or related damages.

When school opened in September and the New Junior High School was in operation I made several inspections of the operation of their new cafeteria and the brand new "take-out" service which they operate from there and made several recommendations which were adopted by the Supervisor of food services. The "take-out" service provides hot meals for the elementary schools, eliminating cafeterias in some of the elementary schools.

I receive and investigate complaints of cesspool and septic tank overflow; the illegal keeping of rabbits, horses and chickens in restricted areas; odors from factories, brooks and drains, etc.; smoke and soot nuisances from factories and the burning of rubbish and garbage, rat, bat, squirrel and rabbit complaints; unsanitary conditions in public places and in private homes; pollution of brooks; garbage complaints; dog bites; insufficient heat calls and many others of health importance.

I also work with the contractors on pest and mosquito control.

May I take this opportunity to thank the Health, Fire, Police and Public Works Departments; the building, plumbing and gas inspectors and all interested citizens who are ever on the alert calling attention to and reporting infractions of the health code. I investigate every complaint.

Respectfully submitted,
Frederick F. Mosley, Health
Inspector.

ANNUAL REPORT OF THE BOARD OF HEALTH NURSE

The prime target for all Public Health persons for years has been "Prevention" and "Health Teaching".

In the past we have been forced to take care of acute illnesses, but at the same time use them to teach prevention.

In the past few years it has been gratifying to see at long last the lessening of the acute Public Health diseases and an increase in the public's awareness of prevention.

Contrary to popular belief Tuberculosis is not on the decrease. However there are less long term acutely ill persons due to newer drugs, surgery, and the wide use of screening programs.

Fifteen years ago the average stay in a T.B. Hospital would have been 2 to 3 years. At present it is approximately 6 months. This disease is ever present, but early detection through screening and x-ray has prevented all this long term care.

For the past ten years we have had our own T.B. screening program in each school. The children in grades 1-4-7 and 11 are done annually, after the re-testing positive re-actors are taken to the Sanatorium for

chest x-rays. As a result of this program last year we had 12 children on prophylactic medication for one year.

In May we held a Diabetic Detection Clinic. Some 280 people attended and 10 were found to need follow-up tests. Five of which continued to be under special medical supervision for Diabetes.

We are still very active in the field of Mental Health. We rely quite heavily on the Eastern Middlesex Mental Health Guidance Center for their help and team work. Much work is now required in public relations regarding the Center and its work with key people in the community. We must now enlist strong community support for the much needed, but to date, silent work of this Center within Stoneham.

We are constantly at work in the schools, with case findings etc., and in other less known areas of Public Health.

This year Mrs. Roland (Dorcas) Berry, R.N. due to health reasons found she must retire early. We at the Board of Health were very sorry to lose such a wonderful Public Health team-mate. She always gave unselfishly of herself all these many years, an unusual and loyal worker.

In the fall Mrs. Herbert Dunn, R.N. became our new staff member. She will work primarily in the school but help in all areas especially the Clinics. This "part-time" nurse work and responsibilities are ever increasing due to the change in both school and adult population. Also there are many more preventive type programs in Public Health than in previous years.

All the miles of paper work is still being conscientiously carried on by Mrs. Robert L. Tufts.

Many thanks to the Board, the Health Officer, and Agent for their support in 1968. It certainly helps when all are cooperative in these programs.

Respectfully submitted,
Katherine L. Kenny, R.N.
Board of Health Nurse

REPORT OF POLICE DEPARTMENT

Board of Selectmen
Town Hall
Stoneham, Massachusetts

Dear Sirs & Madame:

As Chief Executive of the Stoneham Police Department and in compliance with the provisions of Article 3, Section 8 of the By-laws of the Town of Stoneham, I have the honor to submit the following report of the work accomplished by the Police Department during the year ending, December 31, 1968.

Table of Organization

- A. Chief Bernard C. Vacon, Chief Executive Officer and Administrator.
- B. Lieutenants, Dominic A. Lucci, Traffic Bureau and Department Prosecutor. Edward F. Geary, Command of Night Shifts.
- C. Sergeant-Investigator, Edward J. Pinato, Investigation and Fingerprint Bureau, Firearms, Missing Persons.
- D. Platoon Sergeants, George R. O'Brien, Fabian S. Koprek, David F. Roberts and William E. Gorse, Jr.
- E. Investigative Bureau, Inspectors, Robert E. Moreira and Francis F. Mahoney.
- F. Safety Officer, George J. McDonough.
- G. Patrolmen, George C. MacDonald, William F. McNulty, Tony J. Asci, Edward P. McLaughlin, Stanley F. Konopacka, Henry C. MacKay, Jr., Gerald D. Mahoney, Albert J. Duff, Jr., James E. McLaughlin, Thomas A. D'Onofrio, Louis A. Yianacopolus, Albert T. MacHenry, Louis R. Percoco, Anthony J. Marino, Frank DelTergo, Daniel T. Murrin, Chester A. Pica, Joseph H. DelRossi, Charles A. Haney, David F. Noonan, John M. Brandt, William F. Payne and Winthrop W. McCarthy.
- H. Records Coordinator & Photographer, Edward H. Proodian, Jr.
- I. Traffic Directors, George Ahern, George Bates, Charles Coleman, Thomas Connors, John Collins, Stephen D'Entremont, Francis Dunn, Leo Doucette, William English, Elmer Friery, Joseph Gallella, Thomas Hurley, John Logan, Preston MacDougall, Nelson McLeod, John McCarthy, Samuel Meuse, James Mosely, Earl Osborne, Benjamin Pasquariello, Edward Proodian, Roger Saltmarsh, Herbert Sweet and Albert Weisse.

Training

During the year 1968, Officers attended the following lectures, seminars and training programs:

February 23, 1968, Seminar on Current Problems in Law Enforcement, at Lynn English High School. Lecturers, Captain William Hogan, Boston Police Department, Assistant Attorney General Charles Rogovin, Professor Harry Bloomberg, Professor Stephne Burke, Dean Robert Sheehan of Northeastern University. Attended by Lieutenants Dominic A. Lucci and Edward Geary, Sergeants, George O'Brien, David Roberts, Officers Robert Jenkins and Stanley Konopacka.

February 19 to May 16, 1968, Boston Police Academy, attended by Officer Charles Haney.

February 27, 1968, Drug Abuse seminar at State House attended by Inspector Robert Moreira.

April 22 to April 27, 1968, Firearms and Riot Control instruction at M.D.C. Range, entire department.

May 6 to May 24, 1968, Babson Institute, Command Training, attended by Lieut. Edward F. Geary.

June 3 to June 21, 1968, Babson Institute, Command Training, attended by Dominic A. Lucci.

September 9 to October 18, 1968, Medford Police Department Academy, attended by Officer William Payne.

Sept. 23 to Oct. 4, 1968, Federal Narcotics School, Washington, D.C., attended by Sgt. Edward J. Pinato.

October 28, to November 2, 1968, Firearms and Riot Control instruction at M.D.C. Range, entire department.

October 21 to December 6, 1968, M.D.C. Police Academy, attended by Officer Winthrop W. McCarthy.

October 28 to November 2, 1968, Firearm and Riot Control, entire Department.

December 16, 1968, Narcotics and Search & Seizure, Town Hall, entire department.

Traffic Bureau

The Traffic Bureau reported a slight decrease in the accident rate with 503 reported in 1968, compared to 513 in 1967. The rate of personal injuries decreased from 392 in 1967 to 335 in 1968. The substantial decrease in personal injuries reflects the higher degree of enforcement by our officers. In 1967 only 420 citations were issued for all types of moving violations compared to 639 in 1968.

There were no fatalities in 1968. Also the number of total pedestrians injured decreased from 15 in 1967 to 9 in 1968. However, the injury rate among bicycle riders increased from one in 1967 to 8 in 1968.

Officers of this department served 865 summonses and tagged 191 cars for both illegal and all night parking.

The ratio of minors cited for motor vehicle violations and minors involved in accidents remains the same as in 1967 with approximately 23% of the total being under the age of 21.

High Frequency Accident Locations:

Juvenile Crime

The Governor's Committee on Law Enforcement recently reported that the reduction of juvenile crime is an enormous task and the number one problem that society must face up to in the coming years. An example of the problems is reflected in the most recent survey conducted by the Governor's Committee which shows only 500 juveniles brought before the Courts of Massachusetts in 1959, compared to 17,503 in 1967. This is an alarming increase which covers a relatively short period of time.

REPORT OF THE PLUMBING INSPECTOR

To the Honorable Board of Selectmen

Gentlemen:

The annual report of the Plumbing Inspector for the year ending December 31, 1968 is as follows:

Number of Permits Issued	234
Number of Fixtures Installed	2772
Water Closets	624
Lavatories	630
Bath Tubs	325
Sinks	257
Dishwashers	75
Gas Waters Domestic	101

Electric Water Heater Domestic	30
Tankless Heaters	21
Washing Machine Connections	116
Sewer Connections	37
Floor Drains	107
Service Sinks	14
Laundry Trays	8
Stall Showers	143
Disposals	186
Urinals	25
Development Tanks	3
Refrigerated Cases	27
Whirlpool Baths	3
Drinking Fountains	21
Gasoline Traps	3
Roof Drains	16
Fees for Permits	\$ 1,716.00

Respectfully submitted,

JOHN F. KELLEY

Inspector of Plumbing

REPORT OF THE BUILDING AND WIRE DEPARTMENT

To the Honorable Board of Selectmen and the Citizens of the Town of Stoneham:

The following is the Annual Report of the Building Department for 1968.

NUMBER OF PERMITS ISSUED	NATURE OF PERMITS	FEES
321	Building	\$5,049.24
16	Demolition	78.00
27	Building Code Books	54.25
	Total	\$5,181.49

Below is the breakdown of the 321 Building Permits issued, giving the estimated value of the work to be done, as shown on the applications.

New Homes 66	\$ 1,267,700.00
Alterations 197	434,408.00
Apartment Building 1-43 units	400,000.00
Private Garages 5	9,800.00
Swimming Pools 14	34,600.00
Signs 25	19,900.00
Business Buildings 8	1,549,500.00
Miscellaneous 5	9,080.00
Demolition 14	
House Moving 2	
Total	\$ 3,724,988.00

Respectfully submitted,

Edward M. Lynch Jr.

Building Inspector

REPORT OF THE WIRE INSPECTOR

To the Honorable Board of Selectmen

Dear Sirs and Madam:

The Annual Report of the Wire Inspector for the year ending December 31, 1968 is as follows.

NUMBER OF PERMITS	FEEES RECEIVED
388	\$2,985.25
New Houses	46
Service Changes	133
Dryers	66
Ranges	195
Disposals	129
Dishwashers	125
Oil Burners	40
Gas Burners	79
Electric Heat	25
Aluminum Siding	20
Hot Water Heaters	41
Swimming Pools	9
Signs	24
Air Conditioners	48
General Wiring	137

Respectfully submitted,
John W. Biggio
Wire Inspector

REPORT OF THE GAS INSPECTOR

To the Honorable Board of Selectmen

Gentlemen:

The annual report of the Gas Inspector for the year ending December 31, 1968, is as follows:

Number of Permits Issued	247
Number of Units Installed	542
Gas Ranges	103
Water Heaters	98
Ovens	6
Gas Fire Hot Air Furnaces	78
Gas Fired Boilers	42
Unit Heaters	49

Gas Room Heaters	19
Meter Fits	16
Gas Dryers	79
Air Conditioners	18
Incinerators	5
Door Heater	2
Bunsen Burners	25
Steam Generators	2
Fees for Permits	\$534

Respectfully submitted,
JOHN F. KELLEY
Inspector of Gas

ANNUAL REPORT OF THE PERSONNEL BOARD

To the Honorable Board of Selectmen;

The Annual Report of the Personnel Board is herewith submitted;

Under Article XI of the Town By-Laws, it is the duty of the Personnel Board to annually review all Salary and Wage rates and Classifications and recommend to the Town any action it deems necessary to maintain a fair and equitable Plan. Under rules of the procedure set by the Board, letters were written to all department heads inviting them to appear before the Board to discuss any proposed adjustments to the Plan.

Following extensive study, the Board recommended a new three year Salary Schedule which was accepted at Town Meeting.

The five (5) year term of Mr. William Stoney expired on May 1st and he was reappointed to the Board by the Board of Selectmen for another five (5) year term, expiring in 1973.

At an organizational meeting held in May, Mr. William L. Stoney was reelected chairman of the Board and Mr. Joseph L. Beane was reelected secretary.

William L. Stoney, Chrm. 1973
Joseph L. Beane, Sec., 1970
Richard A. Flynn, 1969
Thomas J. Murphy, Jr., 1971
William H. Allin, 1972

To the Honorable Board of Selectmen;

The Annual Report of the Collective Bargaining Agents is herewith submitted;

In accordance with the General Laws of the Comm. of Mass., the Agents held bargaining sessions throughout the year with the Negotiating Committee of the Stoneham Police Association to discuss salary requests and changes in the working conditions within the Stoneham Police Department.

A contract, stabilizing salaries and wages for a three year period, was signed.

In September negotiations were reopened for discussion of working conditions only.

William L. Stoney, Chrm.
William H. Allin, Sec.
Joseph L. Beane
Richard A. Flynn
Frank R. Noyes

ANNUAL REPORT OF THE STONEHAM HOUSING AUTHORITY

Honorable Board of Selectmen
Stoneham, Massachusetts

In compliance with the General Laws of the Commonwealth of Massachusetts, the Stoneham Housing Authority hereby submits its annual report for the year ending December 31, 1968.

The Authority organized as prescribed by the General Laws of the Commonwealth of Massachusetts and has functioned continually as a body politic and a corporate entity since its creation by unanimous vote of a Town meeting on March 24, 1948.

The Authority is a body entirely separate from the Town of Stoneham and the Commonwealth of Massachusetts.

The annual meeting of the Authority was held as directed by its by-laws, on Monday, April 8, 1968. The following officers were elected for the ensuing year:

1. Edward F. McNevin-----Chairman
2. Lawrence F. Hurley----Vice Chairman

3. William L. Curran----Treasurer
4. George C. Smith----Ass't Treasurer
5. Donald A. Lawson----Member
6. Attorney John E. Finnegan, Executive Director & Counsel

The Authority owns five separate projects. Two are Veterans Projects and three are Housing for the Elderly.

The Veterans Projects total 72 units, housed in 24 buildings. There are 12 Quadruplex houses and 12 Duplex houses for Veterans.

The Housing for the Elderly consist of 29 units in 3 buildings of row houses and 80 units in 6 buildings of two stories each.

The first Veterans Project of 48 Units was completed and occupied on June 1, 1950. The second Veterans Project of 24 Units was completed and occupied on September 1, 1951.

One Housing for the Elderly Project consisting of 29 Units was completed and occupied on December 1, 1957. These Units, although compact, consist of three rooms and a bathroom. There are 21 single Units and 8 double Units in this project, which is on Washington Avenue.

Forty new apartments for the Elderly were occupied in 1964 and 40 more new apartments for the Elderly were occupied in December 1966.

These 80 apartments are on Parker Chase Road and have a fine Community Building, with a kitchen and a coin-operated laundry for the convenience of the 109 Elderly apartments, all which adjoin each other.

The apartments for the Elderly are heated and maintained by the Authority.

The Veterans Projects consist of two and three-bedroom apartments and the size of the apartment does not affect the rental charge. Average rents at the Veterans Projects are \$55.00 per month, including water provided by the Authority. Heat is provided by the tenants in Veterans Projects.

All tenants are separately metered and pay their own electric charges.

All apartments are all electric and oil heated.

The Authority provides an electric stove and refrigerator for all tenants. Veterans apartments have individual heating systems and oil fuel is provided by each tenant at his own expense. The Projects are inspected, inside and outside, twice annually by the Authority.

The members of the Authority and the Executive Director, wish to thank the tenants and the various departments and officials of the Town

of Stoneham for their cooperation and help extended to us in 1968, as well as heretofore.

The Stoneham Projects are considered by the State Housing Board as among the finest in the Commonwealth, both as to Administration and to fiscal matters.

The Authority is especially grateful to the Public Works Department for their invaluable help and also to the Stoneham Public Library for providing books and service for the tenants of the Elderly Projects at the Community Building on Parker Chase Road.

Respectfully Submitted,
Edward F. McNevin
Chairman

REPORT OF THE BOARD OF PUBLIC WORKS

The Board of Public Works meeting March 11, 1968, organized for the year as follows: John E. Finnegan, Chairman of the Board, with members John E. Shaughnessy and Eugene B. Rotondi, Jr., Mr. Rotondi was re-elected to the Board of Public Works March 4, 1968 for a three-year term. Miss Geraldine O'Grady was appointed Clerk of the Board and Mr. William J. Reid, Jr., was appointed interim-Superintendent of Public Works.

The effects of the planned programs with established goals are beginning to show in magnitude throughout the Town. Whenever possible the Board has strived to bring about improvements within the limits of the existing budget thereby eliminating requests for additional funds.

The Board believes that every effort should be made to utilize the skills and equipment of the various divisions of the Public Works Department, working jointly on a common project for the overall good of the Town, many times doing additional work within the limits of existing budgets as illustrated in the case of the land development at Lindenwood Cemetery.

This year saw the installation of 0.85 miles of sanitary sewer lines added to the system by personnel of the Public Works Department supplemented by 0.96 miles of sewer lines installed in developments at the developers' expense. The Board is extremely pleased with the progress made as illustrated by the above figures and respectfully points out that at the time of the writing of this report approximately 92% of the existing buildings in the Town are serviced by the municipal sewer. In particular, this year saw the completion of the trunk line system through the Town Infirmary land to Elm Street. This line relieves the overcrowded con-

ditions in the Elm Street line brought about by the continuous residential development taking place on the east side of Town.

The program of installing outside water meter reading devices was instituted this year after favorable vote on the program at the March Town Meeting. This program will be beneficial to the people as well as to the Department in eliminating the necessity to enter each and every home to procure the water meter reading.

A new policy, established this year by the State Department of Public Works, relative to Chapter 90 Road Construction, allowed the installation of new sidewalks and granite curbing as a participating item in the contract. The section of Forest Street reconstructed this year included sidewalks and granite curbing as a part of this construction with the Town paying 25% of the cost. The other 75% of the cost is paid for by the State and County.

The Recreation Committee, as appointed by the Board of Public Works, have continued their fine work in the development of the recreational program of the Town.

The Board would like to take this opportunity to express their appreciation to the many Boards and Committees, to the people of Stoneham, and to the personnel of the Department for their assistance and aid throughout the year.

During this year, Mr. John Boutchia, an employee of the Department for many years, retired and we would like to take this opportunity to express our sincere appreciation to Mr. Boutchia for his competent and faithful service over the past years.

Also, during this year, Mr. Daniel Towse, Park and Tree foreman and Deputy Tree Warden tendered his resignation. Mr. Towse, who had over 22 years service with the Department, will be sorely missed by all. He leaves us to take up his elected position of Representative to the Massachusetts Legislature. We would like to take this opportunity to thank Mr. Towse and to extend our best wishes to Mr. Boutchia and Mr. Towse in their future endeavors.

The year 1968 also saw the return of Mr. Edwin D. Callahan to his former position of Superintendent of Public Works. Mr. Callahan had been on assignment with the Federal Government in Vietnam. Mr. William J. Reid, Jr., was appointed Assistant Superintendent of Public Works.

Respectfully submitted,
By: John E. Finnegan, Chairman
John E. Shaughnessy
Eugene B. Rotondi, Jr.

REPORT OF

SUPERINTENDENT OF PUBLIC WORKS

To the Honorable Board of Public Works

Gentlemen:

The report of the Superintendent of Public Works for the year 1968 is herewith submitted. This report will encompass the activities of the various divisions of the Department comprised of Highway, Water, Sewer, Park, Tree, Cemetery and Recreation. The physical properties under the direct control of the Department include the Pine Street Office, garages and yard, the Cemetery lands and building, three sewerage pumping stations, various parks with accompanying building, a gravel pit, Stevens Street materials storage yard and various traffic standards.

The interchangeability of personnel within the various divisions has proven effective in meeting the construction demands and at the same time continuing an adequate maintenance program. The latter is very important as existing streets, drainage, parks, sidewalks, water and sewer distribution systems represent an extremely sizable financial investment which must be protected through proper maintenance.

HIGHWAYS

The emphasis in the program this year was placed upon an interim type surface maintenance application commonly termed "Armor Coating." There were 212 miles of roadway resurfaced using this method. Work of this nature aids considerably in minimizing the development of broken gutters, potholes and cracks during the period prior to resurfacing of the roads with a more permanent material such as bituminous concrete. Norval Avenue was resurfaced with bituminous concrete this year.

During the year the personnel of the Department installed additional drainage facilities on Franklin Street and Windsor Road, and in keeping with the policy of the Department maintained the existing drainage systems, culvert screens and grates, which minimizes blockages and subsequent water backup during peak rains.

Contractors, at their expense, installed 1879 feet of varying sized drain pipe with 32 structures in subdivisions dispersed throughout the Town. This work is carried out under the supervision of the Town Engineer in conjunction with the requirements contained with the subdivision bond.

STREET CONSTRUCTION

Listed below are the streets which were accepted at a Town Meeting and constructed under the Betterment Act. Under this Act, the cost of the construction is paid for by the abutters on the street.

1. Kenwood Ave.--A large retaining wall was constructed on the north side near the Main Street end following the gravel grading of the road. The entire street was surfaced with hot top and the gutter edge lined with a hot top berm.

2. Oakland Ave. & Manison St.--A new sewer main had been installed and the existing water main was replaced with a new, larger water main. The sub-base was graded and gravel was installed. Work will be completed in the spring of 1969.

CHAPTER 90 MAINTENANCE

The funds, in the amount of \$4,500., made available for this work were used on Maple Street from the end of the State Highway easterly 1420 feet. The street was resurfaced with 1 1/2" of bituminous concrete and a bituminous concrete berm was installed wherever possible. Two-thirds of this cost is returned to the Town by the State and County.

CHAPTER 90 CONSTRUCTION

The funds appropriated in 1967 and 1968 were lumped together and used to reconstruct a section of Forest Street from the Woburn City Line easterly 1500 feet to Danby Road. The total funds available for this project were \$56,400., three-quarters of which is reimbursable to the Town from the State and County. The work is done under the engineering control of the State Department of Public Works and for the first time in this District the State D.P.W. agreed to participate in the cost of the installation of granite curbing and bituminous concrete sidewalks. The contract for this year's project was awarded to Charles Contracting Company, Inc., Watertown, Mass., the lowest competitive bid received.

TAR SIDEWALKS

The annual appropriation of \$3,000. as approved at the Town Meeting was used to resurface approximately 4970 square feet of existing sidewalks at various locations within the Town.

STREET SIGNS AND BEACONS

Under this account, the installation and maintenance of all traffic signs, traffic markings, regulatory signs and traffic lights is done by this Department. The actual determination of the type of sign and location rests with the Police Department and the Selectmen functioning as Police Commissioners. The labor and materials required for the installation and maintenance are supplied by this Department.

During this year, approximately 70,000 feet of traffic lines were installed on various roads throughout the Town.

SNOW AND ICE

The total accumulation of snow for the winter season was 60". Plowing and sanding operations took place frequently as warranted by the weather conditions. All of the sanding operations and the major portion of the plowing operations are handled by Town-owned equipment.

SEWER CONSTRUCTION

The Personnel of the Department by order of the Board of Public Works, installed 4471 feet of sanitary sewer lines. Private contractors in land development installed 5096 feet of sanitary sewer lines at no expense to the Town.

SEWER CONSTRUCTION BY TOWN

LOCATION	LENGTH	SIZE	TYPE	MANHOLES
Town Infirmary Trunk Line	503'	12"	Transite	3
Drury Lane	1096'	8"	Transite	7
Forest Street	332'	8"	Transite	3
Park Street	672'	10"	Transite	5
Access Rd. (Force Main)	583'	6"	Cast Iron	0
128 Main Street	257'	8"	Transite	2
Beacon St. Extension	174'	8"	Transite	2
Kenwood Avenue	115'	8"	Transite	1
Stevens Street	739'	8"	Transite	4

Total 4,471 feet or 0.85 miles

SEWER CONSTRUCTION BY CONTRACTORS

LOCATION	LENGTH	SIZE	TYPE	MANHOLES
Fieldstone Drive	2365'	8"	Transite	17
Boxwood Road	125'	8"	Transite	1
Briarwood Road	175'	8"	Transite	1
Rustic Road	282'	8"	Transite	2
Rustic Circle	274'	8"	Transite	3
Barbara Road	264'	8"	Transite	4
No. Main Street	186'	8"	Transite	2
Pinewood Road	179'	8"	Transite	1
Sunset Road	274'	8"	Transite	2
Stonewood Avenue	972'	8"	Transite	7

Total 5,096 feet or 0.96 miles

A very significant sanitary sewer trunk system was completed this year which will have an advantageous effect on a large portion of the northeast area. The final portion installed runs through the Town Infirmary

land to connect to the main sewer line on Elm Street. This relieves the overcrowding effect in the Elm Street area lines and makes use, as planned, of the trunk system through the Bear Hill Golf Club land which was instituted in 1958.

SEWER SERVICES

There were a total of 130 new sewer services installed during the year bringing the total number of services in the Town to 4324. The applicant pays the entire cost of the initial installation of the service. After installation the sewer service is maintained by the Town at no cost to the home-owner.

WATER CONSTRUCTION

The personnel of the Department installed 2347' of water mains during the year and contractors, at their own expense, installed 2833' of water mains under the supervision of the Town Engineer.

WATER SERVICES

There were 61 new water services installed during the year raising the total number of active services to 5022. When a street is scheduled for reconstruction, all water services with piping other than copper tubing are relaid on the street portion in an effort to prolong the need to tear up the new street. When an existing service pipe is replaced the Town absorbs the cost of the work on the street and the home owner pays the cost on the property. There were a total of 45 services relaid by Department personnel.

REFUSE COLLECTION AND DISPOSAL

The refuse collection is scheduled on a weekly basis throughout the Town and the collected material is disposed of in the DeMatteo dump site in Saugus. The action taken by the Town of Saugus in trying to close this dump has been impeded by a temporary restraining order issued by the Suffolk Superior Court at the request of the Attorney General. This action acted as a catalyst in the formulation of programs relative to solid waste disposal. There are eight communities, one of which is Stoneham, involved in a cooperative effort to establish a regional incinerator. Although many meetings have been held the plan is still in the formative stages. We hope to be able to take advantage of this proposed incinerator in the foreseeable future. The Department again ran a clean-up collection in the Spring and Fall of the year in order to give residents an opportunity to dispose of various household items not ordinarily collected.

PARK DIVISION

The basic function of the Park Division is the maintenance and im-

provement of the parks of the Town. This work also includes the maintenance of the Town Hall grounds, various playgrounds for the recreation program, the Recreation Building, the illuminated hockey rink and three skating areas, the Little League fields and twelve triangles throughout the Town.

The following additional work was performed by the Division working within the limits of the annual labor budget:

1. Broadway Park land--laid out, cut in, and completed the baseball diamond in front of the new backstop.
2. Recreation Park--erected a portable chain link fence on the outfield limits of the Little League field.
3. Pomeworth St. Playground--moved the playground equipment from the upper field to the lower field near the tennis courts, and installed a chain link fence along the top of the banking.

The Recreation Committee appointed Mr. Henry R. Margarita as Director of the Summer Recreation Program. The variety of supervised activities within the program, as provided by Mr. Margarita and his staff, were received with enthusiasm by the children who participated. The summer program was climaxed by a very successful Field Day held at the Pomeworth Street Playground.

I would like to take this opportunity to express our thanks to the School Committee and to Dr. Scarpitto for their cooperation in allowing the use of the School facilities for such purposes as our recreation program, Saturday activities, ice skating areas, etc. Without their cooperation, many of the activities would certainly have to be curtailed or eliminated.

TREE DIVISION

There were 87 trees removed during the year and 192 new shade and ornamental trees planted during the same time period. Many of the new trees planted replaced the trees killed by drought and disease. The men of this division, in addition to their tree work, assist in performing some of the more unique jobs of the Department, such as installing the Christmas lights and decorations at the Town Hall, changing the burned out lights at the Little League field or picking up Christmas trees which are disposed of with the aid of a brush chipper.

Dutch Elm disease of elm trees continues to be a problem with the removal of the diseased trees being the most effective means of containing the disease.

At the request of the Fire Chief, various fire alarm circuit wires were cleared of obstructions and interfering branches.

The Town gravel pit continues to serve as the area for brush disposal requiring the use of a bulldozer to clear the area from time to time.

CEMETERY

During the year 1968 one hundred interments took place at Lindenwood with eighty-eight new graves sold. The planned program of making additional land available for sale by filling and grading was continued this year in the southwest sector.

For a list of the receipts pertaining to the year 1968, your attention is respectfully directed to the report of the Town Accountant.

ROAD MACHINERY MAINTENANCE

The mechanical equipment, 53 pieces of which are registered, consists of a mechanical shovel, grader, bulldozer, front-end loader, road rollers, drain and sewer cleaner, and trucks and snow removal equipment. The fact that the mechanic does the majority of the maintenance work is strongly reflected in the minimum down-time and monetary savings. Repair of equipment, painting and periodic greasing and oil changes are carried on throughout the year.

The Board of Public Works, authorized by the 1968 Annual Town Meeting, selected the following equipment under the respective articles as listed below:

Article 21: Purchased one Davco sidewalk snow removal tractor, snow-blower and plow.

Article 31: Instituted the program of purchasing and installing the Neptune remote water meter reading units.

Article 32: Purchased one Leach 20-cubic yard Loadpacker with International chassis and disposed of one 1952 Mack Loadpacker.

Article 33: Purchased one Ford one-ton, 4-wheel drive dump truck with plow and disposed of one 1956 one-ton Ford dump truck.

Article 34: Purchased one Flink Sandspreader body and disposed of one 1958 Good Roads sandspreader body.

Article 35: Purchased one International 5-ton dump truck and disposed of one 1950 Mack dump truck.

Article 36: Purchased two International 2 1/2-ton dump trucks and disposed of two 1958 International dump trucks.

Article 37: Purchased one National self-powered gang reel mower and disposed of one National gang mower.

The specifications for the above equipment were drawn up by the Town Engineer. All of the above equipment was purchased by competitive bids as advertised by the Board of Public Works.

ENGINEERING

Under the guidance and control of the Town Engineer, this division is responsible for the planning and design of the maintenance and extension of the Town water, sewer and drain systems in addition to the construction and maintenance of the Town's roads. Easement surveys were made for water, sewer and drainage projects and plans were drawn up for recording at the Registry of Deeds. At the request of the Board of Selectmen, the division made stop sign surveys and street numbering plans. Upon request of the Board of Health, the possibility of providing sanitary sewers to various areas is evaluated.

The Engineering Division is also responsible for the approving of the engineering street layouts of subdivisions plans submitted to the Planning Board, and for the recommendation of the monetary sum that is used by the Planning Board to determine the necessary bond. This is a courtesy that the Public Works Department is pleased to extend to the Planning Board. All street construction work done by private contractors in subdivisions is also supervised by the Engineering Division, and it is on the satisfactory completion of this work that bonds are released.

ADMINISTRATIVE STAFF

The Administrative staff is responsible for the routing of all business into proper channels. This involves the varied functions of the water, sewer, highways, park, tree and cemetery divisions.

A large portion of the office work consists of preparing contracts, computing weekly payrolls and bill warrants, computing and mailing approximately 11,000 water bills annually, purchasing of necessary materials, maintaining various cost records, etc.

During the year Mr. John Boutchia, a dedicated and capable employee of this Department retired. On behalf of the Department I would like to express our sincere appreciation to Mr. Boutchia for his capable and faithful service over many years.

During the year 1968, Mr. Daniel Towse, formerly in charge of tree and park activities submitted his resignation from the Stoneham Public Works Department upon being elected as a representative to the Massachusetts Legislature. Mr. Towse's excellent work performance and very knowledgeable advice over many years of service will be missed in the years ahead.

We would like to take this opportunity to extend our best wishes to both Mr. Boutchia and Mr. Towse throughout the years ahead.

Respectfully submitted,
Edwin D. Callahan, Superintendent

REPORT OF THE SELECTMEN

To the Citizens of Stoneham:

The Board of Selectmen, Alice Fitzgibbon DelRossi, Edmund J. Moreira, Daniel C. Towse, Joseph W. Fallon and James A. McDonough, Jr., was elected for a term of one year on March 4, 1968, after being sworn by the Town Clerk, the Board met and organized as follows: Mrs. DelRossi, Chairman and Police Department Liaison Officer; Mr. Moreira, Secretary and Fire Department Liaison Officer; Mr. McDonough, Disburser of Veterans Benefits.

Winthrop A. McCarthy was re-appointed Clerk of the Board for a term of one year. Walter E. Cogan was re-appointed to the Board of Registrars for a term of three years.

Other appointments made by the Selectmen for a term of one year each were as follows: Thomas M. Leahy, Esq., Town Counsel; Edward M. Lynch, Jr., Building Inspector (effective May 1, 1968); John W. Biggio, Wire Inspector (effective May 1, 1968); Murat V. Kennett, D.V.M., Animal Inspector and Slaughtering Inspector; Wallace C. Dunbar, Inspector of Veterans Graves; William L. Curran, Director of Veterans Services, Agent for the Disbursement of Veterans Benefits and Burial Agent; Police Chief Bernard C. Vacon, Lockup Keeper; George M. Rich, Sealer of Weights and Measures.

Royal E. Livingston and Frank T. Antonuccio were appointed to the Board of Appeal for a term of three years each.

Rudolph G. DiLuzio and Louis Massa were appointed to the Board of Appeal as Associate Members for a term of one year each.

Package Goods Store Renewal Licenses for 1968 were granted to Center Beverage Co., Inc., Franklin Street Package Store, Inc., James A. McDonough, Inc., and Redstone Liquors, Inc.

During the past year two significant changes were made in the political alignment of Stoneham. Our voting community was changed from the twenty-second Middlesex District composed of Stoneham and Melrose to the twenty-first Middlesex District which includes Stoneham, Reading and North Reading. For the first time in more than a decade Stoneham has a townsman in the Great and General Court at Boston. Selectman

Daniel C. Towse was elected a Representative from the new twenty-first Middlesex District.

The other change found Stoneham shifted from the Fifth Congressional District of F. Bradford Morse of Lowell to the Seventh Congressional District of Torbert H. MacDonald of Malden.

The full impact of the inclusion of the Town of Stoneham by the Legislature in the Massachusetts Bay Transportation Authority was made known to the Selectmen during the latter part of the year and it proved a staggering amount in the opinion of the Board to the comparative amount of service supplied. The Board held several conferences with representatives of the M.B.T.A., has taken steps to bolster service on the Stoneham to Sullivan Square route by deleting non-profitable trips on the Wakefield-Arlington route and the Malden-Woburn route. Effective January 1, 1969 a temporary 90-day schedule was undertaken to determine the advisability of continuing the foregoing changes in service.

Selectmen Fallon and McDonough submitted a report to the Board in December of 1968 which showed that the estimated yearly dollar cost to the Town based on an analysis on the Comptroller of the M.B.T.A. would be \$2.07 in term of tax rate on an estimated assessment of \$88,871.00. Of the total estimated assessment fifty percent or \$44,655.00 would represent Stoneham's share of the overall loss estimate computed by the M.B.T.A. This report stated that if the Town of Stoneham were to follow the procedure recently outlined regarding the right of a city or town to discontinue local service by action of the townspeople on an official ballot, the Town could, by the elimination of all service, avoid the cost of approximately \$44,655.00. The general counsel of the M.B.T.A. has stated that the communities which have been included as part of the MBTA district by Legislative Act cannot be excluded from that district or the assessments made upon those communities, including Stoneham, except that assessments specifically applying to loss incurred on local service in the particular city or town.

In conclusion, the Selectmen take this opportunity to thank all Town Officers, Boards and Committees for their assistance and co-operation in the administration of Town affairs during the last year.

Respectfully yours,
Alice Fitzgibbon DelRossi, Chr.
Edmund J. Moreira
Daniel C. Towse
Joseph W. Fallon
James A. McDonough, Jr.

BOARD OF SELECTMEN

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen;

Gentlemen:

The following report of the Fire Department for the year 1968 is respectively submitted.

The personnel of the Fire Department consists of: One (1) Chief; Three (3) Captains; Four (4) Lieutenants; Twenty-three (23) Privates; and four (4) Permanent Intermittent Firefighters.

The Department during the past year, answered 1352 alarms, of which 184 were bell alarms (53 of which were false) 33 Mutual Aid calls to other communities, four (4) Multiple Alarm fires, 1168 still alarms of which 100 were calls for the Inhalator & Oxygen.

There were used at fires during the past year: 17,900 feet of 2 1/2" hose, 20,950 feet of 1 1/2" hose, 65,875 feet of booster hose, and 1,974 feet of ladders used.

The amount of property endangered by fire	\$3,498,550.00
The amount of property destroyed by fire	87,834.59
The amount of insurance paid was	54,884.59
The amount not covered by insurance was	32,950.00
The amount of fire damage to Motor Vehicles	11,691.00

There were 67 complaints received and investigated by this Department, some of these with the co-operation of the State Fire Marshal's Office and our local Building and Wire Inspectors.

The following inspections were made:

Nursing Homes and Hospital	22
Schools	19
Oil Burners	42
Blasting Permits Issued	45
In-Service Inspections	8

Fire drills were conducted, during the year, in all private and public schools and the New England Memorial Hospital.

During the year the members of the Department participated in drills and training exercises so as to keep abreast of modern methods and to remain familiar with existing equipment. The following men attended specialized schools.

Chief Raymond Sorensen completed a 15 week Fire Protection Course. This three Semester, 3 hour course is on a College level and is the Pre-requisite of an Associate Degree Program in Fire Science conducted by the North Shore Community College in Beverly.

Privates Paul Bears, Kevin Wynn and William McLaughlin attended a three week Fire Training Course at the State Fire Academy in Framingham.

Privates, Albert J. Duff Sr., William Vayo and George Grafton attended a three day course at the Topsfield Training Center and Private Warren Newcomb, went to the University of Maryland for a four day school on Pumping Engines.

Chief Raymond Sorensen, Captain James McDermott, Privates John Judge and John Marshall of the Fire Alarm Department, attended a two day Communications Institute held in Beverly.

All members of the Department were trained in Elevator Rescue methods by the Otis Elevator Company.

A Fire Brigade was formed at the New England Memorial Hospital and was trained by Lieutenant Charles Beckwith and Private John Judge, and Lieutenant Beckwith also is in the process of Training 134 Nurses in patient evacuation methods.

Four members of the Department received commendation for exceptional alertness in detecting a fire at the Old Junior High School, the members were Lieut. Charles Beckwith, Privates, Russell Holden, John Judge, and James Bowman.

I again consider, aside from normal apparatus replacement as scheduled, the most serious and dangerous deficiency to be lack of manpower. I am hopeful that this will be remedied in 1969.

The motor equipment consists of the following:

1966 Chrysler Chief's Car

1940 Seagrave pumping engine, 750 gallon per minute

1952 Seagrave pumping engine, 750 gallon per minute

1956 Seagrave pumping engine, 750 gallon per minute

1962 Dodge pumping engine, 200 gallon per minute

1944 Seagrave aerial ladder truck (delivery on New Ladder Truck expected this year)

1954 Ford Fire Alarm truck, 40 feet

I wish to express my thanks to Mr. Edmund Moreira, Liaison Officer of the Fire Department and to the Board of Selectmen for their understanding and co-operation.

I also have received excellent co-operation from all Town Departments and Town Officials, Committees and the Citizens of the Town, I appreciate this very much.

Respectfully submitted

RAYMOND L. SORENSEN
Fire Chief

STONEHAM CONSERVATION COMMITTEE

Honorable Board of Selectmen
Town Hall
Stoneham, Massachusetts

Gentlemen:

The following report of the Conservation Commission for the year 1968 is respectfully submitted.

A magnanimous gift of a palatial home, with out buildings and thirty-five acres of landscaped and wooded land has been deeded to the Town of Stoneham by Mrs. Angie Crockett, Whip Hill Road. Upon the demise of Mrs. Crockett, her estate will come under the protective management of the Stoneham Conservation Commission, to be held and maintained as nearly as possible in an undisturbed condition with enchantment of aesthetic and scenic values.

We are deeply appreciative of a gift of approximately 15,000 feet of land from the Trinity Church, Melrose. This portion of land is located on the east side of Isabella Street, Stoneham.

Our application for 50% financial assistance for the acquisition of the Brookridge Road property, consisting of approximately 10 acres, from the Department of Natural Resources, Division of Conservation Services, is in its final stage. Initial steps have been instituted to have the same organization give favorable financial consideration to the proposed acquisition of about 2 1/2 acres of land off Meadow Road.

Respectfully submitted,

John E. O'Doherty, Chr.
Alice L. White, Sec.
Bennett Blaisdell
Elsie L. Soule
Daniel C. Towse

LIST OF JURORS

As Revised by the Selectmen January 1, 1969

Alabiso, Joseph, 4 Janice Lane, Machinist
Alessandrini, C. John, 3 Hampton Rd., Data Processing Specialist
Alger, George P., Salesman, 1 Veterans Lane
Alger, Marie E., Housewife, 1 Veterans Lane
Amari, Peter A., Plumber, 13 Avon St.
Anderson, Harry W., Note Teller, 14 Bear Hill Rd.

REPORT OF THE TOWN COUNSEL

To the Board of Selectmen and the Citizens of the Town of Stoneham:

I am pleased to offer the following report concerning the activities of the office of Town Counsel for the year 1968.

During that period three cases were successfully disposed of in Superior Court, two in which the members of the Board of Selectmen were the petitioners and one in which they were the respondent. The decree entered in one of the cases designated the Board of Selectmen or their nominee the body to administer the "Alice J. Durgin Fund" and the Sidney A. Hill Fund" and as a result thereof it seems certain that the same body will assist the Boston Safe Deposit and Trust Company in administering the Helen Wolcott Stockwell Trust.

There are at present six cases pending in Superior Court and one in the District Court. In all but one of the cases the Town or a Board of the Town is either the respondent or defendant. The pleadings have been completed in most of them and it is anticipated that some of them will be disposed of in the coming year. In addition to the court cases there are six appeals before the Appellant Tax Board for abatement of real estate taxes.

This office has rendered thirty-one written opinions requested by the Boards and officers of the Town and has endeavored to do so expediently. Some of these opinions have been relatively easy in that the reading of a few statutes and cases would suffice to arrive at a decision while others of a controversial nature required meetings with the office of the Attorney General and/or some other department of the State.

Applications have been filed with the appropriate State agencies to obtain reimbursement under the provisions of Chapter 90, Section 33B of the General Laws for the expenses of installing the traffic control signals at Central and Pleasant Street, and also for the expenses incurred as a result of the flooding during the Spring of 1968. Although the final outcome is not certain, all necessary requirements have been fulfilled.

During the past year this office prepared documents for the acceptance of a gift of a parcel of land in fee and another as a remainder interest, both parcels to be under the control of the Conservation Commission. A third parcel for conservations purposes was purchased from the Town of Wakefield and efforts are presently being undertaken to obtain a 50% reimbursement of the purchase price from the Commonwealth. Two parcels of land were taken by eminent domain for school purposes while the fee in a number of other parcels were

taken for street acceptance purposes. In addition a number of easements were obtained for the installation of Town services.

There have been approximately twenty claims against the Town for personal injury and/or property damage. These have been handled in the customary manner and if the claims were legally justified a compromise was arrived at and they were settled. Otherwise liability was denied and they were pursued no further or court action was commenced by the claimant.

With the advent of the Town Meeting for 1969 an examination and analysis of the articles in the warrant was undertaken in order to have the Town Meeting progress as expediently as possible. Not that every parliamentary contingency can be anticipated but examining the articles beforehand does help to avoid many embarrassing situations and makes for more orderly proceedings.

Once again I would like to express my gratitude to the personnel of the numerous departments, boards and committees for the cooperation they have extended to me in the past year.

Respectfully submitted,

THOMAS M. LEAHY
Town Counsel

REPORT OF THE BOARD OF RETIREMENT

To the Honorable Board of Selectmen:

Following is the thirty-second Annual Report of this Board:

To the membership as of December 31, 1967, totaling	473
have been added new members numbering	92
and reinstated members	3
	<hr/>
	568
Deductions from membership:	
By retirement	7
By withdrawal	25
By death	0

REPORT OF THE TOWN ACCOUNTANT

Honorable Board of Selectmen
Stoneham, Massachusetts

Gentlemen:

Herewith is presented the Report of the Town Accountant for the calendar year 1968 as set forth in the following schedules:

Balance Sheet showing the financial condition of the Town of Stoneham as of December 31, 1968.

Receipts and expenditures summarized for the calendar year of 1968.

Schedule of appropriations, other credits, expenditures and unexpended appropriation balances.

Analysis of the Excess and Deficiency Account, Available Water Surplus Account, Sale of Lots and Graves Fund, Sale of Real Estate Fund and State Aid to Public Library.

Schedule of Maturing Debt showing payments due each year and including the Borrowing Capacity of the Town of Stoneham on January 1, 1969.

Balance Sheet of Deferred and Suspended Revenue Accounts as of December 31, 1968.

Analysis of Trust Fund Accounts, Stabilization Fund and Contributory Retirement System as of December 31, 1968.

In conclusion may I take this opportunity to thank all department heads and officers of the Town of Stoneham for their assistance and cooperation rendered during the past year.

Respectfully submitted,

WINTHROP A. MCCARTHY,

Town Accountant

VITAL STATISTICS

Board of Selectmen
Stoneham, Massachusetts
Gentlemen:

Herewith is submitted a Report of Vital Statistics of the Town
of Stoneham for the year 1968:

Births	938
Marriages	247
Deaths	355

Respectfully submitted,

WINTHROP A. McCARTHY,
Town Clerk

WARRANT for ANNUAL TOWN MEETING

MONDAY, MARCH 3, 1969

To either of the Constables of the Town of Stoneham in the County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on Monday, March 3, 1969 at six o'clock in the forenoon to act on the following articles of this warrant:

Article 1. To choose the following officers:

One (1) Moderator for one (1) year
Five (5) Selectmen for one (1) year
One (1) Assessor for three (3) years
Two (2) members of the School Committee for three (3) years
One (1) member of the Board of Health for three (3) years
Two (2) Trustees of the Public Library for three (3) years
One (1) member of the Board of Public Works for three (3) years
One (1) member of the Planning Board for five (5) years
One (1) member of the Stoneham Housing Authority for five (5) years
Three (3) Constables for one (1) year

and the following questions:

"Shall the town, in addition to the payment of fifty percent of a premium for contributory group life and health insurance for employees in the service of the town and their dependents, pay a subsidiary or additional rate?", and

"Shall the town, in addition to the payment of fifty per cent of a premium for contributory group life and health insurance for employees retired from the service of the town, and their dependents, pay a subsidiary or additional rate?"

All on one ballot.

The polls for the annual Town Election shall be closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet in Town Hall at 7:30 o'clock in the evening on Monday, March 10, 1969, in accordance with provisions of Article 1, Section 2 of the By-laws of the Town of Stoneham.

Article 2. To choose all other necessary town officers for the year ensuing in such manner as the town may determine.

Article 3. To hear the reports of town officers and committees and to act thereon and to choose committees.

Article 4. To see if the town will vote to fix the salaries of the several elective officers and boards of the town for the current year.

Article 5. To see if the Town will vote to amend Article XI, Section 13 (2) Clerk A of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by inserting after the word "Selectmen", the following: "or Correlator of Records in the Town Clerk's office" so the sentence will read: "Under general supervision, a Billing Machine Operator, Payroll and Accounting Operator, Secretary to the Board of Selectmen or Correlator of Records in the Town Clerk's office as well as being able to perform duties as a Clerk B".

Personnel Board

Article 6. To see if the Town will vote to amend Article XI, Section 13, subsection (b) of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan" by deleting the following: (5) Call Firemen, and inserting in place thereof the following (5) Permanent Intermittent Firefighter.

Personnel Board

Article 7. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan" by adding under Section 13, (c) Police Department, the following: (10) Juvenile Officer. General Statement of Duties. Must be a permanent member of the Stoneham Police Department and hold the minimum of an Associate Degree in Law Enforcement. Shall be responsible for the investigation and prosecution of all criminal offenses involving minors between the ages of seven (7) and seventeen (17) years; shall establish a close liaison with parents, probation officers, school guidance counselors, the courts and the Eastern Middlesex Guidance Centre, and such other duties as may be assigned to him by the Chief of Police or any other superior officer designated by the Chief of Police.

Personnel Board

Article 8. To see if the Town will vote to amend Article XI, Section 13, subsection (f) of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan", by inserting the following: (15) Licensed Blaster. General Statement of Duties. To be licensed by the Commonwealth of Massachusetts, Department of Public Safety, in the handling, storage, transportation and use of

explosives. To perform all blasting functions related to the work of the Public Works Department where explosives are used.

Personnel Board

Article 9. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan" by deleting from the 1968 Salary Schedule the following: Sanitarian-Health Officer \$6600. - \$6900. - \$7200. - \$300, and inserting in place thereof Sanitarian-Health Officer \$6600. - \$7200. - \$7500.; delete from the 1968 Salary Schedule, under Annual Rate, the following: Clerk, Finance Board \$1700. and insert in place thereof Clerk, Finance Board \$1900.; add under Annual Rate the following: Juvenile Officer \$700.; delete from the 1968 Salary Schedule, under Day Rate, the following: Permanent Intermittent Firefighter \$20. Personnel Board

Article 11. To see if the Town will vote to raise and appropriate, from taxation or by transfer from available funds, such sums as may be necessary to defray Town charges for the ensuing year.

Town Accountant

Article 12. To see if the Town will vote to establish a Reserve Fund, under provisions of Chapter 40, Section 6 of the General Laws, and raise and appropriate a sum of money therefor, from taxation or by transfer from available funds.

Town Accountant

Article 13. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$85,000.00 for the reduction of the 1969 tax rate.

Board of Selectmen

Article 14. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1969 and January 1, 1970, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17.

Board of Selectmen

Article 15. To see if the Town will vote that in the annual election of the year 1970 the Board of Selectmen be elected one (1) for one (1) year, two (2) for two (2) years and two (2) for three (3) years and thereafter that members of the Board of Selectmen shall be elected for a period of three years.

Board of Selectmen

Article 16. To see if the Town will vote to amend the By-laws of the Town of Stoneham by adding a new section to Article IV, to be known as Section 4 and to read as follows: Article IV, Section 4. The Selectmen shall, upon approval of this section, in the month of March, appoint a Council on Aging for the Town of Stoneham, said Council to consist of five members, in accordance with provisions of General Laws, Chapter 40, Section 8B and amendments thereto, and that a sum of money be raised and appropriated therefor, in accordance with provisions of General Laws, Chapter 40, Section 5, subsection (49), or do anything in relation thereto.

Myron E. Berry

Article 17. To see if the Town will vote to raise and appropriate a sum of money to be placed in the Stabilization Fund, said fund created and authorized by the vote passed under Article 84 of the warrant for the annual Town Meeting of 1953, in accordance with provisions of Section 5B, Chapter 40 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Finance and Advisory Board

Article 18. To see if the Town will vote to amend Article 11, Section 4 of the By-laws of the Town of Stoneham by striking out the first sentence in its entirety and inserting in place thereof the following: "The various town boards, officers and committees charged with the expenditure of town money shall before November first (1st) of each year prepare and file detailed estimates of the amounts deemed necessary for the administration of their respective offices or departments for the ensuing year, with explanatory statements of the

reasons for any change from the amounts appropriated for the same purpose in the preceding year."

Finance and Advisory Board

Article 19. To see if the Town will vote to amend Article 11, Section 2 of the By-laws of the Town of Stoneham by striking out the first sentence in its entirety and inserting in place thereof the following: "No member of the Board shall hold any elective or appointive town office or shall be a member of any town committee except that a member of the Finance and Advisory Board may also be a member of the Collective Bargaining Committee for the Town or any other committee which is appointed for the purpose of considering an expenditure of funds of the Town in excess of twenty-five thousand (\$25,000.00) dollars.

Finance and Advisory Board

Article 20. To see if the Town will vote to authorize the Board of Assessors to enter into a contract for an expert appraisal of the taxable property within the Town as provided under Section 4 of Chapter 40 of the General Laws, as amended by Chapter 63 of the Acts of 1966, and to vote for the payment of the charges incurred under these contracts by taxation, by transfer from available funds or by borrowing as provided under provisions of Section 7 of Chapter 44 of the General Laws, as amended by Chapter 63 of the Acts of 1966.

Finance and Advisory Board
and Board of Assessors

Article 21. To see if the Town will vote to raise and appropriate a sum of money to provide cooperative and complementary facilities to Mental Health Out-Patient Clinics and payment of services to be rendered for such clinics, in accordance with provisions of Chapter 40, Section 5, Clause 40C of the General Laws as amended, any appropriation to be expended under the direction of the Board of Health, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Health

Article 22. To see if the Town will authorize the School Committee in accordance with the General Laws, Chapter 149, Section 1781, as amended by Chapter 633 of Acts of 1968 to designate an attorney as a representative of the School Committee for the purpose of bargaining with employee organizations for school employees or take any other action in relation thereof.

School Committee

Article 23. To see if the Town will vote to transfer the care,

custody, management and control of land and buildings thereon, formerly known as the Town Infirmary, now under control of the Board of Selectmen according to the provisions of Article 49 of the warrant of the annual Town Meeting of 1968, to the School Committee for future school use, or do anything in relation thereto.

School Committee

Article 24. To see if the Town will vote to raise and appropriate a sum of money for the purpose of engaging an architect to prepare final architectural drawings, plans and specifications for obtaining fixed price bids for the future construction and such necessary engineering and educational services as may be required for the future construction of an elementary school building, said building to be located on land formerly known as the Town Infirmary and now under the control of the Board of Selectmen. Determine in what manner the said appropriation shall be raised, by transfer from available funds in the Treasury, or by taxation, or by borrowing, by the sale of bonds, notes or otherwise, pass any vote or votes which the Town deems necessary for the purpose required in the article, or do anything in relation thereto.

School Committee

Article 25. To see if the Town will direct the Moderator to appoint a committee of five (5), at least one member to be a member of the School Committee, which committee shall have all the powers and all the duties necessary to carry out all votes under the warrant of this meeting, or subsequent meetings concerning the elementary school building referred to in the previous article, including the necessary architectural plans and drawings as voted under this warrant, and to enter into all lawful contracts or agreements on behalf of the Town, to accomplish said votes, or do anything in relation thereto. That a member of the Town Finance Committee be an observer and allowed to attend all sessions of this committee.

School Committee

Article 26. To see if the Town will vote to raise and appropriate a sum of money to purchase two (2) new automobiles for use of the Police Department, authorize the disposal of two (2) automobiles now in service, authorize the Board of Selectmen to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Chief of Police

Article 27. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new ambulance for use of the Police Department, authorize the disposal of one (1) ambulance now

in service, authorize the Board of Selectmen to make such purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or do anything in relation thereto.

Chief of Police

Article 28. To see if the Town will vote to authorize the appointment of six (6) permanent members of the Fire Department, raise and appropriate money therefor, or do anything in relation thereto.

Fire Chief

Article 29. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip a Fire Alarm truck for use of the Fire Department. Authorize the Moderator to appoint a committee of three (3) members to make said purchase and disposal of present 1954 fire alarm truck, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Fire Chief

Article 30. To see if the Town will vote to raise and appropriate a sum of money to pipe the drainage brook on the southerly side of Franklin Street, at or near number 175 Franklin Street, southerly a distance of 920 feet, more or less, to land now or formerly of Drinkwater, determine in what manner the said appropriation shall be raised; from taxation, by transfer from available funds, by borrowing or other wise, or do anything in relation thereto.

Joseph L. Pardo and ten (10) others

Article 31. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or replacing water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 32. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the Stabilization Fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 33. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

Article 34. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with the State and County Aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 35. To see if the Town will vote to raise and appropriate a sum of money for the construction of highways, with State and County aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation, transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 36. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 37. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of providing an area outside the Town limits for the disposal of rubbish and refuse for a period of one year, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 38. To see if the Town will vote to raise and appropriate a sum of money to purchase and install outside meter reading devices on residential water meters, authorize the Board of Public Works to make such purchases, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 39. To see if the Town will vote to raise and appropriate a sum of money for the purpose of reloaming, seeding, and grading the Pomeworth St. playground where necessary and installing fencing along certain physical boundaries of said playground, authorize the Board of Public Works to make such expenditures, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 40. To see if the Town will vote to raise and appropriate a sum of money for the purpose of removing and replacing certain damaged sections of the existing cement concrete sidewalks in the immediate vicinity of Stoneham Square, authorize the Board of Public Works to make such expenditures, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 41. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) bituminous concrete tailgate spreader with necessary accessories, authorize the Board of Public Works to make such purchase, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 42. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) sidewalk sandspreader body with necessary accessories, authorize the Board of Public Works to make such purchase, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 43. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Cemetery Division one (1) portable air compressor, authorize the disposal of the 1957 Lindsay portable air compressor now in service, authorize the Board of Public Works to make such purchase and disposal, raise the said appropriation by transfer from the sale of Lots and Graves Account and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Board of Public Works

Article 44. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) one-half (1/2) ton pickup truck and one (1) portable cement mixer, authorize the disposal of the 1959 Ford one-half ton pickup truck and the 1950 Rex portable cement mixer now in service, authorize the Board of Public Works to make such purchases and disposals, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 45. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) two-door sedan car and one (1) 1 1/2 to 2 ton roller, authorize the disposal of the 1964 Chevrolet 2-door sedan and the 1949 Buffalo-Springfield roller now in service, authorize the Board of Public Works to make such purchases and disposals, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 46. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) sidewalk snow plow tractor and one (1) sand spreader body, with necessary accessories, authorize the disposal of the 1961 Oliver sidewalk snowplow tractor and the 1948 Tailgate sand spreader now in service, authorize the Board of Public Works to make such purchases and disposals, raise the said appropriation by transfer from available funds, from taxation, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

Article 47. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Water Department one (1) rubber-tired loader with backhoe attachment, authorize the disposal of the 1963 Minneapolis Moline loader with backhoe attachment now in service, authorize the Board of Public Works to make such purchase and disposal, raise the said appropriation by transfer from the Water Surplus Account and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Board of Public Works

Article 48. To see if the Town will vote to accept as public town ways the following ways as laid out by the Planning Board: (1) Carol Street from Main Street westerly a distance of approximately 448 feet; (2) Birch Street from Carol Street northerly a distance of approximately 234 feet; (3) Vernon Avenue from Elm Street southerly a distance of 243 feet.

Residents of Streets

Article 49. To see if the Town will vote to raise and appropriate a sum of money to pave public ways accepted under the above article of this warrant, under the laws relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, authorize the Board of Public Works or the Board of Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, or do anything in relation thereto.

Residents of Streets

Article 50. To see if the Town will amend Article XI of the By-laws relating to the Wage, Salary and Classification Plan by adding the following section: Longevity: Each town employee shall receive additional compensation upon completion of each five (5) years of continuous service with the Town. Such additional compensation shall be paid as follows: Upon the completion of five(5) years of continuous service, he shall receive an amount equal to three (3) per cent of his base pay. An additional three (3) per cent of his base pay shall be paid for each additional five (5) years of continuous service up to a maximum of fifteen (15) per cent, or what it will do in relation thereto.

Henry C. MacKay, Jr., & 12 others

Article 51. To see if the Town will vote to rescind the unissued amount of \$2000.00 remaining in the Loans Authorized account of the Town, said amount being part of the loan voted for school land acquisition under provision of Articles 43 and 44 of the warrant for the annual Town Meeting of 1968, whereby the sum of \$38,000.00 was authorized to be raised and appropriated by borrowing under provisions of General Laws, Chapter 44, and as a result of such school land acquisition it was necessary to borrow only \$36,000.00.

Town Accountant

Article 52. To see if the Town will vote to rescind the votes taken under Article 57 and 58 of the warrant for the Annual Town Meeting for 1954 and Article 50 of the warrant for the Annual Town Meeting for 1960 and raise and appropriate the sum of \$6000.00 for the purpose of codifying and republishing the By-Laws, Zoning By-Laws, Regulations, Rules, and Orders of the Town of Stoneham and where the Board of Selectmen deem it necessary to up-date and/or revise such By-Laws, Rules Regulations and Orders. That the Board of Selectmen be authorized to carry out the provisions of this vote and determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

Article 53. To see if the Town will vote to raise and appropriate a sum of money to authorize the Planning Board to retain professional consulting firm to revise the Zoning By-law, Zoning Map and make a report on land use; and determine in what manner the sum and appropriation shall be raised, from taxation, or by transfer from available funds, by borrowing or by any combination of these methods, or otherwise, or do anything in relation thereto.

Planning Board

Article 54. To see if the Town will vote to authorize the Board of Library Trustees of the Stoneham Public Library to employ a consultant in the field of library building requirements to make a professional study to develop requirements and preliminary specifications for building needs of the Stoneham Public Library, raise and appropriate any sum or sums for necessary expenses for this purpose by taxation or by transfer from available funds, pass any vote or votes which the Town deems necessary for the purpose of this article, or do anything in relation thereto.

Board of Library Trustees

Article 55. To see if the Town will vote to request the General Court to enact a special law entitled "An Act Authorizing Louise Nelson, a Retired Employee of the Town of Stoneham, to Rejoin the Retirement System of the said Town as an Active Member.

John C. Nelson

Article 56. To see if the Town will vote to accept the following bequest under the will of Bertha M. Strail, late of Stoneham: "5. To the Town of Stoneham I bequeath the sum of Two Thousand Dollars (\$2,000.00) to be held by it IN TRUST, the income therefrom to be accumulated until such time as the said income amounts to One Thousand Dollars (\$1,000.00), the said sum of One Thousand Dollars to be then used by the Stoneham School Committee as a scholarship for a graduate of Stoneham High School studying for a degree in Business Administration, similar scholarships to be given each time the income has again amounted to One Thousand Dollars, this fund to be known as the "Thomas Henry Jones Scholarship", given in memory of a former Stoneham shoe manufacturer who by virtue of many years of hard work and civic interested, contributed much to the prosperity and renown of the Town of Stoneham."

John D. Strail, Executor

Article 57. To see if the Town will vote to amend the Zoning By-Laws by adding to the present limits of the Residence "B" District as heretofore defined so as to extend the said Residence "B" District into and include the following parcel of land to the rear of No. 52

and No. 54 Main Street, the same being a portion of Lot F as shown on "Plan of Lots Situated in Stoneham, surveyed for Rachel H. Steele", dated September 12, 1947, H. Kingman Abbott, Surveyor, recorded with Middlesex South District Registry of Deeds in Book 7306, Page 476, being bounded and described as follows: Westerly by a line two hundred (200) feet long parallel with and one hundred (100) feet equidistant in an easterly direction from Main Street; Northerly by land now or formerly of Steele, Two hundred Sixteen and 86/100 (216.86) feet; Easterly by land now or formerly of Farr and Bear Hill, Two hundred Fifteen and 18/100 (215.18) feet; Southerly by lot E as shown on the aforesaid Plan, Two hundred Eighty-Three and 80/100 (283.80) feet.

L. Ronald Capozzoli

Article 58. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: Beginning at a point at the Easterly side of the premises 100 feet, more or less, from the Southerly side line of Franklin Street; thence the line runs Southerly along the Brook 310.50 feet, more or less, to an iron pipe; thence turning the line runs Westerly 382.70 feet, more or less, to an iron pipe at a passageway; thence turning the line runs Northerly along said passageway 190 feet, more or less, to a point; thence turning the line runs Easterly by land now or formerly of Roberts 90 feet, more or less, to a point; thence turning and running Northerly again by said land of Roberts and land now or formerly of Spellman, 123.15 feet, more or less, to a point; thence turning and running Easterly again by land now or formerly of Pagliuca, et al, and the existing Retail Business Zone Boundary, 200 feet, more or less, to the point of beginning, all as shown on Plan of Land in Stoneham, Mass., belonging to Owen Hoey, dated 1909, Wm. Butler Jones, C.E. (excepting conveyances out therefrom) duly recorded with Middlesex South District Registry of Deeds in Book of Plans 202, Plan 23.

Frank M. Geremonte

Article 59. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Industrial District as heretofore defined and set forth the following described area bounded as follows: Beginning at a point at the intersection of the Southerly sideline of Maple Street with the Easterly sideline of Oakland Avenue. The line runs in a Southeasterly direction along the Southerly sideline of Maple Street about 211.25 feet to a point in the Westerly sideline of Glen Road. Thence the line turns and runs in a Southerly direction along the Westerly sideline of Glen Road about 140.44 feet to land now or formerly of One-Oh-Two Corporation. Thence the line turns and runs in a Southwesterly direction by said land now or formerly of One-Oh-Two Corporation about 184.04 feet to a point in the Easterly sideline of Oakland Avenue. Thence the line turns and runs in a

Northwesterly and Northeasterly direction along the Easterly sideline of Oakland Avenue about 219.39 feet to the point of beginning. Said area is the parcel shown as L.C.C. #5372A on a plan entitled "Plan of Land in Stoneham, Mass." by Dana F. Perkins & Sons, Inc., Civil Engineers and Surveyors, dated March 26, 1968, filed in Land Court Case No. 35709.

Hemenway and Barnes, Attorneys,
for property owners

Article 60. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Industrial District as heretofore defined and set forth the following described area bounded as follows: Beginning at a point at the intersection of the Southerly side of Manison Street with the easterly side of Hillside Road, the line runs in an Easterly direction a distance of 104.33 feet, more or less, to a point; thence the line turns and runs in a curve in a Southeasterly direction for a distance of 15.39 feet more or less to a point; thence the line turns and runs in a Southeasterly direction for a distance of 54.94 feet, more or less, to a point; thence the line turns and runs in a Southerly direction for a distance of 86.61 feet, more or less, to a point; thence the line turns and runs in a Northwesterly direction for a distance of 85.00 feet more or less to a point; thence the line turns and runs in a Southwesterly direction a distance of 81.64 feet, more or less to a point; thence the line turns and runs in a Northerly direction for a distance of 84.93 feet, more or less to a point; thence the line turns and runs in a Northeasterly curve for a distance of 23.86 feet, more or less, to a point at the beginning. Said land is a parcel shown as L.C.C. 7641A on a plan entitled "Plan of Land in Stoneham, Mass." by Dana F. Perkins & Sons, Inc. Civil Engineers and Surveyors, dtd. March 26, 1968, filed in Land Court Case #35709.

Hemenway and Barnes, Attorneys,
for property owners

Article 61. To see if the Town will vote to amend the zoning by-law by adding to the present limits of the retail business districts as heretofore defined and set forth so as to include in the retail business district the following described area: a certain parcel of land containing approximately 19,340 square feet more or less, situated on the northerly side of Franklin Street and being described as the rear portion of lot numbered 38 Franklin Street, Stoneham, Middlesex County, beginning at a point 100 feet northerly from Franklin Street and being bounded by land now or formerly of Home for Aged people 180.5 feet to a point, thence, turning and running easterly by land now or formerly of Henry W. Bickum and Craig T. D'Entremont 66.0 feet to a point, thence turning and running southerly by lands now or formerly of John DeSilva and Angelina Asci 80.3 feet to a point, thence, turning and running southeasterly again by land now or formerly of Angelina Asci 82.5 feet to a point, thence, turning and running

southerly by lands now or formerly of John M. Rolli and Josephine Pagliuca 94.5 feet to a point, thence, turning and running westerly by remaining land of lot 38 Franklin Street now or formerly of Joseph Biggio and Helen Fazio 137 feet to the point of beginning.

Martin J. Cicattelli, Attorney
for Richard A. Johnson

Article 62. To see if the Town will vote to amend the Zoning By-Laws by adding under Article I, Section 2a, titled "Exceptions", to paragraph 3, a new sentence, as follows: "New buildings for the following purposes, semi-public, philanthropic, charitable or religious institutions, may be erected, provided there is a minimum lot area of one acre."

Cameron Bain, President
Stoneham Boys Club, Inc.

Article 63. To see if the Town of Stoneham will convey to the Stoneham Boys Club, Inc., for the purpose of establishing a building-centered program, the parcel of land bounded and described as follows: Land owned formerly by Alice F., Agnes V. and William F. Halpin, consisting of 45,360 square feet, more or less, and described as follows: Beginning at a stone bound located at the intersection of the southerly and easterly lot lines of Recreation Park, so called, South 76 degrees-28'-40" West, a distance of 121.36 feet, more or less, to a point; thence the line turns and runs South 13 degrees-52'-19" East, a distance of 125.00 feet, more or less, to a point; thence the line turns and runs South 69 degrees-49'-07" West, a distance of 60.37 feet, more or less, to a point; thence the line turns and runs South 13 degrees-52'-19" East, a distance of 79.11 feet, more or less, to a point; thence the line turns and runs North 82 degrees-59'-20" East a distance of 239.09 feet, more or less, to a point; thence the line turns and runs North 14 degrees-26'-36" West, a distance of 239.13 feet more or less, to a point; thence the line turns and runs South 75 degrees-32'-12" West, a distance of 53.64 feet, more or less, to said point of beginning; being a portion of the same land acquired under the provisions of Article 36 of the adjourned Town Meeting of March 16, 1964; that the Town of Stoneham grant authority to the Board of Public Works to act as its agent in this conveyance for whatever consideration shall be determined; or, to do anything in relation thereto; subject to the condition that if, for any reason, the Stoneham Boys Club, Inc. fails to carry out its building program within five years from this date, the above parcel of land will revert to the Board of Public Works for the same consideration paid by the Boys Club of Stoneham, Inc.

Cameron Bain, President
Stoneham Boys Club, Inc.

Article 64. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the residence B District as heretofore defined and set forth so as to include in the Residence B District the following described area, to wit: A certain parcel of land consisting of 9.0 acres more or less; situated on the Westerly side of Main Street, and bounded and described as follows: Beginning at a point at said Main St. and at land of Maffeo; Thence running West-erly along land of Maffeo for a distance of 110.21 feet more or less; Thence running Northerly again along land of Maffeo for a distance of 134.39 feet, more or less; Thence running Westerly along land of Burke, Harrigan, and Slocum for a distance of 315.84 feet, more or less; Thence running Southerly along land of Roderick a distance of 37.33 feet, more or less; Thence running Westerly again along land of Roderick a distance of 60.00 feet more or less; Thence running Northerly again along land of Roderick a distance of 120.33 feet more or less; Thence running Westerly along Kenwood Ave. a distance of 32.00 feet, more or less; Thence running Northerly along the West-erly end of Kenwood Ave. and along land of Brown a distance of 286.00 feet, more or less; Thence running Westerly along land of Srebnick, Grinovich, Cataldo and others a distance of 232.53 feet more or less; Thence running Southerly along land of Trifiro, Reinold, Gillis, and American Legion Post 115 of Stoneham, Mass. a distance of 554.45 feet, more or less, Thence running Easterly along land of American Legion Post 115 of Stoneham, Mass., Bordonaro, and Preman a distance of 1048.49 feet, more or less to Main St.; Thence Northerly by said Main St. a distance of 101.00 feet, more or less, to the point of be-ginning. Said land being shown on "Plan of Land in Stoneham, dated Jan. 20, 1969 by Francis E. Burke, Registered Land Surveyor". Being land behind house numbered 589 Main St.

Peter P. Savello

Article 65. To see if the Town will vote to amend the Zoning By-Laws by deleting from Article One Section Three the paragraph titled number four and inserting in its place the following paragraph titled number four: No building shall be erected except apartments, pro-fessional buildings, rest homes, nursing or convalescent homes, con-valescent hospitals and sanitoriums on land added to Residence B Districts after the date of passage of this amendment.

William F. D'Annolfo

Article 66. To see if the Town will vote to amend the Zoning By-Laws by adding to the present limits of the Residence B District as heretofore defined so as to extend the Residence B District into the following described area: A certain parcel of land consisting of 19.29 acres more or less having two frontages on Pond Street and being bounded by the land of Dominic J. & Annabelle M. Cannuli, Leonard C. & Lillian C. Doucet, Bernard J. & Mildred B. Bolton, by three

parcels of Arthur G. & Gertrude R. Chapman, a certain right of way, Reginald & Glendola M. Mitchell, by two parcels of Roland J., Joseph, Anthony W. & Guy J. Spadafora, another right of way, and by the Metropolitan District Commission, George A. & Muriel A. Bates, Carmella Spadafora, Joseph & Mary Spadafora, Martin A. & Vincenza Conserva, Edwin E.W. & Edith C. Erickson, Frank & Mary Cozzo, Felice & Maria Buono, and by land of Beverly Building Corporation. Said land being shown as Lot 1 on a Plan of Land in Stoneham, Mass., dated August 9, 1967, Dana F. Perkins, & Sons, Inc., Civil Engineers & Surveyors, as recorded in Middlesex South District Registry of Deeds in Book 11381, Page 232.

William F. D'Annolfo

Article 67. To see whether the Town will vote to amend the Zoning By-law by adding to the present limits of the Residence B Zone as heretofore defined and set forth, so as to include in the Residence B Zone the following described area, to wit: A certain parcel of land consisting of 90,000 square feet, more or less; situated on the southerly side of Franklin Street, and bounded and described as follows: Beginning at a point at the Easterly side of the premises 100 feet, more or less, from the Southerly line of Franklin Street, thence running Westerly in a parallel line with Franklin Street for a distance of 225 feet, more or less; thence running Southerly along land of Russell for a distance of 50 feet, more or less; thence running Westerly again along land of Russell for a distance of 120.00 feet, more or less; thence running Southerly again along land of Hamill and others for a distance of 150.00, more or less; thence running Westerly again along land of Marks for a distance of 40.00 feet, more or less; thence running Southerly again along Franklin Place for a distance of 140.00 feet, more or less; thence running Easterly again along land of the Town of Stoneham for a distance of 324.74 feet, more or less; thence running Northerly along land of Campbell, or others, for a distance of 88 feet, more or less, to the point of beginning. Said land being shown on "Plan of Land in Stoneham, dated July 11, 1968 by Francis E. Burke, Registered Land Surveyor."

Simon Zaltman

Article 68. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Residence B Zone as heretofore defined and set forth, so as to include in the Residence B Zone the following described area, to wit: The land in Stoneham, Middlesex County, Massachusetts situated on the Northerly side of Montvale Avenue, being shown on a plan entitled "Land in Stoneham" dated June 24, 1929 by Dana Edson Perkins, C.E. recorded in Middlesex South District Registry of Deeds in Book 5369 at page 574, and being further bounded and described according to said plan as follows: Southerly by said Montvale Avenue, 260.42 feet; Westerly by land formerly of Butler, as shown on said plan, 329 feet; Northerly

by land now or formerly of Ryder as shown on said plan, 162.75 feet; Easterly by said land of Ryder 34.75 feet; Northerly by said land of Ryder 53.75 feet; Northeasterly by said land of Ryder 112.50 feet; Easterly by said land of Ryder 208 feet. Excepting therefrom so much as was taken by a Taking recorded in Middlesex South District Registry of Deeds in Book 9244 at page 114 amounting to about 1690 square feet of land.

Estate of Anthony L. D'Annolfo

Article 69. To see if the Town will vote to amend the Zoning By-Law by adding to the present limits of the Residence B Zone as heretofore defined and set forth, so as to include in the Residence B Zone the following described area, to wit: Beginning at the south-easterly corner of the premises now owned by Walker's Realty, Inc. on West Wyoming Avenue, running northeasterly one-hundred eighty-five and 70/100 feet (185.70) thence turning and running easterly one hundred thirty-one and 52/100 feet (131.52); thence by three different lines in a general easterly direction two-hundred fifty-six and 5/100 feet (256.05) to a brook; thence turning and running northerly four hundred thirteen and 21/100 feet (413.21); thence running along northeasterly side of Fellsview Road Extension as adjudicated by the Land Court Case #33894 to Lynn Fells Parkway; thence turning and running in a generally curved line southerly along Lynn Fells Parkway four-hundred and thirty-six feet (436.00) more or less; thence turning and running easterly for a distance of one hundred fifty feet (150.00); thence turning and running southerly two-hundred feet (200.00); thence turning and running Westerly for a distance of one hundred fifty feet (150.00) to a point on Lynn Fells Parkway; thence turning and running southerly along Lynn Fells Parkway a distance of three hundred fifty feet (350.00) more or less; thence in a curved line from Lynn Fells Parkway to West Wyoming Ave., thirty-five and 24/100 feet (35.24); thence southeasterly along West Wyoming Avenue ninety-seven and 47/100 feet (97.47) to the point of beginning.

Walker Realty Trust

Article 70. To see whether the Town will vote to amend the Zoning By-law by adding to the present limits of the Residence B Zone as heretofore defined and set forth, so as to include in the Residence B Zone the following described area, to wit: Beginning at a point on the Southeasterly side of Lynn Fells Parkway at the boundary line of land now or formerly of Carl D. and Anne D. Richardson and land now or formerly of Walker Realty, Inc., thence running South-easterly along said boundary line two hundred thirty-two and 23/100 (232.23) feet; thence turning and running Southwesterly one hundred fifty-eight and 88/100 (158.88) feet; thence turning and running North-westerly one hundred forty-one and 29/100 (141.29) feet to Lynn Fells Parkway; thence turning and running in a generally curved line

Northeasterly along said Lynn Fells Parkway, one hundred ninety-four and 18/100 (194.18) feet to the point of beginning.

Samuel A. Valenti and others

Article 71. To see if the Town will vote to amend the Zoning By-law Article I, Section 20 Regulation of Apartment Buildings by striking out under section titled Off Street Parking: One (1) parking space per dwelling unit and inserting in lieu the following: "One and one-half parking spaces per dwelling unit".

Stoneham Planning Board

Article 72. To see if the Town will vote to amend the Zoning By-law Article I, Section 12B Off Street Parking by deleting under subsection (b), Section (3) in its entirety and insert in lieu the following: (3) For hospitals, one parking space for every two beds; for convalescent homes, welfare or similar institutions, one parking space for every four beds.

Stoneham Planning Board

Article 73. To see if the Town will vote to amend the Zoning By-law by adding to Article I, Section 17 an additional paragraph as follows: The petitioner seeking to rezone land by amendment shall file with the Planning Board a plan showing not only the locus which is sought to be rezoned, but also the land of the abutters. Said plan shall include the areas, dimensions and the zones of all parcels shown thereon and shall be prepared and signed by a registered professional engineer or a registered surveyor who shall certify as to the accuracy of the data contained thereon.

Stoneham Planning Board

Article 74. To see if the Town will vote to amend the Zoning By-laws by adding to the present limits of the Residence "A" district as heretofore defined so as to extend the Residence "A" district into the following described areas: Beginning at a point at the junction of the Easterly side of Pearl Street and the Southerly side of Franklin Street; thence the line runs in a general Easterly direction by the Southerly side of Franklin Street to a point at the Stoneham-Melrose boundary line; thence the line turns and runs in a Southerly direction one hundred feet (100.00); thence the line turns and runs in a general Westerly direction parallel to the Southerly side of Franklin Street to a point on the Easterly side of Pearl Street; thence the line turns and runs in a Northerly direction one hundred feet (100.00) to the point of beginning. Beginning at a point at the junction of the Easterly side of Dale Court and the Northerly side of Franklin Street; thence the line runs in a general easterly direction by the Northerly side of Franklin Street to a point at the Stoneham-

Melrose boundary line; thence the line turns and runs in a Northerly direction one hundred feet (100.00); thence the line turns and runs in a general Westerly direction parallel to the Northerly side of Franklin Street to land of Rotundi Realty Corporation presently zoned for General Business and so shown on the Zoning Map for the Town of Stoneham; thence the line turns and runs in a Northerly direction one hundred feet (100.00); thence the line turns and runs in a Westerly direction parallel to the Northerly side of Franklin Street four hundred eighty-five feet (485.00); thence the line turns and runs in a Southerly direction one hundred feet (100.00); thence the line turns and runs in a general Westerly direction parallel to the Northerly side of Franklin Street to Dale Court; thence the line turns and runs in a Southerly direction one hundred feet (100.00) to the point of beginning. Meaning to add to the present limits of the Residence "A" district of the Town of Stoneham that portion on the Southerly side of Franklin Street from the Easterly side of Pearl Street to the Stoneham-Melrose boundary line presently zoned other than Residence "A"; and also that portion on the Northerly side of Franklin Street from the Easterly side of Dale Court to the Stoneham-Melrose boundary line presently zoned other than Residence "A".

Stoneham Planning Board

Article 75. To see if the Town will vote to amend the Zoning By-laws by adding to the present limits of the Residence "A" district as heretofore defined so as to extend the Residence "A" district into the following described areas: Beginning at a point at the junction of the Easterly side of Tremont Street and the Southerly side of Elm; thence the line runs in a general easterly direction by the Southerly side of Elm Street to the Stoneham-Wakefield boundary line; thence the line turns and runs in a Southerly direction one hundred feet (100.00); thence the line turns and runs in a general Westerly direction parallel to the Southerly side of Elm Street to the Easterly side of Tremont Street; thence the line turns and runs one hundred feet (100.00) in a Northerly direction to the point of beginning. Beginning at a point at the junction of the Easterly side of Central Street and the Northerly side of Elm Street; thence the line runs in a general Easterly direction by the Northerly side of Elm Street to the Stoneham-Wakefield boundary line; thence the line turns and runs in a Northerly direction one hundred feet (100.00); thence the line turns and runs in a general Westerly direction parallel to the Northerly side of Elm Street to the Easterly side of Central Street; thence the line turns and runs in a Southerly direction one-hundred feet (100.00) to the point of beginning. Meaning to add to the present limits of the Residence "A" zone that portion on the Southerly side of Elm Street from the Easterly side of Tremont Street to the Stoneham-Wakefield boundary line presently zoned other than Residence "A"; and also that portion on the Northerly side of Elm Street from

the easterly side of Central Street to the Stoneham-Wakefield boundary line presently zoned other than Residence "A".

Stoneham Planning Board

Article 76. To see if the Town will vote to amend the Zoning By-Law by adding the following paragraph to Article 1, section 2;-
"11. Extended care centers, Nursing homes, Medicare and other similar type operations for the care and treatment of the sick and aged, provided therefore, that such operations shall be allowed on a minimum area of two or more acres".

Patrick P. Vacca

Article 77. To see if the Town will vote to amend the Zoning By-Laws by adding to the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District the following area adjacent thereto and being bounded as follows: Beginning at a point on the Westerly side of Main Street, at land now or formerly of Davelyn Trust, and being 171.45 feet, more or less, south of the junction of Main Street and the Southerly side of Governor Road, said point being the Northerly extremity of the Existing General Business District, thence the line runs Northerly, parallel to said Main Street, a distance of 856.23 feet, more or less, to a point at land of Bianchi and the junction of Main and North Streets; thence the line turns and runs Northwesterly, 51.79 feet, more or less, to a point at North Street and said land of Bianchi; thence turning and running Southwesterly by the Southerly side of North Street, 80 feet, more or less, to a point at said Bianchi land; thence turning and running Southerly, and parallel to said Main Street, a distance of 923 feet, more or less, to a point at said land now or formerly of Davelyn Trust; thence turning and running Easterly, 112.14 feet, more or less, to said Main Street and the point of beginning; or do anything in relation thereto.

Robert D. Callahan, Esq.
for Mario A. and Dominic B. Bianchi

And you are directed to have one thousand two hundred (1200) copies of the warrant printed and so serve the same by posting duly attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing a duly attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place aforesaid.

Given unto our hands this fourth day of February in the year of our Lord one thousand nine hundred and sixty-nine.

Alice Fitzgibbon Del Rossi

Edmund J. Moreira

Daniel C. Towse

Joseph W. Fallon

James A. McDonough
